EQUAL OPPORTUNITY AND ANTI-HARASSMENT

It is the policy of MU’s Office of Experiential Learning and Career Management (ELCM) to promote and maintain an environment free of all forms of discrimination, intimidation, and exploitation including sexual harassment.

ELCM affirms equal opportunity in hiring practices. Offers of employment are expected to be made without regard to disability, race, color, religion, sex, national origin or age.

In addition, ELCM sets forth the expectation that all participating employers will not harass any registrant or other employer in either an emotional, physical or sexual way.

Anyone who believes that he or she has been a victim of sexual harassment or discrimination, or believes that he or she has witnessed conduct that would constitute sexual harassment or discrimination, should report the matter immediately to one of the ELCM staff. The report should be made as soon as possible after the incident of alleged harassment or discrimination occurs; failure to report the matter promptly to one of the ELCM staff may hamper effective administration action.

REMINDERS TO CANDIDATES

1. Be sure your cell phone is TURNED OFF!

2. You must wear your name tag.

3. Expect to spend 5-10 minutes with each employer, but take your cues from the recruiter. Be sure to get the recruiter’s name and title for use in follow-up contact. Ask for his/her business card.

4. Many organizations require candidates to submit an online application as part of their selection process. Do not be discouraged if representatives direct you to their web page for this purpose. It is simply one more step in the process to secure employment with their organization.

5. If the waiting line to talk to a particular employer is too long, go to another employer and come back later.

6. Feel free to talk to employers who have not advertised for your major, stressing your qualifications for a job with that company. But do not be insulted if they tell you they are only interested in specific majors.

7. If you need assistance or have questions, come to the ELCM table at the entrance to Marauder Court and speak with an ELCM Professional or ask someone wearing an ELCM staff badge.

8. Follow-up with employers is extremely important. A Thank You note should be sent within 48 hours to all employers that you spoke with at the Fair. Visit MU’s Office of Experiential Learning and Career Management if you need assistance.

9. WE WANT YOUR FEEDBACK! The ELCM office will email a short survey to you in the next few days. Please take time to complete the survey so that we may bring MU’s students the best employment opportunities we can.

2 SECONDS OR LESS
2 Seconds Or Less is a non-profit organization committed to providing sustainable, locally produced approaches to ending malnutrition in impoverished communities of Africa. We plant gardens alongside the children of impoverished schools and communities while educating on the importance of nutrition and how to obtain it through simple farming methods.

Empowerment rather than dependency. 2 Seconds Or Less is run by the inspiration that every orphaned and vulnerable child of Africa may one day know that they are loved. We do this by spending time amongst the children that need it most, teaching through hands-on farming experience about how the hunger they feel each day can end.

AERI BEHAVIORAL HEALTH SERVICES
Beginning to think about life after high school can be daunting for students and their families when an individual has a diagnosis. We believe that through critical and early planning, students will be prepared to achieve their post-secondary goals.

School bullying takes on different forms, including verbal threats and insults, social exclusion or isolation, physical aggression, dating/sexual violence, cyber-bullying, stealing money or objects, racial comments, and more. Bullying occurs equally between boys and girls. Learn about AERI’s commitment to bullying prevention and what we do to help create safer school environments. It is never too early, or too late, to start.

AERI is approved to provide services across Pennsylvania under the Consolidated Waiver and Person / Family Directed Support Waiver. These waivers offer funding for multiple services designed to enable persons with intellectual and/or developmental disabilities (IDD; may or may not include autism) to become more independent at home and be more included within their communities.

YURCHAK PRINTING, INC.

Yurchak Printing, Inc. was founded in 1998 with the goal of offering high quality, short-run digital book manufacturing services to the publishing industry, manufacturing and service companies, professional associations, government agencies, as well as colleges and universities.

Our services were created to fulfill a need brought about by the digital age. We believe that all publishers and businesses should have the ability to offer print as a valuable resource of communication. By utilizing our print on demand and digital technology capabilities they can satisfy the demand of the marketplace and maintain an additional revenue source while eliminating/reducing inventory, obsolescence and increase cash flow.

By creating innovative solutions, our founder and CEO, John Yurchak Jr, was named 2004 Print on Demand Pioneer by Cygnus Graphics Group and Print On Demand.

Today Yurchak Printing Inc. is a leader in digital short-run book manufacturing by specializing in solutions for the production of directories, periodical and journals, reference books, fine edition and illustrated books, bibles, children’s books, bound galley's and university press books. In October of 2011 Yurchak Printing began servicing the clients of Odyssey Press Inc. The combined company is a leader in the book, journal and article reprint marketplace.
