The Gate House for Women

465 West Main Street. Mountville PA. 17554
www.gatehouse.org  T: 717.285.2300

Internship Requirements: Pursuing an Undergraduate or Graduate degree in a Human Services Field. Internship applicants are accepted on a case-by-case determination.

Roles and Responsibilities:

The job description allocated to my internship position included learning and developing skills pertaining to:

- Counseling
- Case management
- Life Skills Coordinator (psychoeducational groups)
- Treatment Plans
- Pre-admission Interview
- Small Group Facilitation
- Observing Continued Stay Reviews

The Gate House is a community-based drug and alcohol residential treatment provider. The philosophy is developed around a twelve-step model and the focus is the improvement of successful life skills surrounding a recovering lifestyle. The organization has multiple locations and offers a continuum of extended care.
