ATTENTION

Students must pass the Core Competency Exam based on the three Core Courses in order to be eligible for Degree Candidacy and to progress to Skills II and Skills III courses.

A passing grade must be earned in Skills I courses in order to progress to Skills II and Skills III courses.

Students must be admitted to Degree Candidacy prior to enrolling in Skills II courses and before they may progress beyond 18 semester hours of course work in psychology.

Specified courses and a total of 42 s.h. must be completed in order to earn an M.S. degree in psychology (School Psychology Program requirements).
