MATH PLACEMENT TESTING
For Incoming Millersville University Students

If you are transferring a 100 level (or above) MATH course, then you are not required to take the Math Placement Test. All students who do not transfer a 100 level MATH course are required to take a math placement test.

If you are not transferring a 100 level MATH course and your major is in one of the following departments you need to take the placement test by the end of June so your fall schedule has appropriate courses.

- Applied Engineering
- Biology
- Business
- Chemistry
- Computer Science
- *Early, Middle & Exceptional Ed

If you are not transferring a 100 level MATH course and your major is in one of the following departments you may wait until you arrive on campus for fall semester to take the math placement test.

- Art
- Communications
- English
- Foreign Languages
- Government & Political Affairs
- History
- Music
- Philosophy

Notes:

1. *Early Childhood and Middle Level Education majors* take what is called the Basic Skills Test (BST). Sample questions, solutions and a list of content domains are posted on the Mathematics Department’s website. To pass the BST you need a score of 20 or higher (out of 25).

2. Middle Level Education majors take both the BST and the Math Placement Test.

3. There are no sample questions for the Math Placement Test.

4. If you have taken the AP Calculus test or the AP Statistics test, please email dschultz@millersville.edu or call the Mathematics Department office (717) 871-7668.

5. If you have questions, call the Mathematics Department (717) 871-7668.
