Chairperson D. Eidam called the meeting to order at 4:10 p.m. in Chryst Hall, Room 210. All departmental senators attended except those from the Political Science and Sociology and Anthropology Departments. Student Senate President P. Leahy attended.

**Minutes**

Senate approved the 17 September 1996 meeting minutes with the following correction on page 4084, Faculty Senate Elections, fifth line down, change "acclimation" to "acclamation."

**Reports**

**Chairperson’s Report**

Chairperson D. Eidam said the faculty senate mailing list has been updated. He has tried to remove duplicate names. He asked if part time faculty should be included in the mailing of the minutes. He thought they should. Senators had no objections to including the part time faculty. Senate was to receive the General Education Task Force Report today. J. Sheridan said the report was not ready. There will be an approximate draft available this fall. The proposals that are being made will include rationales. The committee meets weekly.

**Student Senate**

Student Senate President P. Leahy reported on the last student senate meeting. Student senate was one member short of reaching a quorum. A group of 7 to 9 students did not attend and had not informed student senate that they would not attend. by the constitution, the 7 to 9 students are no longer members of student senate. On 10 October Coach S. Kabacinski will make a presentation to student senators.

**Administrative Officers**

**President**

President J. Caputo said that last week Governor T. Ridge officially released funds, $7.74 million, from the Commonwealth for the new science addition. Over a million and a half dollars have already been
expended. The whole project will cost $12 million. MU can now look forward to the sequentially but painfully long steps of bidding, construction, etc.

Starting Thursday of this week and running through the middle of Friday, MU will for the first time host the association of the Council of Trustees semiannual meeting. The organization represents the Council of Trustees from the fourteen SSHE schools. The attendees will stay at the Inn. Look for them to be on campus at that time.

**Vice-President for Academic Affairs**

Vice President for Academic Affairs F. McNairy said the recent open house was successful. People stood in the lobby in Lyte Auditorium. Feedback from students and parents was of a positive experience. She said to give words of appreciation to colleagues in the departments for a successful open house.

McNairy wanted to clarify for senators a statement in the report of actions that have been approved (see Attachment A). The statement that came out from the Provost’s office said that Humanities 302 (HUMN302: Confession, Apology, Memoir: Autobiographical Writings in the Greco-Roman World) had been withdrawn at the request of the Dean.

The course cam over the summer after the interim Dean left. There had not been an opportunity to have a discussion between the proposing department and the new Dean until relatively early in the fall semester about resource implications. The original course that came through senate identified as prerequisites one year of college Latin or ancient Greek. For MU to sponsor and approve the course, there would be considerable concern about resource implications. At best, three or four students would have ever met the prerequisites. It was a good idea to talk to the department; it has revised the prerequisites. The course can have more enrollment, one that complements MU’s expectations. Dean’s Council has discussed the revised course and is preparing a memorandum recommending approval.

**Associate Vice President for Academic Affairs**

Associate Vice President for Academic Affairs J. Stager discussed the withdrawal policy that was passed—wp/wf is now plain w. MU has already implemented the policy this semester. The Registrar has a new form. Students may withdraw up through the ninth week of the semester. MU will enforce the deadline of 4 PM of the last day of the ninth week. There will be no more drops after that point.

**Committee Reports**

**Undergraduate Course and Program Review Committee**

Undergraduate Course and Program Review Committee chairperson R. Wismer introduced two new curricular proposals:
BSE English Education Degree

Music Department Proposal--Revised Options Within the BA Music Degree

Wismer asked that the two curricular proposals be listed on next meeting’s agenda.

**Graduate Course and Program Review Committee**

Graduate Course and Program Review Committee chairperson, F. Erickson, introduced one course under the one meeting rule:

**SPED618:** Early Intervention for Infants, Toddlers, and Preschoolers with Development Delays, a new three credit hour graduate course to be first offered in Summer 1997 if approved.

**Academic Outcomes Assessment Committee**

Academic Outcomes Assessment Committee chairperson, R. Mainzer, submitted the minutes of the committee’s last meeting (see Attachment B).

**Cooperative Education Committee**

Cooperative Education Committee chairperson, W. Dorman, said the committee met last week in a special meeting. The cooperative education department will undergo a self-evaluation this semester.

After initial introductions, R. Mainzer reviewed the report from last spring. Next the meeting time was discussed to find a time when all members could attend. Meeting dates and time have been revised to the 2cd Wednesdays of the month. Meetings for the remainder of the year are: October 9, November 13, December 12, February 12, March 12, April 9, and May 14.

III. Old business

Newsletter: Some discussion whether to have the newsletter somewhere on the web linked to the Senate page. No decision.

Stager: Jim Stager shared information on the SSHE sponsored workshop with Dr. James Nichols. He indicated that he was seeking registrants for the 11/4 to attend with him. Jill Henke and R. Mainzer indicated that they would attend. Jim also shared the draft policy from SSHE resource committee and shared the draft of the middlestates framework. Use of professional development assessment grants or the university grants were discussed to support a follow-up workshop with Dr. Nichols here at MU. No one indicated they would have time to meet the Oct. 1 deadline, but R. Mainzer volunteered to write a grant over the semester break. Jim indicated that he had the assessment budget, and could support some activities. All new professional staff were given a copy of two of Dr. Nichols books. Jim indicated that he would also send copies to all committee members.

Brown Bag Lunch: Tracey Weis reported that she was making plans for the "brown bag"
lunch follow-up to the Spring 95 workshop. At present she is projecting Oct 15 or 16 for the brown bag lunch.
