

TIMELY WARNING

CAMPUS ALERT

13 September 2007

This communication is prepared as part of the Timely Warning requirement of the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act of 1990. This federal law requires a general communication to the campus community of all crimes reported to campus or local police departments that may pose a threat to the campus community. Such reports shall be provided to students and employees in a manner that is timely and that may aid in the prevention of similar occurrences.

The Millersville University Police Department has received a complaint of an alleged indecent assault that took place at an off-campus location. The complaint, originally filed by a third party, indicated that the incident involved Millersville University students and took place in the City of Lancaster. All information gathered by the University has been turned over to the Lancaster City Bureau of Police for investigation. Pursuant to University protocol the matter is also initiating an inquiry through appropriate University offices.

Members of the campus community are urged to use caution when venturing off campus for parties and other social activities. Good judgment should be exercised at all times. Consider carefully whether your presence at or near the Lancaster Green Apartments while unaccompanied could place you in danger. Should an incident take place off campus involving a possible violation of the law, the appropriate police jurisdiction should be contacted immediately. University Police can assist students, faculty, and staff in finding the appropriate police department to be contacted regarding filing a complaint.
