On Campus Housing

Read the following information carefully in order to make your decision. If you chose to live ON-campus, a room will be guaranteed and reserved. If you chose to live OFF-campus, it is your responsibility to secure your housing. NO room will be reserved for you in the Residence Halls. ALL Millersville University freshman and any students with fewer than 60 credits must live on campus.

Residence Halls

If you are in the residence halls, you are assigned a 19 Meals per week Meal Plan to eat in the dining halls on campus but you can select a smaller Meal Plan at a cheaper cost if desired (this change must be made before your arrival). Also, included is $125 “flexible dollars” which you use on campus in the other eateries for snacks, drinks, and other food items for in-between your meals. (You will receive additional detailed information about your meal plans and how they work during Orientation.)

ESTIMATED Meals Costs:
Information on meal plan pricing can be found on the MU Office of Student Accounts website: http://www.millersville.edu/bursar/mealplans.php.
*Estimated costs are listed per semester* If you are staying for 2 semesters, you must double the price.

The residence halls are located right on campus. There are various room layouts and options available at different prices. Staying in a residence hall is the option most of the past international students have selected as they prefer to be close to where all of their new friends are and it is easy to have access to your room in between classes. Both American students and international students are housed in the South Village.
