WEEKLY VS BLOCK
Weekly Plan: You may only swipe for that amount of meals per week. Your meal plan resets on Monday morning before the breakfast period begins. On Monday, you will have 19 or 14 meals (depending on your plan) to start the new week.

Block Plan: Your meals do not reset on a weekly basis. This is the number of meals you have for the entire semester. Keep track so that you have enough meals to last throughout the entire semester.

GUEST MEALS
Guest Meals are accepted at the Upper Deck only.
- Guest meals can be used for family and friends
- Each student is allotted two guest meals per semester as part of their meal plan
- Guest meals do not carry over into the next semester.

OUR GOAL
At Millersville University Dining, our goal is to be a premier self-operating dining program offering superior food and service to our customers by a team who is inspired to be the best they can be.

HOW MEAL PLAN WORKS
Students are permitted to use one meal per meal period.
- Resident students are automatically enrolled in the 19 Meal Plan
- Meal plan can be changed through student's online MAX account
- Flex Dollars are included in every meal plan. These dollars act similarly to a debit account and can be used as an additional form of payment or for items not on the meal plan.
- You may add additional flex through your MAX account at any time in increments of $50
