If this is your first certification – chances are that you are applying for an “Instructional I” (61)

A full list of Credential Types and Subject Area Codes are included at the end of this document

**NOTE:** Be sure to list ALL certification areas. DO NOT add certification areas that you are adding by testing only (these require an entirely separate application).

Note: When entering one of the “new” PreK-4 or 4-8 programs they are listed beginning under “G” for “Grades...”

Step 2: Fill in your profile information

Don’t forget “gender” and your “citizenship” status😊

NOTE: DO NOT use your “millersville” email account as your primary email since eventually that email account will be terminated.
Step 3: The next step is to add your Bachelor’s degree.

- Start by clicking “add new”.

**Note:** Millersville may already be listed here, but you still need to add it again.

Post-Baccalaureate applicants - you will have to add your Bachelor’s degree info as well even if you did not attend MU for your original undergraduate degree.
- Select Millersville as your Institution
- Select Jen Lefever as the contact official.

- Select YES if you received a degree at this institution. (All BSE students would select YES!)
Fill in the Degree Information. You will need to fill in your GPA (your nearest estimation is fine). Please note that if you are a BSE student, your “Degree” GPA and your “Program” GPA are both your cumulative GPA (not your Major GPA).

Then add your major subject area.
The “Major Subject Area” is the area of your degree. BSE majors should select the major subject area that refers to your being in “education” as well as your “subject” area.

*If you are only given foreign language as an option when choosing your major subject area or educator prep. program information, please see the “TIMS Extra Guide” at the end of this document, for help on how to fix this and other problems.
Next click “YES” that you attended an “Educator Prep Program” while at this institution.

Now click to add your Educator Preparation Program.
Select your program from the list and fill in the additional information.

NOTE: If you are in a “Dual” certification program like ERCH/SPED, then you will have to enter BOTH “Educator Prep Programs” as separate line items.

Remember: PreK-4 & 4-8 programs are listed beginning under “G” for “Grades…”

Once you have added this information, hit the ADD button, and then click SAVE.
YAY! If it looks like this after you “save” then you did it properly...

Click NEXT
Step 4: There is a “Survey” for you to answer regarding your Certification Preparation Program. Please be thoughtful in your responses.

Step 5: If this is your first Certification application this area should be blank – you hold No Previous Certifications.

Click NEXT
Step 6: This is a page of all the requirements for certification for your reference but some information may not be 100% accurate, make sure to check your profile page.

Note: at the bottom of this page, there’s a box that shows what you are missing or what PDE needs from you in order to process your certification request. It may show “not received” even though PDE may already have your test scores on file. To check what PDE has on file, go to your HOME (dashboard screen) and click on “View my tests on file”.
Summary: This is a summary page of all of the information that you’ve entered. Be sure to review it and make sure that everything looks correct. SCROLL DOWN through the entire form.

Don’t forget to check the 2 boxes under the Code of Conduct

You have almost made it… Proceed to Submit!
Please Note: As of September 1, 2013 the new fee for Certification is $125

Choose your method of payment

If you are paying online with a credit card – fill in your billing information first

If you are paying with a Money Order, choose Money Order from the drop down list and then send your Money Order with a copy of your coversheet IMMEDIATELY to PDE!
You’re almost finished! You will not receive any other receipt, so if you paid with a credit card you may want to print this page as your receipt.

The next step is to print your coversheet.
This is what the coversheet looks like. You do not need to send a copy of your coversheet to PDE unless there is something you need to send them to add to your certification packet.

UNDER ALL CIRCUMSTANCES WE REQUIRE A COPY OF YOUR COVERSHEET – Page 1 only please 😊

I VERY, EXTREMELY, WITHOUT EXCEPTION, HIGHLY recommend that you keep a copy of EVERYTHING you send to PDE. This is a sometimes convoluted and confusing process. You don’t want your certification delayed because YOU think you paid for your application and PDE says you didn’t. KEEP COPIES OF EVERYTHING YOU SEND TO PDE!!! You will be happy that you did...

I hope you find this information helpful. If you have any questions regarding these directions or this process, please contact the Millersville University Certification Office for assistance.
