Senior Spotlights

A request had made been for graduating seniors to submit a candid picture and a little information on themselves so they could be featured here in the newsletter. Not many seniors chose to submit anything so we just want to wish all of our graduating seniors the best of everything come May 9.

Bus Trip to New York City!

Tickets to various museums and other points of interest were Seniors who are graduating but who did not given to those students on the trip. One area accessed was the 2011 Memorial.
