

Do You Rec?

Intramural sports serve as an integral part of college campus life. They provide the students, faculty and staff of Millersville with the opportunity to meet in an informal setting for some enjoyable competition and recreation. The intramural staff has planned a variety of team sports and activities including both regular league competition and one-day tournaments and events. All eligible students, faculty and staff can sign up for an intramural team. You are invited to join and participate in the action.
