Marauder Connections is a newsletter for alumni and friends of Millersville University. It features stories about MU students and alumni and provides updates regarding events and special initiatives.
It was wonderful to have so many Marauders and their families return to campus and participate in the various Homecoming weekend festivities on October 13 and 14. If you weren't able to visit campus to view the parade, click here to watch the Facebook LIVE stream. Many thanks to all who volunteered and attended!

**Overthought Thoughts of a 21-Year-Old**
by Angela Prendergast ’17

Writing has always served as an outlet for Angela Prendergast ’17. During her junior year at Millersville University, she discovered her passion for writing prose poetry.

After choosing to self-publish her works, she wants her readers to be able to relate to the emotions conveyed in her book; and most importantly she wants people to know that they are not alone. This book is perfect for any age group, but will especially resonate with young adults and adolescents.
