At Millersville University, our goal is to be a premier, self-operating dining program offering superior food and service to our customers by a team who are inspired to be the best they can be.
We have more retail operations and dining opportunities on campus than the typical contract-run university.

We offer extensive hours of operation – students can dine 7:00 a.m. – 11:00 p.m. during the week and 9:30 a.m. – 11:00 p.m. on weekends.

We have a very all-encompassing Catering operation that serves the on and off-campus community, including weddings.

As an auxiliary operation, we own our building and are responsible for all costs (i.e., maintenance, utilities, equipment, renovations and bond payments).

Dining contractors have buying power that reduces their food costs which enables them to pass the savings on to students. We are a small “owner-operator” with higher costs but more freedom to purchase from local vendors.
First-year resident students are required to have a 19-meal plan. There are 26 meal opportunities per week (4 per week day and 3 per weekend day).

Students are permitted to use one meal per meal period. Meal plans are accepted at all locations except The Grille.

Flex Dollars are included in every meal plan and are accepted at all locations. These dollars act similarly to a debit account and can be used as an additional form of payment or for items not on the meal plan.

You may add additional Flex Dollars through your MAX account at any time in increments of $50.
Guest Meals

Guest meals are accepted at the Upper Deck only. They may be used for family and friends. Each student is allotted two guest meals per semester as part of their meal plan. Guest meals do not carry over into the next semester.
Themed Events

Each semester we hold a large themed event. In the Fall, we featured Game of Thrones and this Spring, we had a Harry Potter Night.

*First year resident students are required to have a 19-meal plan.
Students may choose to purchase meals at a variety of on-campus dining halls and retail operations including the all-you-care-to-eat buffet, convenience stores, a full service restaurant, a juice bar, a food truck, and Starbucks Coffee.
Dining Services is committed to sustainability by recycling, composting, purchasing local, using earth friendly chemicals for cleaning, using energy saving equipment and working with our students to educate them on the importance of our commitment to sustainability.
MU Dining has a registered dietitian available for free consultations. The dietitian specializes in education on diets including: diabetic, low fat, low sodium and weight loss. Contact MU Health Services to schedule your free dietary consultation. We also provide gluten-free, organic, vegetarian and vegan options in many of our dining locations.
