PSECU Can Save You with a 2.9% APR Visa Balance Transfer Offer

PSECU is the on-campus credit union for Millersville University, and alumni are eligible to join. With their digital banking services, including mobile check deposit, members can access their accounts no matter where they live.

As a member-owned, not-for-profit credit union, they work hard to make sure their members save money with free checking, surcharge-free ATMs, free Bill Payer service, and a balance transfer offer with a great rate.

When you move high-interest credit card and loan balances to their Visa® Classic Card, you'll pay just a 2.9% Annual Percentage Rate with no PSECU balance transfer fee. Plus, that rate is good through December 31, 2018.

To see your savings and to learn more, visit psecu.com/move

Not a member? You can join at psecu.com/mualum.

PSECU is federally insured by the National Credit Union Administration. Equal Opportunity Lender.

When you take advantage of the 2.9% APR (annual percentage rate) promotional offer, Visa® balance transfers will be treated as a cash advance and will accrue interest at 2.9% APR from the time that the transaction posts until 12/31/18; thereafter, any remaining balance will begin to accrue interest at the cash advance rate, which is currently 9.9% APR and subject to change. Payments will be applied as stated in your Visa Classic Consumer Credit Card Agreement. A minimum of $250 must be requested for balance transfers through online banking. Our 2.9% APR promotional offer cannot be used to pay off any PSECU loan or be made payable
to cash, yourself, any joint owner(s) or co-maker(s). Balance transfers access credit under the terms of your Visa account as stated in the Visa Classic Consumer Credit Card Agreement.
