THIS PAGE INTENTIONALLY BLANK
MAX WEB - HOW TO LOG ON

First, you need to activate your account through the MyVille Campus Portal - www.millersville.edu and click on MYVILLE Campus Portal and click on New Students Activate Account (the direct link to this is myaccount.millersville.edu)

To access MAX directly, go to the Millersville University homepage www.millersville.edu and click on the MAX icon.

(This page is subject to change - look for the Portal Buttons)

Click here to create your initial accounts for MAX and myVille. Log into myVille to access your Marauder email account, see your final exam schedules, access important campus information, etc.

Click here to access MAX registration directly.
Logging onto MAX

Enter your Millersville University ID, which is located on your student ID card (the letter "M" followed by 8 numbers). Enter your PIN in the form of 6 alphanumerics (initially set by you when you set up your myVille/MAX accounts on the password account portal - myaccount.millersville.edu). After both areas are entered, click on "Login."

---

**NOTE**
The first time you access MAX you may be prompted to change your PIN

---

***If you forget your PIN:*** Type in your MU ID number and click on “Forgot PIN.” Your security question will be displayed. If you answer the question correctly, you will be asked to create a new PIN. You can also reset your PIN using the “Forgot a Password” link on the password account portal (myaccount.millersville.edu).

---

**Security Answer**

Please provide the correct answer to your security question and then click Submit Answer.

The answer block is case-sensitive, so enter your answer in the format that matches your original entry.

You will then be asked to enter a new PIN for future access.

**User ID:**

**Question:** What is my mother’s maiden name?

**Answer:**

[Submit Answer] [Reset]

***Your PIN will be disabled after 5 incorrect attempts; you must contact the Help Desk at 717-871-2371 for assistance.
After you have successfully logged on, you will see the following screen with these menu choices:

**Personal Information**  Maintain your personal information such as address and phone number. This form also allows you to change your PIN, which we highly recommend you do to maintain privacy of your record. Select "Change PIN" and follow the directions (see page 30 for further information). You can also use this to alter your MAX login verification security question.

**Student Services**  Register for classes, check grades, check your student account, run a degree audit, etc.

**Financial Aid**  Review your eligibility and status of your Financial Aid

**Marauder Gold (formerly MAP)**  Displays your Marauder Gold balance and transactions.

**Reset myVille Password**  Allows you to reset your myVille password in the event it is forgotten.
ADVISEMENT MENU

This menu allows you the ability to run a degree audit, and view your major, minor and adviser information.

Advisement

Advisers
(for both graduate and undergraduate students)
View your advisers and major/minor curriculum information.

DARS - Degree Audit Report
Process and view a degree audit report (DARS) to review the completion status of your degree requirements for your major(s) and minor(s).
**ADVISERS**

Need to know who your adviser is?
By selecting the Advisers button you will be provided with adviser information, including name, campus phone, and email address.

**Degree Audit Reporting System**

**What is a Degree Audit?**

With Degree Audits, students and advisors can:

**Track** – View all completed and in-progress courses as they apply to a student’s declared degree, major, option and minor requirements.
Transfer credits, waivers and exceptions to graduation will all appear on the audit to help track progress.

**Prepare** – Click on courses within degree requirements to see course descriptions, currently scheduled sections and to view pre-requisites.
See how courses would apply to another major, minor or concentration using the “What If” feature.

**Plan** – Use the “Look Ahead” feature to enter planned courses and see how they apply to the degree requirements.
Degree audits are available to all current graduate and undergraduate students seeking degree programs at Millersville University.
Degree audits are not available to prospective students at this time.
Degree audits are not currently available to students in the following programs: teacher certification, post-masters certification, certificate or non-degree.

**Advisement Before Registration**

Advisement is required for all undergraduate students. Well in advance of your registration time, meet with your adviser to discuss your degree program and course selection options, as well as any other concerns you may have. After you register for classes, be sure to review your degree audit to see how your courses will meet the requirements of your program.

**Changing Your Major**

If you plan to change your major, you must submit an approved Change of Major form to the Office of Academic Advisement in Lyle Hall by that office’s deadline. Change of Major forms are available at the Academic Advisement Office, Lyle (second floor) and, for your convenience, on the web at the Student Forms Center. They require the signatures of your adviser and department chairperson. If you delay in filing this form, your major change may not be processed in time for your registration, and you may not be able to register for courses restricted to your new major.

**Questions About an Audit**

If you have questions about a degree audit, or you think there might be errors or discrepancies, contact one of the offices listed below for further assistance:

- For curricular questions about the major, minor, or general education requirements, contact the chairperson of your major department.
- Contact the Registrar's Office for questions concerning transfer courses, Millersville courses and grades, and in-progress courses.
- For questions regarding exceptions to graduation requirements, a change of major or minor, or for assistance with any other type of question, contact the Office of Academic Advisement.
What-If Degree Audits

A 'What-If' audit allows you and your adviser to see the effects of changing a major or option, declaring a major, or adding or changing a minor before officially changing your record. If you are undecided about a major, the what-if audit is a useful tool to try out different majors and see how your courses will meet the requirements for those programs.

'What-If' audits are best used for single majors, with multiple concentrations or minors.

'What-If' audits can be run for multiple majors within a degree program (for example: Psychology and Sociology since both majors are Bachelor of Arts)

'What-If' audits can't be run for multiple degrees (for example: a Bachelor of Arts in Psychology and a Bachelor of Science in Biology). Separate What-If audits would need to be run for each degree/major in this case.

For multiple majors or or multiple degrees, some requirements may alter slightly when your record is officially changed. For example, a major in Geography requires a minor to be declared which is waived if you have a second major. The 'What-If' audit is unable to recognize that you have declared multiple majors, so it will not waive the minor requirement.

**Academic Advising**
872-3257

**Registration Help**
871-5005

**Degree Audit Questions**
Email: DARS@millersville.edu
The choices on the Registration Menu allow you to do the following:

1. **Check Your Registration Status** - This allows you to view your status for registration and how many credits you have earned, and determines when you can register. This information also includes your declared major, if you have a hold, if you have been given a registration override, etc.

2. **Use Add/Drop Classes** to register online for classes at your scheduled registration time.

3. View your **Placement Exam Scores**, and check to see if you are eligible for APS, Honor College courses and downtown classes.

4. View your fees after you have registered. To do this, select **“Registration Fee Assessment.”** If no fees appear and you have viewed your schedule, charges have not been set for that particular term. A bill will be sent to you from the Bursar’s Office. For more information on the Bursar’s Office please see page 25.

5. **“Web Search for Classes”** even if it is not your time to register. This option will allow you to see class availability. You can search by subject, course, time, or general education requirements.

6. **View/Print Class Schedule** - View your class schedule with day, time and notes (refer to page 20).
7. View/Print your “Student Schedule by Day and Time” in a grid format (refer to page 20.)

8. View information and instruction on how Wait Listing works (more information on page 21)

9. View your academic advisers.
HOW TO REGISTER FOR CLASSES

At your scheduled registration time:

1. Select term
2. Select “Add/Drop Classes”
3. Type the CRN directly in the “add class” box and click on “submit changes.”

   OR

Click on the “class search” button to find a class, add it by checking the box to the left of the desired course and then click on the “Register” button.

• Note: CRNs can be entered all at once or one at a time before submitting changes. Be sure to enter all the CRNs for a lecture-lab-recitation. They must be entered at the same time or you will get a link error.

TAP (Term Advisement PIN)

All undergraduate students are required to have a TAP in order to register for the fall or spring terms. You will receive your TAP from your adviser during the advisement period. Entering transfer students are exempt from having a TAP their first semester. However, transfer students are required to have a TAP beginning with their second semester.

Add/Drop Classes:

Type in CRNs here and submit changes OR click on Class Search

SPRING 2007

Shows the term for which you are registering.
LOOK UP CLASSES TO ADD *(in MAX)*

You must select at least one subject and then click on "Class Search."

Use the selection options below to search for a class. You may choose any combination of fields to narrow your search, but you **must select at least one subject**. When your selection is complete, click "Get Classes."

### Look-Up Classes to Add:

<th>Remaining</th>
</tr>
</thead>
<tbody>
<tr>
<td>23</td>
<td>23</td>
<td>0</td>
<td>0</td>
</tr>
</tbody>
</table>

- **Restrictions:**
  - May not be enrolled in one of the following Levels: Continuing Education
  - May not be enrolled as the following Classification(s): Continuing Education, Freshman, Sophomore

- **Prerequisites:**
  - Undergraduate level ENGL 110 Minimum Grade of C- or ENGL 110 waived 110 or Undergraduate level ENGL 110H Minimum Grade of C-

Information shown here will tell you if there are any restrictions on the class. This example shows that a student must have earned 60 credits in order to register for the course. It also shows that this class possesses a W (Writing Comp) or AW (Advanced Writing Component).

This form shows the remaining seats available. It will also show you the class restrictions and prerequisites.
To add a course – click on the box to the left side of the form and then click the register button.

♦ If a course is closed there will be a “C” to the left of the course. This course cannot be selected.

♦ If you have already registered for the course, the block to the left of the course will be left blank. This course cannot be selected.

♦ You may also use this form at any time to look at open courses. When viewing the form outside your registration appointment time, there will be no option to the left for course selection.

Available Classes

Already registered for the class.

Class Closed

After you have selected your class (by checking the box), click on the “Register” button.

If no column appears, you are not currently eligible to register.
♦ On the drop/add page, classes that are registered will be shown in the “Current Schedule” area.

♦ Classes that are not registered will be shown in “Registration Errors.” The status area in the registration errors will tell you that there is a time conflict; class is restricted to a specific major; there is a duplicate course; etc. (see page 23 & 24 for further explanation).

♦ If you would like to drop a course for which you are registered, go to the “Action” area and use the drop-down box to select drop/delete and click on the “Submit Changes” button.

(example: 09/10/2007) and press submit

---

**Student Schedule by Day and Time:**

The following is your schedule by day and time in a week-by-week design. Classes which are still not scheduled or that fall within a different date range than the normal term are listed at the bottom of the page.

To view your schedule for a future term, type in a future date (MM/DD/YYYY) and press the submit button.
(Example: Fall 2004 = 08/05/2004).

---

Go to (MM/DD/YYYY): [ ] [Submit]
WAITLIST INFORMATION

(Please see the Waitlisting Tutorial for Students on the Web Schedule and Registration Guide on the Registrar’s Website for more detailed information regarding the waitlisting process)

A waitlist is an electronic list of students who want to enroll in a course that has reached maximum capacity (closed). To add yourself to a wait list:

Add a course by typing in the CRN in the 'Add Classes Worksheet' and click 'Submit Changes'. If the course is closed, you will usually see one of the following 'Registration Add Error' messages:

1. **Closed - # Waitlisted:**
   a. Closed indicates no regular seats are available.
   b. The number provided indicates the number of students currently on the wait list.
   c. The student can only waitlist this course.

2. **Open - Reserved for Waitlist:**
   a. Open indicates regular seats available
   b. Reserved for Waitlist indicates the available seats are reserved for a student or students on the waitlist for the course
   c. The student can only waitlist this class since, currently, waitlisted students have preference.

If you can waitlist a class, select 'Wait List' from the 'Action' menu and click on the 'Submit Changes' button. Once a seat becomes available, you will be notified through your Marauder email account that you are able to register for the CRN number you selected to wait list.

YOU WILL NOT BE AUTOMATICALLY MOVED FROM THE WAIT LIST INTO A COURSE.

Once you receive notification, you will have a finite amount of time (noted in the email notification) to add the course via MAX. As a courtesy to your fellow students, please
drop yourself from any courses you are waitlisted for that you don’t intend to take. You remove yourself from a waitlisted course through MAX using the same method you use to drop yourself from a registered course. Many regular registration rules apply to the waitlisting process. Inability to waitlist or move from a wait list into a course may be due to one or more of the following registration restrictions:

- Class level
- Duplicate courses
  - You can only waitlist for one section of a course and you cannot waitlist for a section of a course you are already registered for.
- Field of Study (Major/Minor/Concentration)
- Pre/Corequisites
- Preapproval from the instructor/department
- Time conflicts
- Maximum credits exceeded
- Others (refer to the Registration Error Message section below)

### Note regarding waitlisting and multi-component classes

If you want to waitlist for a class that requires a lab and/or recitation, you need to waitlist for the lecture section of the class only.

If you receive a waitlist notification confirming that you can add the section off of the waitlist, you need to register for the lecture and the lab and/or recitation simultaneously by:

- Locating an open lab/recitation section attached to the lecture through the Web Schedule AND...
- Logging into MAX and go to Registration - Drop/Add Classes AND...
- Changing the Action button for the lecture from Waitlisted to **Registered** AND...
- Typing in the accompanying lab/recitation CRNs in the Add Classes Worksheet near the bottom of the page AND...
- Clicking on Submit Changes.
REGISTRATION ERROR MESSAGES

REGISTRATION ERRORS

The following is a list of the registration errors you might receive while registering online for classes (the errors messages will come up under Status after attempting registration):

1. **Permission of Instructor Req.** To obtain written permission, please contact the department chairperson for an override and/or submit a Permission to Enroll in a Restricted class form (see below) to the applicable department.

2. **CRN does not exist.** The CRN you entered is incorrect; please check the schedule booklet or web for the correct number. This usually occurs if you submitted the wrong term. Please be sure the term and the CRN match.

3. **Level Restriction.** Course is restricted to a different level than your course level (in this case graduate student). To obtain an override, you must submit a Permission for an Undergraduate Student to enroll in a Graduate Class form (see below) to the applicable department. Once signed, this form is processed in the Registrar's Office.

4. **Section status prohibits registration.** This course is currently not available; the course may be on hold, closed or cancelled. Look the course up on

5. **Linked course required.** If you get this message you need to register for the other course components, i.e., lecture, lab or recitation. Be sure to enter all CRNs which are required for the class. (Example: register for CHEM 111.00 lecture AND CHEM 111.0A lab)

6. **Field of Study Restriction.** Course is restricted to students with a particular major, minor or concentration. To obtain an override for this restriction, a Permission to Enroll in a Restricted class form (see below) is required.
7. **Prerequisite and Test Score error.** This course has prerequisites or requires a placement test score that you have not obtained/completed. To obtain an override for this restriction, a Permission to Enroll in a Restricted class form (see below) is required.

8. **Class restriction.** Course is restricted to a class level determined by credits earned (Senior (90+), Junior (60-89), Sophomore (30-59) or Freshmen (0-29)). To obtain an override for this restriction, a Permission to Enroll in a Restricted class form (see below) is required.

9. **Degree Restriction.** Course is restricted to a certain degree program (ex. BSE). To obtain an override for this restriction, a Permission to Enroll in a Restricted class form (see below) is required.

10. **Time conflict with CRN ####.** Course conflicts with another class you are registered for. To obtain an override for this restriction, a Permission to Enroll in a Class that has a Time Conflict form (see below) is required. Once approved, this form is processed in the Registrar's Office.

**PERMISSION FORMS**

“Permission to Enroll” forms are available online on Millersville’s website in the Student Forms Center ([http://www.millersville.edu/~forms/student/](http://www.millersville.edu/~forms/student/)):

**Permission (Academic Department) to Enroll in a Restricted Class**
Use this form to receive permission from the faculty to enroll in a course that has restrictions; such as permission required, prerequisites, limited to majors or class level (Jr., Sr., etc.). Note that any permission granted by this form also allows you to waitlist for a course otherwise unavailable to you. *The completed form will be processed by the academic department, but you will still be responsible for registering for the course.*

**Permission for an Undergraduate Student to enroll in a Graduate Class**
An undergraduate student who wishes to take a graduate 500-level course must have this form completed by the department offering the course. *The completed form will be processed by the Registrar’s Office.*

**Permission to Enroll in a Class that has a Time Conflict**
If you have two courses that have a time conflict and one of the faculty is willing to work with you about missed time, please use this form. Register for the first course on MAX and bring this form to the Registrar’s Office so you can be granted permission to register for the second course.  
**NOTE:** The overlap in classes should not exceed 15 minutes.
REGISTRATION TIPS

➢ Before you register, meet with your academic adviser to discuss appropriate classes and to also receive your TAP (Term Advisement PIN), if applicable (see page 14). Make a list of the courses and CRNs you plan to take. Have several alternative courses ready in case your first choices are not available.

➢ Check for open sections. There are two ways to do this from the MU home page:

♦ Select the MAX icon; select “Student Services,” then the “Registration” menu, then “Web Search for Classes.” You can also click the Class Search button to look for open sections when you are registering.

♦ From the Registrar’s homepage (www.millersville.edu/~registrar/), select “Web Schedule” and follow directions to search for open sections. Check the list on a regular basis for new sections or for available seats in previously closed sections.

➢ New Transfer Students if you are attempting to register for a course with a prerequisite that is not yet transferred to your MU record, contact the Registrar’s Office (717-871-5005) for assistance in completing the registration for this course.

➢ If a course is closed, place your name on the waitlist. See page 21 of this booklet for more details. You may also contact the department chairperson for permission to enroll in a closed course (in doing so, you will need to fill out the “Permission to Enroll in a Class” form).

➢ Remember to click on the “Submit Changes” button before exiting the registration form.

➢ Don’t panic! There are many sources of assistance, including your major department chairperson, assigned academic adviser (see DARS printout), and the Office of Academic Advisement.

BURSAR – STUDENT ACCOUNT

To review your student (billing) account select one of the following menus:

1. To view your Semester Bill or Credit Card Payment, select the first menu option.
2. To view and print information sent to the IRS for the tax year, select Federal Tax notification.

3. View Holds. Before you register for classes be sure to check this menu. If you have a hold please contact the department that has originated the hold to resolve the issue.

4. Financial Aid. Review your financial aid status. Any questions relating to your financial aid should be directed to the Financial Aid Office (This menu is also available from the Student Services page).

5. View E-Bill. Review and print out an E-Bill of the semester.

Any questions concerning your bill, please contact the Bursar's Office at 717-871-5101.

FINANCIAL AID

To review your financial aid status, select one of the following menus:
• **My Overall Status of Financial Aid.** View overall status; view academic progress; financial aid awards; cost of attendance; read messages.

• **My Eligibility.** Review financial aid holds (which may prevent payment of awards) and document requirements; display academic progress history; view academic transcript.

• **My Award Information.** View billing summary; review awards by aid year; accept award offers by aid year; review award history; display award payment schedule; view loan history of loan applications.

• **E-mail MU Office of Financial Aid**

Any questions concerning your financial aid, please contact the Financial Aid Office at 717-872-3026.
STUDENT ACADEMIC RECORDS

View your holds; view your student information; display your grades and unofficial transcript:

- **View Holds.** Before you register for classes be sure to check this menu. If you have a hold, please contact the department that has originated the hold to resolve the issue.

- **Final Grades.** Select term to view and print final grades.

- **View Student Information.** View information such as major, class, adviser, etc.

- **Academic Transcript.** View and print your *unofficial* web transcript by selecting “display transcript.” You will see all graded courses along with courses that are in progress.
Free self-service enrollment verifications are now available to MAX users through the National Student Clearinghouse. Using the web puts the control in your hands, saves you a trip to the University and is quick, easy and convenient. In a format that is widely accepted by health insurance, credit issuers, housing providers, employers and others, the verification report includes the enrollment term dates and indicates full-time or part-time status.

This self-service report, however, may not be used for student loans. If a student has a deferment form from a loan agency (AES, Sallie Mae, etc.), the form can be submitted through the Registrar's Office. The agencies themselves can verify your enrollment through the National Student Clearinghouse.

When can you get an enrollment verification?
- Previous terms are always available.
- **Future spring and fall terms are available one week before the term begins.**
- Summer terms are available the week after the summer term ends.

INSTRUCTIONS:
1. Go to the MU webpage (www.millersville.edu) and logon to MAX.
2. Select Student Services.
3. Read the information and then link to National Student Clearinghouse Gateway.
4. Select "current enrollment" or "all enrollments."
5. Select "Obtain an enrollment certificate."
6. Print your enrollment verification form.
7. Logoff the National Student Clearinghouse website.
8. Submit the enrollment certificate to your health insurer (or whoever requires proof of your enrollment status)
Personal Information allows you to change your PIN (personal identification number), view/update your address and phone number and change your security question.
**Change your PIN.** Enter your old MAX Pin and your new MAX PIN. Re-enter your new MAX PIN for verification. Your MAX PIN must be 6 characters in length and can be alphanumeric. When finished, click on Change PIN.

Change PIN

- Enter Old PIN: 
- Enter New PIN: 
- Re-enter New PIN: 

**View or change your address.** Your mailing/home and local address will be listed. This is the most recent information the Registrar's Office has on file. If your address or phone number is incorrect, please update your information as soon as possible using Update Address(es) and Phone(s); please follow the directions on this page closely. Your newly input/changes information will be updated instantaneously.

View Address(es) and Phone(s)

Your active addresses are displayed in order by address type. Notice the last line displayed is your county.

To submit a change of address go to address change form.

**Addresses and Phones**
