Reflecting - Mentoring Time Pie

The circle below represents the totality of the time you and your mentee spend together. Divide the circle into blocks of time (pie slices) that represent how you spend your time. Consider face-to-face time (meetings, events), topics of conversation, and time spent communicating (emails, texts). Discuss the following questions:

- What can you learn from this circle about the quantity and quality of time you spend on your mentoring partnership?

- What would you like to do less of?

- What would you like to do more of?

- Identify three ways you can improve the quality of time you spend on this mentoring partnership.
