

[Kelly Davis '95](#) is one of the many Millersville Alumni who works at Millersville University! In her current role as administrative assistant to the dean of the College of Education and Human Services, she is a Millersville ambassador to members of the University Community and beyond. The College of Education and Human Services faculty and staff work together to create thought-provoking events and offer excellent learning opportunities. Kelly serves the Millersville University Alumni Association as a member of the Executive Board and Co-Chair of the Technology Committee. She attends many academic and cultural events on campus throughout the year and is proud to be a Marauder for Life!
