

TIMELY WARNING

CAMPUS ALERT

15 SEPTEMBER 2006

This communication is prepared as part of the Timely Warning requirement of the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act of 1990. This federal law requires a general communication to the campus community of all crimes reported to campus or local police departments that may pose a threat to the greater campus community. Such reports shall be provided to students and employees in a manner that is timely and that may aid in the prevention of similar occurrences.

The Millersville Borough Police and the Millersville University Police are informing the campus community of a series of criminal acts that have recently been reported to both agencies.

It has been reported that a male individual has been approaching University students offering employment for a variety of youth related activities to be held in Pucillo. In checking with the Campus Recreation Office, no such activities have been scheduled for our campus. When approaching students, the unknown individual has reportedly requested payroll type information which is thought to include Social Security numbers and banking information. All members of the campus community are reminded to never give out personal information without thoroughly checking out the receiver of the information. You are asked to report all suspicious activity to the appropriate police department.

Several dozen University students have also reported the receipt of telephone calls from an unknown male who apparently has fetishes. Most of the calls, while annoying due to the lateness of the hour, or the repetition of the calls, are not threatening in content. Students receiving such calls are requested to 1) hang up immediately, 2) save the call if on voice mail noting the time and date, 3) report the call to the appropriate police department. Neither the victims nor the police departments investigating the complaints view these calls as a prank and charges will be filed when the caller is identified.

Remember, students living in Shenk's Hall, Reighard Hall and Wellness Housing report incidents to the Borough Police at 872-4657. On campus incidents should be reported to the University Police at 872-3433.
