FRESHMAN FINANCIAL AID CHECKLIST

☐ SEARCH FOR SCHOLARSHIPS!

Be sure to look for outside scholarships early! There are many websites you can go to for free – do NOT pay anyone to search for scholarships – be wary of scams – please see our website for more information at: millersville.edu and select Financial Aid > Grants and Scholarships >Scholarship Search Databases.

The Admissions Office selects the recipients of any scholarships awarded by Millersville to incoming freshman based on specific criteria and selects the highest qualified students first.

☐ CREATE YOUR FSA USER ID & PASSWORD

Students, parents, and federal loan borrowers are required to create an FSA ID, made up of a username and password, to access certain U.S. Department of Education websites. Your FSA ID is used to confirm your identity when accessing your financial aid information and electronically signing your Free Application for Federal Student Aid (FAFSA) and other federal student aid documents.

To create your FSA User ID and password, go to fsaid.ed.gov. Keep in mind that the same e-mail address cannot be used for both parent and student IDs. If you don’t want your financial aid to be delayed, it’s extremely important that each parent and each student create his/her own FSA ID and that they do not share it with anyone, even each other.

☐ COMPLETE YOUR FAFSA APPLICATION

The Free Application for Federal Student Aid (FAFSA) is available each year beginning October 1. To be considered for all types of financial aid at Millersville, the recommended deadline to complete the FAFSA is March 15th. In order to be considered for the PHEAA PA State Grant, applications must be submitted prior to May 1st.

To get started, go to fafsa.ed.gov and click Start a New FAFSA. To have your FAFSA information sent to Millersville University, you must include our School Code: 003325 on your application.

☐ AWARD LETTERS & SCHOOL CHOICE

Beginning January, you will begin to receive Award Letters from each of the schools to which you have been accepted. Once you have decided which school you will attend, contact the school to find out the deadline for the Admission’s Confirmation Fee and how much it the fee is. The amounts may be different depending on your housing status.

The information below is for Millersville University Students ONLY. If you have chosen to attend another school please contact their financial aid office for more information.

☐ PAY YOUR ADMISSIONS CONFIRMATION FEE

If you have decided that Millersville is the school is for you, contact the Admissions Office to confirm enrollment and pay your Admissions Confirmation Fee. To pay your confirmation fee online, click here.

☐ SUBMIT COPIES OF ANY OUTSIDE SCHOLARSHIP AWARDS

If you are receiving aid from outside sources, please forward a copy of your scholarship award notice and check to the Office of Financial Aid and mail the physical check to the Office of Student Accounts as soon as possible.
If you received an Award Statement which indicated that you had an estimated award, we will require additional documentation from you. Once you have paid your Admissions Confirmation Fee, log into your myVILLE Student Portal and select the Finances tab to view your Financial Aid Requirements.

If you do not see a green check mark next to the requirement(s) listed, we still need additional information from you. It is extremely important to check your e-mail throughout the summer to ensure you have completed all of your requirements.

If you have outstanding requirements that are incomplete, this may delay the processing of your financial aid.

To receive financial aid, you must complete the Terms and Conditions of your awards online through your myVILLE Student Portal. You can access your Terms and Conditions by logging into myVILLE, clicking the Finances tab; under Financial Aid Requirements, select the appropriate aid year and click on the link for Terms and Conditions. Read the information carefully and click Accept.

All borrowers must either Accept, Reduce, or Decline the Federal Direct Loans offered on their account. Log into your myVILLE Student Portal and select the Finances tab; to accept or reduce/decline your offered loan(s), click on Financial Aid Awards and select the appropriate aid year. You must accept your loan(s) if you want to use them as credit toward your bill.

If you choose to accept your loans, all first-time borrowers must also complete Federal Direct Loan Entrance Counseling and Master Promissory Note (MPN) online. Entrance Counseling educates the student about Direct Loans and their terms, as well as the student’s rights and responsibilities of borrowing them. The MPN is the student’s agreement that they understand these terms and agree to borrow and repay the loan(s) offered to them. These requirements must be completed by the student, NOT the parent(s). To log into your account at studentloans.gov and complete these requirements, you will need your (the student’s) FSA User ID & Password.

If you were notified by the Pennsylvania Higher Education Assistance Agency (PHEAA) that you are eligible to receive a Pennsylvania (PA) State Grant and you want Millersville to receive your grant funds for the academic year, you must update the school you are attending on the PA State Grant Application.

To release your information and change your school choice to Millersville, go to pheaa.org, log in to Account Access, select Grant Status for the current year, and select the Change School Information Form. If you are having difficulty updating your school, contact PHEAA at 1-800-692-7392.
