Triumph and Tragedy: National History Day Course!

(Earn 3 Credits in One Week)

Investigate the 2019 National History Day theme, Triumph and Tragedy, with disciplinary experts. Learn to locate primary and secondary research resources. Develop pedagogical strategies for implementing project-based curricula (documentaries, exhibits, papers, performances, websites) into the middle and high school classroom. Students will work on independent lesson plans or original research.

Open to all, no prerequisites.
