CLASS NOTES for The Review

Recent marriage? Birth? Promotion? Let us know what's happening in your life by sending an email to: mualumni@millersville.edu
Gerald C. Eckert

Gerald C. Eckert has devoted the majority of his career to being a champion for public higher education and, in particular, for Millersville University. He recently retired as Millersville's Vice President for University Advancement after almost 30 years.

Outstanding Volunteer Service Award

David Hernandez '71

Since graduation, Hernandez has maintained a close connection to his alma mater and began serving on the MUAA's events committee in 1986. He served numerous terms on the Alumni Association Board of Directors, including two years on the Executive Committee.

Young Alumni Achievement Awards

John Held '02

John held is director of communications for the ABIM (Advancing Medical Professionalism to Improve Health Care) Foundation where he develops strategic communications initiatives to advance the Foundation's organizational goals. He currently serves on the Millersville University Alumni
Association Board of Directors where he chairs the Technology Committee.

Matthew Stoltzfus ’02

Dr. Matthew Stoltzfus, or "Dr. Fus" as he is known to his students, is an accomplished chemistry lecturer and Digital First Faculty Fellow at The Ohio State University, where he has taught general and advanced inorganic chemistry. He is experimenting with the "flipping the classroom" lecture approach, which has recently been featured on ESPN and NPR mainly due to his iTunesU General Chemistry course, which has an enrollment of more than 162,000 students.
