### What is CAMP?

The College Assistance Migrant Program (CAMP) at Millersville University provides supportive and retention services to first-year college students from migrant and seasonal farm worker families. CAMP works with campus faculty, student services, and community based organizations to improve educational opportunities for CAMP students.

### Who is eligible to participate in the College Assistance Migrant Program (CAMP)?

To be eligible to participate in MU CAMP, the student or at least one parent must be a **seasonal or migrant farmworker**. A “**seasonal farmworker**” is a person who, currently or within the past 24 months, was employed for at least 75 days in farm work, and whose primary employment was in farm work on a temporary or seasonal basis (that is, not a constant year-round activity). “**Migrant farmworker**” is a seasonal farmworker whose employment requires travel that prevents him or her from returning to his or her home within the same day. OR Students may also be eligible if they participated in a Chapter 1 Migrant Education Program OR the National Farmworker Jobs Program. Students must have a high school diploma or GED, are U.S. Citizen or a Legal Resident, FAFSA eligible, and accepted at Millersville University.

### College Assistance Migrant Program (CAMP) Application Process:

Each applicant must complete the following:

1. MU application for undergraduate admission
2. MU CAMP application
3. FAFSA Application
4. MU In-State Residency Application (if applicable)
5. PHEAA Application

Please understand that each student’s financial aid package may include federal grants, MU student aid grants, and/or work study. MU Financial Aid Office will determine each student’s financial aid package. MU CAMP staff will review the package and make recommendations for any available supplemental awards. **Please understand that students are NOT guaranteed a full scholarship through MU CAMP. Financial assistance is based on availability of funds and personal need.** Only complete application packets will be reviewed and considered. Please note that final determination of eligibility and admission to MU CAMP will be made once all documents are submitted and reviewed.
