

Resolution

MILLERSVILLE UNIVERSITY OF PENNSYLVANIA

On the Celebration of 50 Years of Graduate Studies and
The Establishment of the College of Graduate and Professional Studies

WHEREAS, Millersville University celebrates the milestone of the 50th anniversary of graduate studies in 2009;

WHEREAS, In 1959, the first graduate curricula were offered in the areas of elementary and industrial arts education;

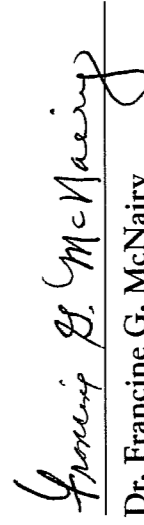

WHEREAS, By 1962, programs in secondary English education, social studies education and guidance counseling were added, followed by more than sixteen courses of study in the 1960s and 1970s;

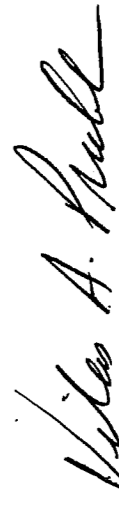

WHEREAS, Today, more than fifty graduate degree and certification programs exist to serve the needs of adult learners in our community, the Commonwealth, and beyond;

WHEREAS, We are committed to the growth of these and other programs at the University;
be it

RESOLVED, That Millersville University hereby establishes the College of Graduate and Professional Studies in order to serve the regional economy's workforce needs with highly qualified professionals, and to ensure the future of public education at the post-baccalaureate level.

Dated October 22, 2009
