Bullies Are Not Just Boys!
by Al B. Quarles ll ’91 and Lourraine Deluna

The Book Bullies are Not Just Boys centers on the serious problem facing many school students these days. Co-
written by Al Quarles '91 and his daughter Lourraine, they explain that bullying is a form of abuse in which aggressors intentionally harm others who appear less powerful than themselves. Al and Lourraine hope their book will spark important conversations with teachers, parents, students and community members about the dangers of bullying but also encourage victims to speak out.
