**Choral Auditions and First Week of Rehearsals:**

Rehearsals begin immediately during the first week of classes, starting on **Monday, August 29th.** Whether you’ve auditioned or not -- and remember Women’s Choir and Glee Club do not require an audition -- you should attend ALL rehearsals of the choir(s) you’d like to join during the first week. This way you can learn more about the repertoire to be learned, the organization, the total program and the commitment involved.

Be sure to sign up for an audition by **Friday, September 2nd,** though auditions during the second week are also possible. Choir lists will be posted by Tuesday, September 5th.

**Auditioning for a Millersville Choral Ensemble.**

Here’s what you do:

1. Check out the concert schedule and syllabus posted outside of WVPAC 222 to make sure you can commit to a choral ensemble and perform in the concerts (10/1; 11/5; 12/1-12/4).
2. Sign up for a 10-minute audition slot on sheet posted outside of WVPAC 222.
3. Complete a *Choir Audition Form* found in an envelope outside of WVPAC 222, which is where the auditions take place. Bring the completed sheet to your audition.
4. For the Interview-Audition, you will:
   a) Sing a simple song or, if interested in Chorale, a prepared art song or aria
   b) Vocalize to demonstrate your range
   c) Echo sing tonal patterns to check your ear
   d) Sight read a choral part to check your music reading ability

   *New members are welcome and encouraged to join all ensembles.*
   *Previous experience is helpful, but not required for most ensembles. Come join the fun!!*
