Attempted Robbery With Firearm

A 22 year old visitor to the campus reported that at sometime after 9:00 PM in the area of the bridge by the campus pond he was approached by three males who demanded money. The males were described as two black males, and one white male, all apparently in their late teens or early twenties. The two black males were dressed completely in dark clothing, while the white male had dark pants, a light/white long sleeved shirt and was wearing a white beanie style hat. The white male was reportedly carrying a dark colored handgun of unknown caliber. According to the victim, after he did not turn over any money he was assaulted by the three perpetrators. The suspects reportedly fled the area in the direction of Shenk's Lane. University Police had the victim transported to Lancaster General Hospital for treatment and evaluation.
