Safety on all campuses of higher education is a natural source of concern for parents, students, and employees. No campus is entirely isolated from crime. The PASSHE Center City campus is no exception. However, the PASSHE Center City campus has developed policies and implemented procedures, in conjunction with the Mellon Independence Center, to increase safety and security awareness and to provide precautionary measures for all campus community members. This publication is designed to provide an overview of those safety and security measures.

Participating universities of PASSHE Center City campus, as recipients of federal Title IV student financial aid, are required to adhere to the provisions of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, commonly referred to as the Clery Act. One provision of the Clery Act is that all postsecondary institutions receiving federal Title IV financial aid must publish an annual security report disclosing campus security policies and the most recent three years crime statistics. In compliance, this report is prepared by the participating universities and made available to PASSHE Center City campus community and others, with the cooperation of local law enforcement agencies and various University offices.

This publication is distributed in accordance with the Pennsylvania College and University Security Information Act (24 P. S. § § 2502-1-2502-5) and the following federal statutes: Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, Section 486(e) of Public Law: 105-244 and The Accuracy in Campus Crime Reporting Act of 1997.

### **ON CAMPUS**

Any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution's educational purposes, including residence halls; and

Any building or property that is within or reasonably contiguous to paragraph (1) of this definition, that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as food or other retail vendor).

## WHAT IS A CAMPUS SECURITY AUTHORITY (CSA)?

A campus security authority, commonly referred to as a CSA is a person referred to by the Clery Act. CSA's are a vital part of data collection for the annual safety and security report. The Clery Act requires PASSHE Center City to provide an annual safety and security report. In addition to input from law enforcement, certain staff positions are designated as Campus Security Authorities (CSA) for the purpose of providing information for this report. CSA's are usually found in departments responsible for, but not limited to, student and campus activities, safety/security, discipline, housing, athletics, human resources or judicial proceedings. This designation also includes any individual who has been specified by the reporting institution to receive and report offenses. PASSHE Center City has identified all PASSHE Center City personnel and faculty working at the campus as CSA's.

CSA's are responsible for reporting the number of crimes and incidents as described in the Clery Act that are reported to them. CSA's are then required to report the reports they received to the Director of PASSHE Center City. These numbers are then included in the federally mandated annual Clery Report, which is distributed every year by October 1<sup>st</sup>.

**Those incidents reported to pastoral and professional counselors are not included in campus crime statistics.**

PASSHE Center City campus Director will issue an "all clear" message to convey the campus's return to normal operations to the campus via the text message system and postings placed throughout the campus. Details regarding the incident will be communicated on the PASSHE Center City campus's homepage.

**Everyone is encouraged to become familiar with the evacuation plans that are posted in Mellon Independence Center building.**

If you are advised to evacuate the building by the activation of the fire alarm or verbally by emergency personnel or another building administrator, please vacate immediately. Evacuate from below level and upper floors by using designated stairways and do not use elevators. If you have special assistance needs, become familiar with the closest "Area of Rescue Assistance" and someone will help you to evacuate. If possible to do so safely, take your

belongings with you and do not return to the building once you have left for any reason.

Fire and evacuation drills are conducted by the property owner or agent of Mellon Independence Center. The purpose of evacuation drills is to prepare building occupants for an organized evacuation in case of a fire or other emergency. During the drill, occupants practice drill procedures and familiarize themselves with the location of exits and the sound of the fire alarm. In addition to educating the occupants of each building about the evacuation procedures during the drills, the process also provides emergency personnel an opportunity to test the operation of fire alarm system components.

All fire, response and evacuation drills and test are the responsibility of the property owner or agent of Mellon Independence Center.

## DEFINITIONS

Below are the terms and definitions as provided by the Department of Education and from the State of Pennsylvania criminal statutes.

## DEPARTMENT OF EDUCATION

### DEFINITIONS

**Sexual Assault:** "Sexual assault" means an offense that meets the definition of rape, fondling, incest, or statutory rape as used in the National Incident-Based Reporting System (NIBRS). A sex offense is any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.

**Rape** is defined as the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.

**Fondling** is defined as the touching of the private parts of another person for the purposes of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

**Incest** is defined as non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

**Statutory Rape** is defined a non-forcible sexual intercourse with a person who is under the statutory age of consent.

**Domestic Violence:** The term "domestic violence" means:

1. Felony or misdemeanor crimes of violence committed-
  - a. By a current or former spouse or intimate partner of the victim;
  - b. By a person with whom the victim shares a child in common;
  - c. By a person who is cohabitating with or has

- cohabitated with the victim as a spouse or intimate partner;
- d. By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or
- e. By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

2. For the purposes of complying with the requirements of this section and section 668.41, any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

**Dating Violence:** The term "dating violence" means violence committed by a person;

1. Who is or has been in a social relationship or a romantic or intimate nature with the victim and;
2. The existence of such a relationship shall be based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

For the purposes of this definition-

- a. Dating Violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
- b. Dating violence does not include

acts covered under the definition of domestic violence. For the purposes of complying with the requirements of this section and section 668.41, any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

**Stalking:** The term "stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to;

1. fear for the person's safety or the safety of others; or
2. Suffer substantial emotional distress. For the purposes of this definition -
  - a. Course of conduct means two or more acts, including, but not limited to, acts which the stalker directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveils, threatens, or communicates to or about, a person, or interferes with a person's property.
  - b. Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.
  - c. Reasonable persons means a reasonable person under similar circumstances and with similar identities to the victim.

3. For the purposes of complying with the requirements of this section and section 668.41, any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

## Consent

Within the context of sexual activity, consent is defined as an informed decision made freely and actively by all parties. Conduct will be considered "without consent" if no clear consent, verbal or nonverbal, is given. Because sexual misconduct is defined as sexual activity that is undertaken without consent, each participant must obtain and give consent to each sexual act.

Consent is an affirmative decision to engage in mutually acceptable sexual activity, and consent is given by clear actions or words. People are strongly encouraged to talk with each other before and during any sexual interaction. Relying solely upon non-verbal communication can lead to miscommunication.

It should be noted that in some situations an individual's ability to freely consent is taken away by another person or circumstance. Examples include when an individual is significantly impaired due to alcohol or other drugs, scared, physically forced, passed out, intimidated, coerced, mentally or physically impaired, beaten, threatened, isolated, or confined.

People with mental disabilities cannot give consent to sexual activity if they cannot appreciate the fact, nature, or extent of the sexual situation in which they find themselves.

The mental disability of the victim must be known (or reasonably knowable) to the non-disabled sexual partner, in order to hold them responsible for the violation.

### The following are clarifying points:

- Consent is required each and every time there is sexual activity;
- At any and all times when consent is withdrawn or not verbally agreed upon, the sexual activity must stop

immediately;

- Consent to some levels of sexual activity does not imply consent to all levels of sexual activity. Each new level of sexual activity requires consent;
- The person(s) who initiate(s) a new level of sexual activity is responsible for asking for consent;
- A current or previous dating or sexual relationship with the initiator (or anyone else) does not constitute consent;
- Being intoxicated does not diminish one's responsibility to obtain consent;
- Bodily movements and non-verbal responses such as moans are not consent;
- Silence, passivity, or lack of active resistance is not consent

Definitions of terms as defined by the Pennsylvania State Criminal Statutes are found in Appendix C

## EDUCATION AND PREVENTION PROGRAMS

PASSHE Center City campus does not currently have any education and prevention programs available. For education and prevention programs students should see their host university's for information.

## PROCEDURES FOR REPORTING A COMPLAINT

PASSHE Center City campus has procedures in place that are sensitive to those who report sexual assault, domestic violence, dating violence, and stalking. This includes informing individuals about their right to file criminal

charges, as well as the availability of counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, and other services on and/or off campus. In addition, remedies to prevent contact between a complainant and an accused party, such as academic, transportation and working accommodations, may be provided if reasonably available. PASSHE Center City campus will make such accommodations, if the victim requests them and if they are reasonably available, regardless of whether the victim chooses to report the crime to the Philadelphia Police Department. Students, employees, and third parties should contact the Title IX Coordinator, Lorelee Isbel, Director of PASSHE Center City Campus, 267-386-3003,

[lisbel@passhe.edu](mailto:lisbel@passhe.edu)

Students and employees should know that reporting to the Title IX Coordinator means that PASSHE Center City campus has a duty to assess the information provided and may have to investigate the complaint or otherwise determine what happened. PASSHE Center City campus would like the consent of the complainant to be able to move forward with investigating and resolving the complaint, but there are times when the safety of the greater community outweighs the victim's request for confidentiality. Hence, when an employee or student reports to the Title IX Coordinator or any other responsible employee, the information will be kept as private as possible but cannot be guaranteed to be confidential.

In Pennsylvania, forensic evidence may be collected from your body even if you chose not to make a report to law enforcement. A forensic exam is conducted by a sensitive and highly trained SANE nurse (Sexual Assault Nurse Examiner) and students and employees may contact the Philadelphia Sexual Assault Response

Center (PSARC). The forensic medical exams are conducted at PSARC. Call 911 or Special Victims unit at 215-685-3251 and they will take you to the medical center for an examination. Even if you do not want to file a police report or are not sure the police will still need to escort you to the center for the forensic medical exam. It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence may be preserved that may assist in proving that the alleged criminal offense occurred/or is occurring or may be helpful in obtaining a protection order. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease. Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to the host University hearing boards/ investigators or police. Although PASSHE Center City campus strongly encourages all members of its community to report violations of this policy to law enforcement, it is the victim's choice whether or not to make such a report and victims have the right to decline involvement with the police. PASSHE Center City campus will assist any victim with notifying local police if they so desire. To report an incident that occurred on campus, employees and students should contact the Philadelphia Police Department 6th District at (215-686-3060), dial 911, or contact the police in the area where the assault took place. Criminal charges can be filed against any type of perpetrator, including non-University members. Criminal charges of sexual assault are entirely separate from violations of the Student Code of Conduct, which only applies to PASSHE Center City campus students. Filing a formal report with

the police is necessary when a victim would like to initiate a criminal investigation by the police. Perpetrators can receive punishment up to and including jail time. Anyone who has been sexually assaulted may choose to pursue both criminal prosecution and University disciplinary processes.

that the victim changes her/his minds at a later date.

## **ASSISTANCE FOR VICTIMS: RIGHTS**

### **and OPTIONS**

Regardless of whether a victim elects to pursue a criminal complaint or whether the offense is alleged to have occurred on or off campus, the University will assist victims of sexual assault, domestic violence, dating violence, and stalking and will provide each victim with a written explanation of their rights and options.

The PASSHE Center City campus complies with Pennsylvania law in recognizing orders of protection by advising any person who obtains an order of protection from any state within the U.S. to provide a copy to Philadelphia Police Department and the Office of the Title IX Coordinator. A complainant may then meet with the Title IX Coordinator to develop a Safety Action Plan, which is a plan for campus police and the victim to reduce risk of harm while on campus or coming and going from campus. This plan may include, but is not limited to: escorts, special parking arrangements, changing classroom locations or allowing a student to complete assignments from home. Other options may be available for a student on a case-by-case basis as the PASSHE Center City campus determines what other measures must be taken.

The PASSHE Center City campus cannot apply for a legal order of protection / protection from abuse (PFA) from the applicable jurisdiction(s). The victim is required to apply directly for these services. To obtain a Protection from Abuse (PFA) Order, Monday through Friday between 8:30a.m. and 5:00p.m., the victim must go to Family Court located 34 South 11th Street Room B-15 Philadelphia, PA. (215) 686-3511. To obtain a PFA Monday through Friday between 5:00p.m. and 8:30a.m., the victim must go to the Criminal Justice Center, 1301 Filbert St., Room B-03, Philadelphia PA 19107. To obtain a PFA on the weekend, or on a day in

which Family Court is closed, the victim must go to the on-call District Justice for an Emergency PFA. The victim should call his or her local police department to find out who is the district justice on-call. The Emergency PFA is only valid through the close of the next business day. For example, if a victim obtains an Emergency PFA on a Friday evening, that PFA is only valid through Monday at 4:30 p.m.

## Frequently asked questions regarding PFAs

### IS THERE A COST TO FILE A PROTECTION FROM ABUSE ORDER?

Yes. There are costs that must be eventually paid when you file a protection from abuse order with the court. You will not have to pay any fees at the time of filing. However, at the time of the hearing the court will order either the alleged assailant to pay the costs, you pay the costs, the costs to be split by both parties. If you are successful and the court grants you the protection from abuse order, the costs are usually placed upon the alleged assailant. The court costs must be paid even if you choose to withdraw your petition and decide not to proceed with the case. If you do not appear at your scheduled hearing your case will be dismissed and the court will hold you responsible for all costs.

### HOW AND WHERE DO I FILE FOR A PROTECTION FROM ABUSE ORDER?

If you are represented by counsel in any domestic relations matter (i.e. divorce, custody, support), you should contact your attorney for legal advice. Be sure to contact the Family Court Administration Office as soon as possible, if you do want to pursue a permanent PFA Order.

### **HOW DO I RECEIVE A TEMPORARY PROTECTION ORDER AFTER FILING A PETITION FOR PROTECTION FROM ABUSE?**

After filing a petition for protection from abuse, a judge will review the case to determine if a temporary protection order should or should not be granted. If the judge believes a Temporary Order should be issued, he/she will issue a temporary protection order.

### **HOW IS THE ALLEGED ASSAILANT NOTIFIED OF THE TEMPORARY PROTECTION FROM ABUSE ORDER?**

The alleged assailant must be served with notice of the temporary protection order and the hearing date. The sheriff's department or a local law enforcement agency will serve the court order on the alleged assailant. Once the alleged assailant is served, he/she can be arrested if there is another assault in violation of the terms of the court order.

### **HOW DO I GET A FINAL PROTECTION FROM ABUSE ORDER?**

A hearing will be held in front of a judge within ten days of filing your petition with the court, and the judge will listen to the facts of your case. - Award you temporary custody of your children and may grant you temporary support for yourself and/or the children of the alleged assailant

**(THIS MAY NOT APPLY IN ALL CASES).**

Terms of order may vary depending on each specific circumstance.

If you are awarded custody/support you must follow up by filing the appropriate custody/support actions in a timely manner. Do not wait until your order expires. Speak to an attorney prior to taking these actions for legal advice.

### **WILL MY PROTECTION ORDER BE ENFORCED IN ANOTHER COUNTY OR**

### **STATE?**

In most cases, yes. The Pennsylvania State Police maintain a registry of all protection from abuse orders issued throughout the Commonwealth of Pennsylvania. Most out-of-state courts will enforce a valid protection order that is issued and properly filed in another state.

### **WHAT IF THE ALLEGED ASSAILANT VIOLATES THE ORDER?**

You should immediately call the police and report the violation. A police officer may arrest the alleged assailant, even if he/she does not witness the abuse. An alleged assailant charged with the contempt of a protection order can face criminal charges for the acts committed that were in violation of the order. After a hearing, the court may find the alleged assailant in contempt and sentence him/her to prison for up to six months and/or fined up to \$1,000 under Pennsylvania law.

### **HOW CAN I GET A COPY OF MY PFA ORDER?**

All civil matters, including your PFA, get filed in the Family Court located 34 South 11th Street Domestic Relations Unit Room B-15 Philadelphia, PA. 19107 (215) 686-3511. You may go in person and request your copies.

PASSHE Center City campus offices may issue an institutional "no contact" order if deemed appropriate or at the request of the victim or accused. To the extent of the victim's cooperation and consent, PASSHE Center City offices will work cooperatively to ensure that the complainant's health, physical safety, work and academic status are protected, pending the outcome of a formal PASSHE Center City offices investigation of the complaint. For example, if reasonably available, a complainant may be offered changes to academic, living, or working situations in addition to counseling, health services, visa and immigration assistance and assistance in notifying appropriate local law enforcement. **HOW TO BE AN ACTIVE BYSTANDER**

Bystanders play a critical role in the prevention of sexual and relationship violence. They are

"individuals who observe violence or witness the conditions that perpetuate violence. They are not directly involved but have the choice to intervene, speak up, or do something about it." We want to promote a culture of community accountability where bystanders are actively engaged in the prevention of violence without causing further harm. We may not always know what to do even if we want to help. Below is a list of some ways to be an active bystander. Further information regarding bystander intervention may be found. If you or someone else is in immediate danger, dial 911. This could be when a person is yelling at or being physically abusive towards another and it is not safe for you to interrupt.

1. Watch out for your friends and fellow students/ employees. If you see someone who looks like they could be in trouble or need help, ask if they are ok.
2. Confront people who seclude, hit on, try to make out with, or have sex with people who are incapacitated.
3. Speak up when someone discusses plans to take sexual advantage of another person.
4. Believe someone who discloses sexual assault, abusive behavior, or experience with stalking.
5. Refer people to on or off campus resources listed in this document for support in health, counseling, or with legal assistance.

## **RISK REDUCTION**

With no intention to blame the complainant, and with recognition that only those who

commit sexual harassment and violence are responsible for those actions, these suggestions may nevertheless help you to reduce your risk of experiencing a non-consensual sexual act. (Taken from Rape, Abuse, & Incest National Network, [www.rainn.org](http://www.rainn.org)):

1. Be aware of your surroundings. Knowing where you are and who is around you may help you to find a way to get out of a bad situation.
2. Try to avoid isolated areas. It is more difficult to get help if no one is around.
3. Walk with purpose. Even if you don't know where you are going, act like you do.
4. Trust your instincts. If a situation or location feels unsafe or uncomfortable, it probably isn't the best place to be.
5. Try not to load yourself down with packages or bags as this can make you appear more vulnerable.
6. Make sure your cell phone is with you and charged and that you have cab money.
7. Don't allow yourself to be isolated with someone you don't trust or someone you don't know.
8. Avoid putting music headphones in both ears so that you can be more aware of your surroundings, especially if you are walking alone.
9. When you go to a social gathering, go with a group of friends. Arrive together, check in with each other throughout the evening, and leave together.

Knowing where you are and who is around you may help you to find a way out of a bad situation.

10. Trust your instincts. If you feel unsafe in any situation, go with your gut. If you see something suspicious, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.).
11. Don't leave your drink unattended while talking, dancing, using the restroom, or making a phone call. If you've left your drink alone, just get a new one.
12. Don't accept drinks from people you don't know or trust. If you choose to accept a drink, go with the person to the bar to order it, watch it being poured, and carry it yourself. At parties, don't drink from the punch bowls or other large, common open containers.
13. Watch out for your friends, and vice versa. If a friend seems out of it, is way too intoxicated for the amount of alcohol they've had, or is acting out of character, get him or her to a safe place immediately.
14. If you suspect you or a friend has been drugged, contact law enforcement immediately (local authorities can be reached by calling 911 in most areas of the U.S.). Be explicit with doctors so they can give you the correct tests (you will need a urine test and possibly others).
15. If you need to get out of an uncomfortable or scary situation here are some things that you can try:
  - a. Remember that being in this situation is not your fault. You did not do anything wrong, it is the person who is making you uncomfortable that is to blame.
  - b. Be true to yourself. Don't feel obligated to do anything you don't want to do. "I don't want to" is always a good enough reason. Do what feels right to you and what you are comfortable with.
  - c. Have a code word with your friends or family so that if you don't feel comfortable you can call them and communicate your discomfort without the person you are with knowing. Your friends or family can then come to get you or make up an excuse for you to leave.
  - d. Lie. If you don't want to hurt the person's feelings it is better to lie and make up a reason to leave than to stay and be uncomfortable, scared, or worse. Some excuses you could use are: needing to take care of a friend or family member, not feeling well, having somewhere else that you need to be, etc.
16. Try to think of an escape route. How would you try to get out of the room? Where are the doors? Windows? Are there people around who might be able to help you? Is there an emergency phone nearby?
17. If you and/or the other person have been drinking, you can say that you would rather wait until you both have

your full judgment before doing anything you may regret later.

## ADJUDICATION OF VIOLATIONS

Whether or not criminal charges are filed, the host University or a person may file a complaint under the sexual misconduct policy alleging that a student violated the hosting university's Sexual Misconduct Policy or alleging an employee violated the Sexual Harassment policy. The following are the overviews of the policy and procedures in place as they relate to employees or students as the accused.

Reports of all domestic violence, dating violence, sexual assault and stalking made to the PASSHE Center City campus will automatically be referred to the Title IX Coordinator for investigation regardless of whether the complainant chooses to pursue criminal charges.

### EMPLOYEE SEXUAL HARASSMENT POLICY AND PROCEDURES OVERVIEW

The procedures described in the host University's Sexual Harassment Policy represent such university's method for responding to complaints of sexual harassment whether those complaints are formal or informal, and involving employees as the accused party. The procedure for informal complaints calls for prompt review and mediation if desired, followed by action intended to prevent any harassment. The procedure for formal complaints also results in prompt review which may result in disciplinary action against someone who has sexually harassed another. To the extent possible, the University expects to complete the investigation within 50 business days of receiving a written complaint unless there are extenuating circumstances which may prevent the University from complying with this timeframe.

The complainant has the right, consistent with this policy's time frame, to file a formal complaint

at any time during the informal process or if satisfactory results are not achieved through the informal process. The complainant also has the option of pursuing formal complaints through the following public agencies responsible for enforcing the laws against sexual harassment within the time frames listed.

PA Human Relations Commission  
(215) 560-2496 (180 days);

U.S. Dept. of Education, Office for Civil Rights  
(215) 656-8541 (180 days);

Equal Employment Opportunity Commission  
(800) 669-4000 (300 days.)

Employees accused of sexual harassment have the right to be assisted by their collective bargaining unit representative at any meeting held to discuss the complaint with the accused. If an employee elects to be represented by his or her union, the union will receive copies of all written notifications sent to the accused. Employees equally have the right not to be represented by their union. The decision regarding union representation rests solely with the accused employee. When a formal investigation is to be conducted against a faculty member, Article 43 of the APSCUF collective bargaining agreement will also govern. The complainant also has the right to be assisted in all aspects of the complaint procedure by an advocate should they desire to do so. Trained faculty and staff are available to serve to: clarify procedural issues, assist with the preparation of the complaint, make inquiries as to the status of the complaint, and provide other support-related functions.

The Social Equity Director will provide the name and contact information of an available advocate to the complainant. The role of the Collective Bargaining Unit representatives and complainant advocates is limited to the advice and counsel of

their principals only. If a complaint alleges sexual harassment by an employee of the Office of Social Equity or the Office of the President, the complaint will be investigated by a party external to the host University.

Sexual harassment is a serious matter which can have far-reaching effects; therefore, knowingly false or malicious accusations may result in disciplinary action.

In order to process either an informal or formal complaint of sexual harassment, the individual, accompanied by an advocate if she or he wishes, must process the complaint through the University's Social Equity Director. The complainant will provide a written statement to the Social Equity Director with sufficient factual information to permit the director to make an initial determination if the University policy on sexual harassment may have been violated.

Complaints should be filed within 180 days after the alleged act or behavior. However, it is in the best interest of all to conduct a timely review of the circumstances of the alleged harassing behavior; accordingly, complainants are urged to file complaints as soon as possible. In recognition of the dignity and reputations of all parties, it is the intent of the host University's employees officially involved in the proceedings or investigation to preserve the confidentiality of the complaints and all proceedings. Disclosure of the complaint will be limited to individuals who, in the interest of fairness and problem resolution, have a need to know. The complainant and the accused are expected to maintain confidentiality consistent with the intent of the host University.

The facts will be evaluated using a preponderance of the evidence standard to determine if a violation of this policy has occurred. At the conclusion of the process, written outcomes and resolutions will be provided to the complainant and the accused.

## **THE COMPLAINT PROCESS**

The sexual harassment complaint process includes different types of procedures for resolving complaints from individuals who believe they may have been the subject of a specific act or a pattern of behavior falling within the definition of sexual harassment. The individual can, if he or she chooses, inform the offender orally or in writing that those actions are offensive and to ask firmly that they cease. However, should the oral or written request not stop the harassment or if such a request is too difficult to make, then the individual may discuss the issue with the offender's supervisor, department chairperson or dean, or contact any of the below listed University offices to seek assistance.

See host University Annual Security Report for more information on the above process. The above noted offices serve as an initial point of contact and provide information regarding sexual harassment and the University's procedures in handling complaints. The Social Equity Director will be responsible for initially determining if the complaint may represent a violation of the University's sexual harassment policy. If the Social Equity Director determines that the complaint does not violate the University's Sexual Harassment Policy, the individual filing the complaint will be so advised and the on campus case will be closed. If there is a disagreement with this decision, the individual filing the complaint may ask that the decision be reviewed by the Review Panel. The Social Equity Director does maintain the right to refer the case to other appropriate officials if it appears there may be other misconduct not construed to be sexual harassment. If the Social Equity Director determines that the allegation may represent a violation of the University's sexual harassment policy, the complainant may choose to process the

complaint through either the informal or formal procedures.

### **INFORMAL COMPLAINT PROCEDURE**

Informal procedures (wherein no formal finding or discipline of an employee will be involved) include efforts to mediate a resolution upon which both the complainant and the individual accused of sexual harassment behavior can agree. It is not appropriate to use this informal complaint procedure in cases of sexual assault.

The complainant initiates the informal procedure by filing a written complaint. Upon review of the informal complaint, the Social Equity Director will contact the accused to arrange a meeting to inform the individual of the complaint. If the person making the accusation is a student enrolled at the time in the class of the accused, upon request of the student, the Social Equity Director may delay the notification until after the completion of the semester. The Social Equity Director will advise the accused of the informal complaint procedures and describe the alleged behaviors which are considered to be offensive by the complainant.

After accepting the informal complaint, informing the accused of the allegations and the complainant's desire for mediation, and with the concurrence of the accused, the Social Equity Director will facilitate a resolution or appoint a mediator. The Social Equity Director will notify the parties of the mediator's identity. Mediation occurs by mutual consent; therefore, at any stage of the mediation process either party has the opportunity to withdraw from the process. The mediator will serve as the facilitator to seek resolution. Information regarding the circumstances and perceptions of the complainant will be shared by the mediator with the accused and the accused will have an opportunity to respond. The Social Equity Director will send a written summary of the outcome to the parties. If the complainant is not satisfied with the outcome, the complainant may

choose to file a formal complaint utilizing the University's sexual harassment policy or through external agencies. If the Social Equity Director makes a determination that there is a need for a formal investigation, the formal process may be initiated on behalf of the University.

All written summaries of the Informal Complaint Procedure will be maintained by the Social Equity Office for a period of five (5) years. No written record will be forwarded to the official personnel file.

### **FORMAL COMPLAINT PROCEDURE**

Formal procedure (wherein a formal finding will be made and discipline of an employee may be imposed if appropriate) includes an investigatory and review process. This investigatory procedure is not intended to interfere with any legal rights an employee or student has under the statutes and other laws of the Commonwealth of Pennsylvania or the government of the United States of America. In addition, it is not intended to interfere with any rights an employee may have under the appropriate collective bargaining agreement.

The complainant initiates the formal complaint procedure by filing a written formal complaint. The Social Equity Director will inform the accused of the allegation and provide the accused with a copy of the written complaint and a copy of the host University's sexual harassment policy. No investigation will be commenced until a copy of the complaint and sexual harassment policy has been mailed to the accused by certified mail. The accused employee will be advised of the rights to the union representation if appropriate. The Social Equity Director will provide an opportunity to meet with the accused in a timely manner to review the formal complaint and the host University's sexual harassment investigatory procedures. The employee may choose to be accompanied by a union representative at this meeting.

After accepting a written formal complaint, the Social Equity Director will appoint a fact finder. When appropriate, as determined by the Social Equity Director, two fact finders may be assigned to a case. The Social Equity Director will notify the parties of the fact finder's identity. In addition, the appropriate manager, supervisor and/or chairperson will be advised. Fact finders are specifically trained and impartial faculty or staff. The fact finder's role is to investigate complaints and make findings of fact pertaining to the complaint. Investigating complaints includes but is not limited to access to records and interviewing the complainant, accused and others who may have relevant information. The fact finder has sole discretion to determine the scope and format of the investigation.

The fact finder will submit a report of his or her findings to the Social Equity Director. The Social Equity Office will then convene the Review Panel. This Panel, consisting of three individuals selected by the Social Equity Director from the pool of specifically trained and

impartial faculty or staff, will serve as consultants to the Social Equity Director in formulating an opinion as to whether reasonable cause exists to believe that a violation of the University's Sexual Harassment Policy has occurred. In consultation with the Review Panel, the Social Equity Director will formulate an opinion on whether there has been a violation of the University's policy on sexual harassment. The facts will be evaluated using a preponderance of the evidence standard to determine if a violation of this policy has occurred.

If it is determined that there is not enough evidence to warrant a finding of sexual harassment, the complainant and accused will so be notified by the Social Equity Director and the sexual harassment complaint will be closed. The Social Equity Director, however, does maintain the right to refer the case to other appropriate University officials if it appears there may be violations of the host University's Misconduct Policy or other University policies, not construed to be sexual harassment.

If it is the opinion of the Social Equity Director that there is reasonable cause to believe that the University's policy on sexual harassment has been violated, the Social Equity Director will forward the fact finder's report, the Review Panel's recommendations and the Social Equity Director's opinion to the appropriate manager. Copies of these documents also will be provided to the accused.

The manager will utilize the existing host University pre-disciplinary conference procedures, ensuring that the accused employee has the opportunity to be represented, if so desired, by his or her union representative during the pre-disciplinary conference proceedings. At the pre-disciplinary conference the accused will have

an opportunity to rebut the findings of the fact finders' report, the recommendations of the review panel, and the opinion of the Social Equity Director. After completing the pre-disciplinary conference, the manager in consultation with the Associate Vice President for Human Resource Services and other University officials as needed, will determine if discipline is appropriate, and if appropriate, what level of discipline should be imposed.

Possible disciplinary actions for violation of the host University's sexual harassment policy include oral or written reprimand, suspension, or termination of employment. The manager is not bound by the opinion of the Social Equity Director and reserves the right to make his or her own final determination.

Disciplined employees will have the right to appeal and/or grieve management's decision to the extent provided in the appropriate policy and/ or collective bargaining agreement. The complainant will receive written notification of the final disposition of the complaint. If the complainant finds the resolution or disciplinary action unsatisfactory he or she may pursue the complaint with the appropriate external agencies.

## **STUDENT SEXUAL MISCONDUCT POLICY AND PROCEDURES OVERVIEW**

Sexual harassment, which includes acts of sexual violence, is a form of sex discrimination prohibited by Title IX of the Education Amendments of 1972. A Title IX investigation is separate from a criminal investigation by the police and courts. Victims of any form of sex discrimination, sexual violence, sexual misconduct or gender-based harassment are encouraged to report the incident to the Title IX Coordinator:

Lorelee Isbel

Director & Title IX Coordinator  
267-386-3003  
[lisbel@passhe.edu](mailto:lisbel@passhe.edu)

Additionally, University employees are required to report any incident of sexual misconduct that they witness or that is reported to them and provide the name of the victim to the Title IX Coordinator. The Title IX Coordinator will speak with the victim to: ensure that she or he is aware of available resources, services, and interim safety measures to assist with the physical and emotional aftermath of the incident; advise the victim of the complaint filing options; and take any necessary steps to ensure the safety of the PASSHE Center City Campus community.

To file a PASSHE Center City campus judicial report: The PASSHE Center City campus does not have a judicial office. All judicials will be handled by the students host university. Sexual misconduct is a violation of the Student Code of Conduct, and as such a victim may make a judicial complaint against a student(s). A judicial investigation and hearing is separate from a criminal investigation by the police. A perpetrator can receive punishment up to and including expulsion from the PASSHE Center City campus and the host University. Formal judicial complaints can be made by contacting the Host University's Office of Judicial Affairs and Student Assistance.

To file an anonymous report the PASSHE Center City campus strongly encourages those who want to file a report on behalf of themselves or someone else to identify themselves by name, but anonymous reports will be accepted by anyone with knowledge of a sexual misconduct violation.

Anonymous reports are used to collect information on instances of sexual misconduct. The information is useful for assessing the danger the incident represents to the

community at large. In addition, information is also used for assessment purposes to ensure that the PASSHE Center City campus is maintaining a campus climate that is safe and supportive and providing adequate resources for students.

The PASSHE Center City campus has a legal obligation to investigate anonymous reports of sexual misconduct to the extent feasible. It is not usually possible to conduct a formal investigation of anonymous reports of sexual misconduct, or in situations where a complainant requests confidentiality, or when a person making a report asks that the complaint not be pursued; however, the University has a responsibility to take action to prevent misconduct.

In the event of anonymous reports of sexual misconduct, or if the person making the report asks that the complaint not be pursued, the Office of Social Equity will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality, which may include meeting with the alleged harasser to provide notification of the allegations and the possible repercussions if a formal complaint is brought forward. The office of the PASSHE Center City campus may recommend voluntary sexual misconduct training for an individual or a work unit.

Under Title IX, the PASSHE Center City campus has an obligation to investigate all incidents of sexual misconduct, and make victims aware of the resources available to them, while striving to respect the privacy and confidentiality of the victim. Consistent with this and related obligations under Title IX, the confidentiality of all parties to the complaint of sexual misconduct will be observed by the PASSHE Center City campus personnel to the extent possible. The PASSHE Center City campus' obligation to protect the safety of its

students and to record statistics may not permit complete confidentiality, but the PASSHE Center City campus shall take the necessary measures to ensure that the information shared is limited to those individuals required to know pursuant to law, regulation or University policy. In life-threatening situations, confidentiality is not legally possible and the PASSHE Center City campus employees will contact emergency personnel immediately.

All reported instances of sexual misconduct will be investigated promptly, thoroughly, and equitably with appropriate response taken to ensure a safe and nondiscriminatory environment for all students, faculty, and staff. The PASSHE Center City campus will inform the victim before conducting an investigation and determining appropriate action to remedy a situation. A victim may request that no investigation take place or that his or her name not be disclosed to the perpetrator during an investigation. These requests will be evaluated according to the severity of the situation and the threat that the perpetrator(s) poses to the overall safety of the campus community. The PASSHE Center City campus will notify the victim if and when confidentiality and/or compliance with their wishes cannot be guaranteed.

### **PASSHE CENTER CITY CAMPUS DISCIPLINARY PROCEDURE**

Any student or employee of the PASSHE Center City campus can file a charge against a student or student organization for violations of their host University's Student Code of Conduct on the basis of sexual misconduct. Student Code of Conduct charges are entirely separate from a criminal investigation by the police, and any complainant may file a criminal complaint with police in addition to a Student Code of Conduct violation. The intentional filing of a

false report will not be tolerated. It is a violation of the Student Code of Conduct to make an intentionally false report of any policy violation, and it may also violate state criminal laws and civil defamation laws.

## RETALIATION

The PASSHE Center City campus prohibits retaliation against any person for using this reporting procedure, or for filing, testifying, assisting or participating in any investigation or proceeding involving allegations of sexual harassment or misconduct. Any retaliatory behavior should be reported immediately to the Director of the PASSHE Center City campus. Any person, including third parties, who violates this retaliation policy, will be subject to discipline, up to and including termination if they are an employee, and/or expulsion if they are a student.

## INVESTIGATION

Once a complainant files a sexual misconduct complaint and is informed that an investigation will be conducted. The Title IX Coordinator, Lorelee Isbel (office number 267-386-3003) conducts a fact-finding investigation which will include all involved parties, including any witnesses. The investigation of a complaint will be conducted in a timely manner, and will be completed within fifty days unless there are extenuating circumstances. At the conclusion of the investigation, the Title IX Coordinator prepares a report detailing the incident and their findings. During the investigation phase, the victim may seek out remedies or protections until a formal remedy is imposed. Victims may request:

- Limitations on contact between parties (referred to as a "No Contact Directive");
- An escort to ensure the victim's safety;
- Reassignment of classes to ensure that the victim and accused are not attending the same class,

- Counseling services;
- Medical services;
- Academic support such as tutoring;
- To withdraw from a class without penalty.

## OVERVIEW OF DISCIPLINARY PROCESS

The Director of Judicial Affairs and Student Assistance at the host University will contact the complainant within two business days upon receipt of the investigator's report to discuss options available for resolution of the complaint. The complainant may choose to resolve the complaint informally or through a formal process (Judicial Board Hearing). Informal resolution options include, but are not limited to, "no contact directives," residence hall reassignments, and/or adjustment of class schedules. Mediation between the parties will never be used in the case of sexual misconduct. Once the informal resolution procedure is complete, all parties will receive written notification. The Title IX Coordinator will also be given notification. If the complainant is not satisfied with informal resolution, a Judicial Board Hearing will be scheduled within seven business days of the request for a hearing. Prior to a hearing, both the complainant and the accused will be granted similar and timely access to any information that will be used at the hearing. They will have the opportunity to review any statements that will be used during the hearing.

## JUDICIAL HEARING

The PASSHE Center City campus does not have a judicial office. All judicials will be handled by the students host university.

The purpose of a hearing is to hear the facts and circumstances of the alleged incident and to accept all evidence offered by the complainant and the accused. In determining whether asexual misconduct violation has occurred, the judicial

board applies a "preponderance of the evidence" standard. That is, the judicial board must determine if the testimony and evidence presented suggests that it is "more likely than not" that sexual misconduct has occurred.

All hearings are closed proceedings, meaning that they are not open to the public. However, the complainant and the accused have the right to have a support person accompany him or her. Support persons are not permitted to participate in the hearing process.

In addition to a support person, both the complainant and accused have the right to be assisted at the hearing by one adviser, who may be an attorney. The adviser is not permitted to actively participate in the proceedings, and may only consult and interact privately with the student.

## **SANCTIONS**

In addition to testimony and evidence presented at a conference or hearing, a Judicial Board may consider the following elements before rendering a sanction:

- Severity of the violation;
- Academic records and class year;
- Previous discipline record including that which is public record;
- Attitude of the accused during the conference and/or hearing.

Sanctions may range from:

- Written warning
- Expulsion from the University.

## **APPEALS**

Upon receiving a sanction from the Judicial Board, the complainant or the accused may appeal for the following reasons:

- Violations of judicial procedures;

- Severity of sanction is not supported by the evidence;
- Lack of substantial evidence upon which a determination of guilt can be based; and/or;
- New evidence that was not previously available, and that might substantially change the nature of the case.

All appeals must be made in writing to the host University's Director of Judicial Affairs and Student Assistance within five business days from the exit date listed on the Sanction Assessment Form.

## **CONFIDENTIALITY**

PASSHE Center City campus will protect the identity of persons who report having been victims of sexual assault, domestic violence, dating violence, or stalking to the fullest extent of the law and as previously mentioned in this document.

## **SANCTIONS AND PROTECTIVE MEASURES**

In all cases, investigations that result in a finding of more likely than not that a violation of the sexual misconduct policy occurred will lead to the initiation of disciplinary procedures against the accused individual.

The Title IX Coordinator or their designee will determine whether interim interventions and interim and permanent protective measures should be implemented, and, if so, take steps to implement those protective measures as soon as possible. Examples of interim protective measures include, but are not limited to: a University order of no contact, residence hall relocation, adjustment of course schedules, a leave of absence, or reassignment to a different supervisor or position. These remedies may be applied to one, both, or multiple parties involved. Violations of the Title IX Coordinator's

directives and/or protective measures will constitute related violations that may lead to additional disciplinary action. Protective measures imposed may be temporary pending the results of an investigation or may become permanent as determined by the PASSHE Center City campus.

### **FEDERAL TIMELY WARNING NOTICE**

Victims of sexual misconduct should be aware that the PASSHE Center City campus and the partner University's Police administrators must issue timely warnings for incidents reported that pose a substantial threat of bodily harm or danger to members of the campus community. The PASSHE Center City campus and partner University's will ensure that a victim's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions for themselves.

### **SEX OFFENDER REGISTRATION**

The federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, requires institutions of higher education to issue a statement advising the campus community where law enforcement agency information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice, as required under State law, of each institution of higher education in that State at which the person is employed, carries on a vocation, volunteers services or is a student. A list of all registered sex offenders in Pennsylvania is available at: [www.pameganslaw.state.pa.us/](http://www.pameganslaw.state.pa.us/).
