      Administration.
   2. All other students (internal and external transfers) must:
      - complete SOCY 101 (or an equivalent course) with a C or better,
      - complete MATH 130 (or an equivalent course) with a C- or better,
      - obtain a minimum CQPA of 2.0 and a QPA of at least 2.0 in courses required for the major,
      - Internal transfers, additionally, must have completed 15 semester hours at MillersvilleUniversity.
   3. Students who meet the above criteria may apply for admission to the Sociology major and will be admitted if
      space is available.

B. Policies for Retention in the Major
   1. University requirements for retention.
   2. Majors must maintain a minimum CQPA of 2.0 overall and in the major. If either QPA falls below 2.0, the
      student has one semester to re-establish a 2.0, after which time the student will be dismissed from the major
      if either QPA remains below 2.0. A student who has been dismissed may petition the department to be
      readmitted after she/he has satisfied the minimum retention requirements. Students will be readmitted on a
      space available basis.
   3. A student must earn a minimum grade of C in SOCY 101: Introduction to Sociology , a minimum grade of C-
      in MATH 130: Elements of Statistics, and a minimum grade of C- in SOCY 302: Social Statistics before taking
      courses for which these are prerequisites. A student who does not earn the necessary grade these
      prerequisite courses by the second attempt will be dismissed from the Sociology major. In addition, a minimum
      grade of C in SOCY 230: Criminology must be earned prior to taking SOCY 331 or 332. A student who does not
      earn the necessary grade in SOCY 230 by the second attempt, will be dismissed from the Criminology option.
      Students will be readmitted on a space available basis upon successful completion of the course.
   4. The Departmental Academic Review is a mandatory, non-graded activity designed primarily to enhance our
      departmental advising. Students cannot "fail " the review, and no student will be dismissed from the department
      based on a poor performance. The review will take place after the completion of 45 semester hours but no
      later than the semester following the completion of 60 semester hours. It is the student's responsibility to
      contact her/his advisor to schedule the Academic Review after the completion of 45 semester hours. The review
      consists of a half-hour interview with the student's advisor and possibly the department chair. The student is
      required to submit an essay on her/his career goals and a resume to the advisor one week prior to the scheduled
      conference. If the student fails to participate in the review, she/he will be placed on probation-in-the-major for one
      semester, during which time she/he will be given a final opportunity to complete the Academic Review. Failure to
      complete the review during the probationary period will result in the student being dismissed from the major.

C. Policies for Completion of the Major
