

**Millersville University**  
**Department of Computer Science**  
**One-Year Full-time Instructor/Assistant Professor**

Millersville University welcomes applications for a full-time one-year instructor or assistant professor position in Computer Science. Millersville University, highly regarded for its instructional quality and strong commitment to diversity, is a student-centered institution and one of 14 institutions of the PA State System of Higher Education. Located in historic Lancaster County, Millersville enrolls about 8,000 undergraduate and graduate students and is nationally ranked as one of the top regional public institutions of higher learning by *U.S. News and World Report*. The Computer Science Department offers an ABET accredited B.S. degree in Computer Science and has about 250 majors. The teaching load is 24 semester hours per year, usually three 4-credit courses with two preparations per semester. Additional information about the program can be found at <http://www.millersville.edu/computerscience>. Send questions to [search@cs.millersville.edu](mailto:search@cs.millersville.edu). For complete position description and qualifications, go to <https://jobs.millersville.edu/postings/4287> and create a faculty application. Full consideration will be given to applications received by April 3, 2017. Millersville University is an Equal Opportunity/Affirmative Action Institution.
