WELCOME HOME TO MILLERSVILLE
HOUSING AND RESIDENTIAL PROGRAMS

Millersville University
SEIZE THE OPPORTUNITY
WELCOME!

Now that you have begun to explore the possibility of becoming a member of the Millersville University community, one of your next steps is to consider possible housing options. All the basics you need to know about on-campus accommodations are available here to help make your decision easier. For further information, feel free to call us at 717-872-3162.

OUR COMMITMENT TO YOU

We are committed to designing and maintaining a supportive community environment that enhances your academic, personal and social development. Furthermore, we pledge to foster inclusive communities that promote individual respect, civility, equality and encourage accountability to one’s community.
WHY LIVE ON CAMPUS?

Enhance your academic success
Faculty, staff and students conduct exceptional educational programs within the residence halls, with over 1,700 programs each year.

Safety
The safety of our students is a primary concern at MU. All outside residence hall doors are locked 24 hours a day. Security cameras are located at each entryway and corridor of the residence halls. Card access controls are present at all entryways and a hall resident must accompany visitors.

Employment opportunities
Housing and Residential Programs is one of the largest campus employers of students, employing more than 100 students performing six different jobs, with opportunities for growth and leadership development.

No hidden costs
Living in the residence halls means all utilities, computer network and internet access, cable television and movie channels are included in one payment per semester.

Develop friendships that last a lifetime
Living on campus provides a unique opportunity to meet people and make friends on a daily basis. Many of these friendships last beyond your college years.

Skip expensive commuting with a great location
When you live in a residence hall, you are steps away from everything on campus—dining, wellness activities, computer labs, academic buildings and entertainment. Why drive and find parking every morning when you can live close to all you need?

Support network and learning outside the classroom
The MU Housing and Residential Programs staff is comprised of people dedicated to fostering out-of-classroom education and life lessons for all hall students. They are highly trained individuals who provide support for students when they need it.

Great meal plans
Students in the residence halls have four great meal plans and a variety of dining locations to choose from.
Here’s to Living …

The best way to get connected to MU is to live on campus. Living on campus is more than just a place to stay, it’s an opportunity to interact with diverse individuals, engage in the campus community, attend intriguing programs and lectures, acquire healthy study skills, have fun, and learn more about yourself and your values. With the added bonus of great options within our dining facilities, along with academic buildings, the SMC’s fitness center and transportation in close proximity, living on campus is a wise choice.

South Quad Suites @MU

Live with other students who share your college lifestyle in a supportive environment in our South Quad Suites @MU, which offer private and shared accommodations with private bathrooms, 24-hour security, a convenient location in the heart of campus and all the amenities necessary for establishing your “home away from home.”

Take a virtual fly-thru tour of our “South Quad Suites!”
Classic Residence Halls
Our classic residence halls provide the space and community for you to thrive in a traditional hall setting. Most rooms are designed to accommodate two students; however, there are singles, triples, and quads available.

Shenks and Reighard Halls
Shenks and Reighard Halls are operated with upper-class students in mind. Three different suite options comfortably house two or four students. All units have one in-suite bath per two students and each suite comes furnished.

Living-Learning Communities
Located throughout many of the residence halls, Living-Learning Communities (LLCs) offer eligible students the opportunity to become a part of a unique residential experience that connects classroom learning. Students enjoy all the advantages of living on campus with the added benefit of residing among a group of students that share common academic goals and interests.

Check out our website at www.millersville.edu/housing/theme-housing.php for a complete listing of LLCs.
HOUSING OPTIONS THAT WILL MAKE YOU FEEL AT HOME

• Experience the convenience and excitement of living in the heart of campus.
• Choose from a diverse range of quality housing selections for your unique lifestyle.
• Further your academic success in a caring and supportive community.
• Enjoy the comforts of home in an independent setting.
• Living on campus is a smart investment of your educational dollars.
