Sabotage! Rank-Order Tournament Theory and *The Price is Right* (co-author: Jeremy T. Schwartz), work in progress, 2009

An Econometric Analysis of Fuelwood Use in Africa (co-author Angela L. Cuthbert), work in progress, 2008

Resource Allocations with Uncertainty: Experiments on Learning and Groups Acting as Decision-Makers (co-authors: Hugh Kelley and James M. Walker), working paper, 2005

**Referee Work:**

American Economic Review, Journal of Economic Behavior and Organization

**Academic Conference Presentations and Participation:**

Presenter "Comparing the effectiveness of leadership gifts and matching funds in the provision of public goods under alternative laboratory methodologies," Pennsylvania Economic Association Annual Meeting, Clarion, PA 6/12

Presenter "Buy the Seat of Your Pants: Does Increasing the Stakes of a Classroom Experiment Increase Learning Outcomes?" National Conference on Teaching Economics, Palo Alto, CA, 6/11

Presenter "Dynamic Contributions to a Public Project with Increasing Marginal Benefits," Southern Economic Association Annual Meeting, Atlanta, GA 11/10

Presenter "Matching Contributions and the Voluntary Provision of a Pure Public Good: Further Experimental Evidence," Pennsylvania Economic Association Annual Meeting, West Chester, PA 6/09

Presenter "Matching Contributions and the Voluntary Provision of a Pure Public Good: Further Experimental Evidence," Indiana University Graduate Alumni Conference, Bloomington, IN 4/09

Presenter "Matching Contributions and the Voluntary Provision of a Pure Public Good: Further Experimental Evidence," Southern Economic Association Annual Meeting, Washington D.C. 11/08

Presenter "An Econometric Analysis of Fuelwood Use in Africa," Pennsylvania Economic Association Annual Meeting, Slippery Rock, PA 6/08

- Presenter “Matching Contributions and the Voluntary Provision of a Pure Public Good: Experimental Evidence,” MU Economics Department Colloquium Series, Fall 2006
- Presenter “Matching Contributions and the Voluntary Provision of a Pure Public Good: Experimental Evidence,” Economic Science Association North American Regional Meeting, Tucson, AZ 10/06
- Presenter “Matching Contributions and the Voluntary Provision of a Pure Public Good: Experimental Evidence,” Pennsylvania Economic Association Annual Meeting, Indiana, PA 6/06
- Presenter “The *Seat Is Right*: Bidder Heterogeneity in *The Price is Right*,” Southern Economic Association Annual Meeting, Washington D.C. 11/05
- Presenter “Comparing Small-Group and Individual Behavior in Lottery-Choice Experiments,” Economic Science Association North American Regional Meeting, Tucson, AZ 11/04
- Chair “Microeconomics in an International Context,” Pennsylvania Economic Association Annual Meeting, Clarion, PA 6/12
- Discussant “Cournot and Bertrand Competition when Advertising Rotates Demand: The Case of Honda and Scion,” Pennsylvania Economic Association Annual Meeting, Clarion, PA, 6/12
- Discussant “Regional Supplier Associations as the Producer of Transitional Public Goods in Latin America and the Caribbean,” Pennsylvania Economic Association Annual Meeting, Clarion, PA, 6/13
- Discussant “Teacher and Student Characteristics as Determinants of Success in High School Economics Classes,” National Conference on Teaching Economics, Palo Alto, CA 6/11
- Discussant “A Dynamic Public Good Game,” Southern Economic Association Annual Meeting, Atlanta, GA 11/10
- Discussant “How Equal is Equal? A Study of New Jersey Public School Resources,” Pennsylvania Economic Association Annual Meeting, West Chester PA 6/09
- Discussant “A Powerful Adaptive Distribution-Free K-Sample Test Against Ordered Alternatives,” Southern Economic Association Annual Meeting, Washington D.C. 11/09
- Discussant “Using Technology in the Principles of Economics Course,” Pennsylvania Economic Association Annual Meeting, Slippery Rock, PA 6/08
- Discussant “An Experimental Analysis of Public Goods Provision with Egalitarian Redistribution,” Economic Science Association North American Regional Meeting, Tucson, AZ, 10/06

- Discussant "Regulatory Reform Reinforces Market Power: The Case of Banking Sector Competition in Jamaica," Pennsylvania Economic Association Annual Meeting, Indiana, PA 6/06
- Discussant "Regional Specialization and Wage Patterns in China," Southern Economic Association Annual Meeting, Washington D.C. 11/05
- Attendee Allied Social Science Association Meetings, San Diego, CA 1/13
- Attendee Allied Social Science Association Meetings, Chicago, IL 1/12
- Attendee Allied Social Science Association Meetings, Atlanta, GA 1/10
- Attendee Allied Social Science Association Meetings, San Francisco, CA 1/09
- Attendee Allied Social Science Association Meetings, New Orleans, LA 1/08
- Attendee Allied Social Science Association Meetings, Chicago, IL 1/07
- Attendee Allied Social Science Association Meetings, Philadelphia, PA 1/05
- Panelist "Research in the Disciplines: Contemporary Theory, Current Practice," Millersville Academic Festival, 5/06
- Participant MU Showcase of Scholarship, 3/09
- Participant MU Scholarly Passions exhibit, 3/07
- Participant MUtopia: A Galaxy of Ideas exhibit, 3/06

### **Awards and Grants Received**

- Millersville University Faculty Travel-to-Present Grant: "Buy the Seat of Your Pants: Does Increasing the Stakes of a Classroom Experiment Increase Learning Outcomes?" summer 2011
- Millersville University Faculty Research Grant: "Dynamic Contributions to a Public Project with Increasing Marginal Benefits," summer 2010
- Millersville University Faculty Travel-to-Present Grant: "Matching Contributions and the Voluntary Provision of a Pure Public Good: Further Experimental Evidence," fall 2008
- Millersville University Faculty Travel-to-Present Grant. "Matching Contributions and the Voluntary Provision of a Pure Public Good: Experimental Evidence," fall 2006
- Millersville University Faculty Travel-to-Present Grant: "The *Seat* Is Right: Bidder Heterogeneity in *The Price is Right*," fall 2005
- Indiana University-Bloomington Fred Whitney Award: Awarded to a graduate student whose research is valuable to the field of Applied Microeconomics, 2005

Indiana University Center on Philanthropy Research Grant: “Matching Contributions and the Voluntary Provision of a Pure Public Good: Experimental Evidence,” 2004

**Professional Development**

- Attendee FlipU: A Flipped Classroom Workshop, spring 2014
- Attendee Camp IDEA (workshop to enhance teaching by distance learning), summer 2013
- Attendee Writing Better NSF Research and Education Proposal Workshop, spring 2010.
- Attendee Millersville University Faculty Development Workshop on Academic Advisement, spring 2006

**Millersville University Economics Department Service**

- Advisor Economics Society, 2006-Present
- Chair Five-Year Review Committee, fall 2010-spring 2011
- Chair Curriculum Management Committee, summer 2008-2013
- Chair Middle-States Committee, 2009-2010
