Did you know...?

It's Registration Time!

Though the leaves are beginning to change and Fall has just kicked into gear, it's time to think Spring! Spring 2011 undergraduate registration begins November 11th. Here are some tips to help with the registration process:

1. Make an appointment with your adviser to discuss course selection for the upcoming semester. Don’t forget to bring a copy of your current DARS to the meeting!

2. Be sure to receive your TAP number from your adviser after you discuss your courses. Your TAP number changes each semester so you must meet with your adviser every semester. Every student MUST HAVE a TAP number in order to register for classes. DO NOT LOSE your TAP number; your adviser may not be available last minute when you’re registering.

3. Double check your MAX account to see if you have any holds on your record. This can include anything from a Library fee, Health form needed, or an outstanding parking ticket! Make sure to get these resolved well before you’re supposed to register.

4. The Registration Schedule is on the Registrar’s website and tells you the earliest date and time you can start registering. It is a good idea to make sure to get into your MAX account at the date and time given so that you can get registered without any problems.

How to Calculate your GPA

Each letter grade is worth a different number of quality points:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Quality Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4.0</td>
</tr>
<tr>
<td>A-</td>
<td>3.7</td>
</tr>
<tr>
<td>B+</td>
<td>3.3</td>
</tr>
<tr>
<td>B</td>
<td>3.0</td>
</tr>
<tr>
<td>B-</td>
<td>2.7</td>
</tr>
<tr>
<td>C+</td>
<td>2.3</td>
</tr>
<tr>
<td>C</td>
<td>2.0</td>
</tr>
<tr>
<td>C-</td>
<td>1.7</td>
</tr>
<tr>
<td>D+</td>
<td>1.3</td>
</tr>
<tr>
<td>D</td>
<td>1.0</td>
</tr>
<tr>
<td>D-</td>
<td>0.7</td>
</tr>
<tr>
<td>F</td>
<td>0.0</td>
</tr>
<tr>
<td>Z</td>
<td>0.0</td>
</tr>
</tbody>
</table>

The formula you can use:

\[ \frac{\sum (\text{# of Credits} \times \text{Quality Points})}{\text{Total # of Credits}} \]

1. Take the number of credits for each class and multiply by the quality points. Add up the total sum for all classes.
2. Divide that total by the total number of credits.

Calculating your GPA is also useful for setting goals for grades!

Who We Are

The Office of Academic Advisement, located on the 2nd floor of Lyle Hall, coordinates services for all students in conjunction with academic departments such as change of majors, minors, and advisers, and provides advisement for students who have not yet declared an academic major in collaboration with the Exploratory advisers. The office has a comprehensive website at www.millersville.edu/advisement. The Exploratory Program also has a website which includes relevant information for the undecided student at www.millersville.edu/undprgm.
