

Student Cost of Education

2017-2018 **ACTUAL** costs for Tuition, Room & Board, etc.

Please Note:

- Federal regulations require all universities to establish a Budget/Cost of Attendance for students, which includes both *direct costs* (those billed directly by the university) and *indirect costs* (possible costs incurred by a student while attending school, but not billed by the university). These combined costs equal the *Total Cost of Education* you see below, but this is **not** the amount due to the University. Please refer to the *Total Billable Charges* section for the direct costs billed by the University.
- Your *direct costs* are based on your enrollment, whether you are in-state or out-of-state, and if you are living on campus, off campus or commuting. These costs are listed PER YEAR.
- Costs below are based on full-time enrollment (9 credits per semester for graduate students) for the Fall & Spring semesters.
