

Effective: October 1997

**Academic Policy: Graduate Studies
ADVISEMENT**

Approved: October 1997
Reviewed: May 24, 2007
Revised: December 16, 2009
Deans' Council, Faculty Senate

Each student is assigned a faculty adviser upon admission to a graduate program. It is the student's responsibility to initiate contact with an adviser to develop an initial program of study and prior to each registration period.

It is the responsibility of the adviser to provide academic counseling in light of program requirements and the student's personal and professional goals.
