Best wishes to Martha upon her retirement from MU and all of the adventures that still await her!

Making a Difference for 27 Years!

After 27 years at Millersville University, Martha MacAdam '83 will retire on January 3 after a distinguished career as a senior development professional. Martha’s relationship with Millersville began long before she started working in the Duncan Alumni House. She earned her BA in Philosophy as a non-traditional student in 1983. Martha has had experience in almost every area of development at Millersville, from annual giving to supervising the data analytics team to stewardship to working with major gift donors. She was with Millersville through three major fundraising campaigns and was directly responsible for raising millions of dollars to support Millersville students and programs. Martha’s work has touched many lives through student scholarships, new equipment for laboratories, resources for student athletes, funds for student-faculty research, and much more.
