

# Internships in the Philadelphia Broadcast Media Market

*A comprehensive listing of the major broadcast media outlets offering internship opportunities for college students.*

Please note that every station requires that you be registered for the internship with your university. This includes the Summer as well as the Fall and Spring. There are no exceptions. If you do not intend to register for credits, do NOT pursue an internship with these organizations. Students who fail to supply proper verification of registration to their employer will have their internship terminated by their employer, regardless of any other factors.

Summer application deadlines have been noted where found, but stations may add or change a deadline at any time. Always verify if there is a deadline and when it may be.

The five other stations are:

WDAS-FM, WDAS-AM, WIOQ-FM, WISX-FM, and WUBA-FM

For assistance with seeking an internship or just to begin the registration process for an internship, contact the CAP Office, 872-3774, or at [cap@millersville.edu](mailto:cap@millersville.edu). You can also visit the CAP website for more information at [www.millersville.edu/~cap](http://www.millersville.edu/~cap).

*All employers listed here require you to register for your internship. For the Summer, you will have to pay for these credits as an additional cost to your Fall and Spring tuition. A summer internship is required to span the equivalent of at least two summer sessions, and may be full- or part-time, for three credits. During the Fall and Spring semesters, an internship experience is typically 15 hours per week for 15 weeks, for three credits.*
