Millersville University’s EEO/AA Program arises from the conviction that an institution of higher education should be more than a mere reflection of societal circumstances but should exist as a humane enterprise to advance social development. It is in this spirit that we embark on a program to create a richer, more diverse and inclusive institution.

It is the policy of Millersville University that the recruitment, admission, and retention of students, as well as the recruitment, hiring, promotion, termination and other University relationships with faculty and staff, be nondiscriminatory.

Additionally, it is the University’s policy that no qualified disabled individual, disabled veteran or veteran of the Vietnam Era shall be subject to discrimination in employment or admission to Millersville University.

Millersville University reaffirms its commitment to this policy by recognizing the necessity to:

1. Continue to diversify the undergraduate and graduate student body.
2. Recruit, hire, promote, develop, and retain equity group faculty and staff.
3. Provide reasonable accommodations and auxiliary services for disabled employees and students.
4. Sensitize and educate the University community to promote a campus free of harassment on the basis of race or ethnicity; gender; sexual orientation, gender identity, gender expression; campus status (i.e., student, faculty, or staff); marital status; pregnancy; age; religion or belief system; disability; national background or origin; or veteran status.
5. Assure that claims of harassment of faculty, staff and students are promptly and appropriately investigated and resolved in a timely manner.
6. Disseminate the University’s EEO/AA Statement.
7. Assure appropriate monitoring procedures of the EEO/AA Program.
