New Residential Student Orientation Schedule 2018

THURSDAY, AUGUST 23, 2018

9:00 AM – 4:00 PM   Residential Student Orientation Check-in

Student Memorial Center, Robert L. Slabinski Atrium

You must stop at the Orientation Check-in tables in order to receive your Marauder OneCard as well as other orientation-related materials.

Marauder OneCard (Student ID)

SMC, Room 118, CSIL Circle

If you did not submit a photo or have one taken previously for your Marauder OneCard University Services staff will assist you in completing this task.

Parking Decals

Room 118E

A representative from the University Police Department will be available at orientation check-in to assist in the process of obtaining a University parking decal.

Orientation Leader Resource Table

Robert L. Slabinski Atrium

The OL Resource Table will be staffed with eager and well-trained Orientation Leaders. They will be available throughout the day to give campus tours, guide you to department offices, and answer any questions that you may have.

Afternoon   Placement Testing (if necessary)

Math Placement and Math Basic Skills Test

Wickersham Hall, Second Floor Classrooms
10 AM/Noon/1PM/2PM

All students are required either to transfer in a 100 level (or higher) Math course or to complete the University’s Math Placement Test and/or Basic Skills Test. If you have not completed the appropriate test(s), please plan to attend one of today’s testing opportunities. The test is offered every hour on the hour (10 AM, Noon, 1PM, 2PM). Orientation staff can direct you to the testing location. Note that Middle Level Education Majors are required to complete both the Math Placement Test and the Basic Skills Test. It is possible to complete both during this time.

Chemistry Placement Test

Caputo Hall, Room 211
3:00 PM

If you plan to major in Chemistry, Physics, Biology or any of the Earth Sciences, you must complete the Chemistry Placement Test. If you did not complete the test previously, please plan to attend this testing opportunity.

5:00 PM – 5:30 PM   Millersville University Welcome

Student Memorial Center, Marauder Courts

Members of the Millersville University senior leadership team welcome you and your family to the Marauder community and shares insights about the Marauder experience. At the conclusion of this event, you will begin your formal orientation program with your O-Group. If family members have come with you to campus, you should plan your goodbyes prior to arriving at the Student Memorial Center for this program.
5:45 PM – 8:00 PM  Orientation Group Activity and Barbecue Dinner

GRIT for College Students

Winter Visual and Performing Arts Center, Clair Performance Hall

Popularized by the groundbreaking work of UPenn researcher, Dr. Angela Duckworth and her wildly successful TED Talk (12 million views and counting), GRIT has become the latest buzzword on today's college campuses...and rightfully so! There is a direct correlation between student resilience and student success. By exposing you to what it truly takes to not only survive college but to thrive, *GRIT for College Students* helps increase your personal resiliency, tenacity, and perseverance for success from orientation all the way through graduation and beyond.

Bibliomarauding

McNairy Library and Learning Forum

Join us to play "Bibliomarauding" at McNairy Library. This interactive game is designed for play and learning more about *All American Boys*—the 2017-2019 selection for MU's One Book One Campus program. The book and the game introduce you to our community and our culture of reading. Pick up an anchor card! Erase words to create an entirely new text! And best of all, win prizes!

Shape Change: A Diversity WOKEshop

Student Memorial Center, Reighard MPR

More than a lecture and not your typical Starbucks diversity training, Shape Change is a creative collaboration exploring dynamic communication and solidarity building through the arts. Inspired by the words of science fiction writer Octavia Butler, *Shape Change* invites participants to become sculptors - to tell stories, foster empathy and co-create a better world. As a starting point for you to gain tools to carry on the conversation throughout your time at MU, you will leave with a better understanding of yourself and what being a part of an inclusive environment means and looks like for yourself and others.

7:30 PM – 9:00 PM   Marauder Pride Celebration

SMC, Marauder Courts/The Pond

Learn about the history of Millersville University and reflect on your choice of becoming a Marauder. Learn about the expectations of you as a Millersville University community member and take part in the traditional Pinning Ceremony with Millersville Alumni. An important Millersville University tradition is to mark the beginning of your years as a student on campus with a candle lighting ceremony. This reflective tradition will begin to connect you to the thousands of students and alumni that have preceded you at Millersville.

9:30 PM – Midnight   MU Swag BINGO

Student Memorial Center, The Galley

Join the members of Ville After Dark, the weekend event division of the University Activities Board, for bingo in the SMC Galley. Play for a chance to win over $1000 of Millersville swag and college survival gifts! All students must bring their orientation lanyard for entry to the event.

How to Manage Your Money
Student Memorial Center, Room 18
Time: 1:00 PM

This interactive program will address some of the mysteries of money management including key terms that you should be aware of like APR and APY, credit reports and FICO score. There will be tips on creating a college budget and you can try your hand at a FinLit game for prizes!

Employment on Campus
Student Memorial Center, Room 118E
Times: 1:00 PM and 3:00 PM

Students have the option of working on campus in any area where employment is available. Each year over 1,500 Millersville students earn money, build transferrable skills, and accumulate valuable work experience by working on campus. This session will review the different ways to find a job on campus: 1) MU Career Connections, 2) ELCM Webpage and, 3) Campus Departments. There will also be a brief overview of the requirements for “New Student Hires” such as background clearances and Mandatory On-line Training.

Discover Shades of Green in the Black and Gold
Lombardo Welcome Center
Times: 1:00 PM and 3:00 PM

At Millersville University we care about your tomorrow and envisions a healthy, vibrant world where you’ll live work and play. We’re taking steps to create that world centered on our new zero energy Lombardo Welcome
Center. The Lombardo Welcome Center is one of a handful of buildings in the country that generates all of its own energy. Stop by to learn more about this unique, sustainable building and how you can get involved in Millersville’s efforts to be a carbon neutral university.

**First to Finish**

Student Memorial Center, Room 24  
Times: 1:00 PM and 3:00 PM

Are you a first generation college student? Being the first to attend college in your family or community represents progress. This sessions focuses on resilience strategies, available resources, and offers a chance to build community with other first generation college students. Topics such as handling stress, managing finances both on campus and at home, academic expectations, and understanding college culture. Come learn about opportunities first generation student have at Millersville.

**Studying Abroad**

Student Memorial Center, Room 118E  
Times: 2:00 PM and 4:00 PM

Millersville University students can study abroad in nearly every country worldwide! Although most students study abroad during their sophomore or junior year, students may study or participate in a professional international experience abroad, any time after completing 24 academic credits of study. Attend this session to learn how to start planning now for your own study abroad experience.

**Get Involved!**

Student Memorial Center, Room 24  
Times: 2:00 PM and 4:00 PM

Research shows that students who become involved in co-curricular activities develop skills and competencies that help them to succeed in college (Pascarella and Terenzini 2005). Learn how you can be connected to the many clubs, organizations and causes at Millersville.

**BrightSpace D2L Orientation**

Student Memorial Center, Room 18  
Times: 2:00 PM and 4:00 PM

D2L is an integrated learning platform designed to create a single place online for instructors and students to interact, either for a completely online course or as a supplement to a face-to-face course. This session will introduce you to the D2L environment and prepare you for using this resource in your classes.

**An Introduction to Fraternity & Sorority Life**

Student Memorial Center, Room 18  
Time: 3:00 PM

Joining a fraternity or sorority, sometimes referred to as “going Greek,” is an opportunity to build community and enrich your college experience. Membership in a Greek-letter organization can provide a support system, access to programs that promote academic success and personal growth, while also gaining valuable leadership skills and opportunities to network with alumni. This roundtable session will be an excellent way to learn more about fraternities and sororities at Millersville by getting the opportunity to ask questions and have discussion with current students.
