Department Chair Conference

A conference for Department Chairpersons has been scheduled for January 9 and 10 at Kutztown University. Dr. Tuleya-Payne expressed interest in attending.

Diversity Plan

The SoE Diversity Committee will be renewed. Former members will be asked if they would like to serve on the new committee. Each department within the School will be represented. A survey on diversity initiatives was sent out to all School of Education faculty recently. Dr. Coker-Kolo will compile the information and use this to shape the charge for the revamped diversity committee.

The meeting concluded with a discussion on the planned areas of focus for the individual departments for the upcoming semester.
