What is this Registration Guide?

This Registration Guide explains registration (how, where, and when to enroll in courses) as well as information concerning the drop/add and withdrawal processes, special registration procedures and many other aspects surrounding the registration process that you may find useful.

Note: all the referenced page numbers on this document are links directly to the portions of the Registration Guide that the page number is referring to. Just click on the page number!

It is the responsibility of all students to be familiar with the announcements, deadlines and regulations of the university printed in this booklet and in the General Catalog. Information herein is subject to revision.

E-mail is an official means of communication from Millersville University to ALL Millersville students. All Millersville students are responsible for activating and managing their university-assigned email account and accessing all information sent to their university-assigned email account.

Contents

Important Dates & Deadlines

The dates below concern registration and related activities ONLY. Please check the Academic Calendar on a weekly basis for a complete list of academically-related events and deadlines. At least once a week, access the Registrar's Website to see if there are any important registration announcements listed under **News**.   These are your primary means of finding timely information about registration activities as well as other important information.

SUMMER 2024

February 5th – Undergraduate and degree-seeking graduate student registration begins at 9 AM EST. Waitlisting for courses begins with registration – notifications for open/available seats will be active with 24 hour notice.

February 8th – Graduate non-degree student registration begins at 9 AM EST.

May 2nd – Waitlisting notifications for open/available seats will be active with 12 hour notice

May 6th – Summer Session Begins

Deadlines to drop/add and withdraw from Winter courses will vary by class. See the sections on Drop/Add & Withdrawal Deadlines (pg 6) for more details.

Contact the Registrar's Office at 717-871-5005 for details regarding deadlines to take a course pass/fail or on an audit basis during the Summer term.

FALL 2024

April 2nd – Degree-seeking graduate student registration begins at 6 AM.

April 3rd – Graduate non-degree student registration begins at 6 AM.

April 4th-12th – Undergraduate registration begins. See the **Appointment Schedule** on the Registrar's Website for detailed information. Waitlisting for Fall courses begins and notifications for open/available seats will be active with 48 hour notice.

August 22nd – Students who receive email notification for an open seat will have 18 hours (reduced from 48) to respond through MAX.

August 26th – Classes begin; late registration online; drop/add period begins online.

September 3rd – Last day to drop or add a course online (by 11:59 PM EST).

September 4th – Withdrawal period begins (See the sections on Drop/Add & Withdrawal Procedures (pg. 43) for more details); last day to submit a request to take a course on a pass/fail or audit basis (requests must be in the Registrar's Office by 4:30 PM)

November 1st – Last day to withdraw from a course & receive a W grade (online withdrawal form must be submitted to faculty by the end of day)

December 9th – Last day to change a pass/fail grade to a regular grade

December 14th – Fall term ends

Fall deadlines listed are for standard length courses. For non-standard length course deadlines, see the sections on Drop/Add & Withdrawal Deadlines (pg 6) for more details.

Contact the Registrar's Office at 717-871-5005 for details regarding deadlines to take a course

pass/fail or on an audit basis during the Summer term.

Summer 2024 Online Drop/Add & Withdraw Deadlines

The deadline to drop/add or withdraw from courses in the winter or summer sessions varies on the start and end date of the course. Please see the applicable link below for more details:

Drop/Add and Withdraw | Millersville University

Please refer to the Office of Student Accounts website for information on the Winter refund and the Summer refund policies.

Fall 2024 Online Drop/Add & Withdraw Deadlines

The deadline to drop/add or withdraw from most courses in the spring and fall semesters can be found on the appropriate academic calendar.

If you are registered for a course that begins and/or ends earlier or later than the standard semester, these deadlines will vary. Please see the link below for a listing of these courses and the deadlines attached to them.

Drop/Add and Withdraw | Millersville University

Important note: if you are registered for a course that begins later in the spring/fall semester and wish to drop it before the deadline, please email registrar@millersville.edu with the request.

Please refer to the Office of Student Accounts website for information on the Fall/Spring refund policy

Undergraduate students that withdraw from their last class in spring or fall MUST complete withdraw or leave of absence paperwork.

Registration Basics

MAX is Millersville University's Web-based registration system. You can add or drop courses, place yourself on the waitlist for courses and perform many other functions, including viewing your Degree Audit report.

Student Responsibilities

You are responsible for confirming your registration and making any changes by the designated deadlines. It is your responsibility to drop unwanted courses and to confirm that they have been dropped from your schedule. **You cannot depend on being dropped from a course due to nonattendance or for nonpayment**.

It is also the responsibility of all students to be familiar with the announcements and regulations of the university printed in this booklet and in the General Catalog. Information herein is subject to revision.

How do I register?

Registration takes place online through MAX, Millersville's online registration system. When you are able to register for classes (see *When do I register* below) you can register for classes through the MAX system. See page 13 for more details regarding logging in and registration through the MAX system.

When do I register?

Check the *Important Dates and Calendars* section (pg 4) of this guide for the beginning dates of registration for Millersville's academic terms.

The actual beginning registration time for undergraduate students for Summer, Spring & Fall semesters vary based on number of credits earned and the first letter of their last name. See the *Appointment Schedule* on the Registrar's Website for more information.

It's highly recommended that you utilize the Registration Preparation Checklist and Schedule Planning Grid located at the end of this registration guide to make sure you are prepared for registration and that the courses you're planning on taking fit your schedule!

Note: Missing class to register is not an excused absence and is not acceptable!

Registration credit limits

Spring & Fall - Undergraduate students who have earned between 0-79.5 credits are limited to registering for 17 credits until all of the appointment groups on the Appointment Schedule (found on the Registrar's Website) have had their chance to register. Students who have more than 80 credits earned are limited to 18 credits during this same time period. The day after all the appointment groups have gone, all undergraduate students may register for 18 credits (see note regarding Students on Academic Probation below). Undergraduate students may not go above 18 credits until the first week of classes (drop/add); those students seeking to do so must contact the Registrar's Office and should expect additional fees due to a credit overload. Contact the Office of Student Accounts at 717-871-5101 for information regarding these additional fees.

Winter & Summer – Undergraduates in Winter & Summer are limited to 7 & 8 credits, respectively. A form, which must be signed by the student's academic advisor, can increase these limits. Please visit the Registrar's Office in Lyle Hall for a copy of this form.

<u>Students on Academic Probation</u> – If you are currently on academic probation, you are limited to 13 credits during the Spring and Fall terms. A form, which must be signed by the student's academic advisor, can increase this limit. Please visit the Registrar's Office in Lyle Hall for a copy of this form.

Registration holds

A hold may be placed on your record for a variety of reasons. Clearing holds before your registration appointment will save you time and frustration. It is your responsibility to view your record on MAX to see if you have any holds on your account. You can view your holds by *logging into MAX*, and choosing <u>Student Services > Student Academic Records >View Holds</u>.

TAPs (Term Advisement Pins)

All undergraduate students are required to have a TAP to register for the fall or spring terms. You will receive your TAP from your academic adviser during the advisement period. Entering transfer students, newly readmitted students and students coming off of a leave of absence are exempt from having a TAP their first semester at Millersville (or, in the case of readmitted students or students returning from a Leave of Absence, their first semester back at Millersville). However, these students are <u>required</u> to obtain a TAP in subsequent semesters. Graduate students are not required to have a TAP.

Academic Advisement

Regardless of whether you have a TAP number assigned to you (see above), you should contact your advisor or major department chair for advisement on what courses you should be taking. See *this page* for a listing of department chairpersons. The Registrar's Office cannot offer academic advisement. You can see who your academic advisor is by *logging into MAX*, and clicking on <u>Student Services > Advisement > Advisers</u>.

If you are a graduate student, please see your program coordinator for academic advisement.

Degree Audit Reporting

The degree audit is a software program that matches a student's course work for the current, active program with the degree requirements for a particular major curriculum at Millersville and provides a detailed report, or degree audit, summarizing the completion status of each requirement. The degree audit lists not only the requirements that must be completed in the program, but also the status of degree candidacy and other degree requirements such as cumulative credits and GPA.

Your degree audit report can assist you with knowing what to schedule for; you should always have a copy on hand when you meet with your academic advisor.

You can access your degree audit report by *logging into MAX*, and clicking on <u>Student Services > Advisement > DARS Degree Audit Report</u>. Please see the *Registrar's Website* for in-depth details regarding DARS.

Course Cancellation/Change Notifications

If a course you have been registered for has been cancelled or the location/time of the course has been changed, you will be notified of

the change through your Millersville Marauder email account.

Getting in a Closed/Restricted Course

The instructor and/or department of the course you are attempting to get into may provide you with an override during registration. Please see the *Permission to Enroll Forms* section (pg 32) for more information on the forms that are required for these overrides. **Remember that you MUST still register for the course on MAX after you're given an override!**

Special Registration Procedures

Please see the section on *Special Registration Procedures* (pg 39) regarding instructions for Auditing courses, taking a course on a Pass/Fail basis, the Franklin & Marshall Exchange program and other procedures.

Notes for Education Majors

See pg. 33 for information regarding Elementary and Secondary Foundations Bloc, Secondary Professional Bloc, APS (Advanced Professional Studies) and Student Teaching.

Notes for Newly Incoming Transfer Students

If you are a newly admitted transfer student who is currently taking courses at another institution, one or more of which would fulfill prerequisite requirements for a course you are trying to register for, please contact the Registrar's Office for assistance.

Notes for Transient Students

If you are a transient student who is attempting to register for a class that is currently unavailable to you, please contact the Registrar's Office for assistance.

Withdrawal/Leave of Absence from MU

Leave of Absence (Undergraduates Only)

Students who wish to interrupt their studies at Millersville for up to two consecutive semesters may request a leave of absence.

This allows them to register for courses upon their return without applying for readmission. To be eligible for a leave of absence, a student must be enrolled in degree status and have a minimum CGPA of 2.00.

To request a leave of absence, complete an official Leave of Absence Form, available online here. Contact the registrar's office for information on the effects of a leave of absence. **Note: For MEDICAL Leave of Absences, contact the Registrar's office for further details.**

Students who take a leave of absence to study at another institution during the fall or spring semester should also complete an Authorization for Transfer of Credit form, available from the registrar's office or on the web. A leave of absence is cancelled, and the student considered withdrawn, if the student fails to return by the established ending time or is dismissed by the University.

Military Leave of Absence

Students who are called to active duty must contact the registrar's office for assistance with arranging a leave of absence and their

subsequent return to the University. A copy of the student's military orders must be presented to the registrar. Students who expect to return to class within the current semester to complete their course work, or who are called to duty after completing a significant part of the course requirements, should contact their faculty regarding missed work. Students who cannot complete the current semester will be granted a leave of absence for military duty and will be allowed to return for the next semester without penalty.

Graduate students and Leave of Absences

Graduate-level students (both degree and certification seeking) are given a five year window in which to complete their program. A leave of absence for a semester or two is not necessary.

Withdrawing from the University (Undergraduates Only)

Students who wish to withdraw from the University must complete an Official Withdrawal Form, available from the Registrar's Office or on the Millersville website in the Student Forms Center. This applies to all students, whether withdrawing during or between semesters, regardless of reason for withdrawal. Failure to complete this form will jeopardize a student's chances of future readmission. **Note: For MEDICAL Withdrawals, contact the Registrar's office for further details.**

Students who have officially withdrawn from the University and wish to return should contact the Admissions Office, Lyle Hall, for an application for readmission. Contact

Admissions for more information (717-871-4625).

Graduate students Withdrawing from the University

If you are a graduate student looking to withdraw from the university, please complete the official withdraw form on the Graduate Student Forms webpage.

Please contact Graduate Studies for more information and details (717-871-4723).

Registration & Students with Special Needs

If you have learning and/or physical disabilities and need special accommodation concerning registration, please contact the Office of Learning Services for information (717-871-5554).

Searching for Courses – Using the Web Schedule

The online web schedule is the preferred method of locating classes prior to and during registration. The web schedule is found in the Registrar's website (www.millersville.edu/registrar) under *Web Schedule & Registration* on the right side of the page.

Scheduling Information/Web Schedules is located in the left side of the following page. Here you can search for classes by any number of variables, including:

- Subject,
- Department,
- Distance Learning (online and blended courses)
- Off Campus Courses (which includes courses meeting at our downtown Lancaster Ware Center)
- General Education Requirements (what general education requirements the class fulfills)
- Day and Time

Click in any of these, or other, links to begin your search.

4364	BUAD 161 0	3.0	Intro to Financial Accounting	M W F	8:00-8:50am	08/29/11-12/17/11	MCCOM 301	Dillon, D M.	1			📖
	Prerequisite: MATH 101 OR MATH 151 OR MPT 151 Prerequisite: MATH 101 or placement beyond MATH 101 Reserved for BUAD majors/minors											

The notes section of the class lists required course prerequisites and other course restrictions.

This table shows the courses for the term you selected that meet the criteria you've searched for.

You can use the information from your Web Schedule searches to locate classes in preparation for registration or while registration is actively going on.

It is good practice to use the Web Schedule to search for classes while registering using MAX; write down the CRNs you want to add from the Web Schedule and enter them into MAX Registration (pg. 14)

Logging onto MAX

If you are a first-time MAX user (or a returning MAX user and need to reset your account), you need to activate (or reset) your account through **myAccount@MU** – http://www.millersville.edu/logins/ .

Once you have created your user ID and password, log into **myVILLE Portal** on http://www.millersville.edu/logins/, using the user name and password your just created. Click on the **MAX** logo under the Student page and you'll be logged into MAX!

How to Register For Classes

<div style="border:2px solid black; background:#ffffcc;">

Searching for classes using the Web Schedule

The online web schedule is the preferred method of locating classes prior to and during registration. The web schedule is found in the Registrar's website (www.millersville.edu/registrar) under *Web Schedule & Registration*. For more details, see page 11.

</div>

At your scheduled registration time (obtained through the Appointment Schedule on the Registrar's Website):

1. Select term you are looking to register for
2. Select "Add/Drop Classes"
3. Type the CRN directly in the "add class" box and click on "submit changes."

OR

Click on the "class search" button to find a class, add it by checking the box to the left of the desired course and then click on the "Register" button.

- Note: CRNs can be entered all at once or one at a time before submitting changes. **Be sure to enter all the CRNs for a lecture-lab-recitation. They must be entered at the same time or you will get a link error**.

Student Schedule by Day and Time:

The following is your schedule by day and time in week-by-week design. Classes which are still not scheduled or that fall within a different date range than the normal term are listed at the bottom of the page.

To view your schedule for a future term, type in a future date (MM/DD/YYYY) and press the submit button (Example: Fall 2004 = 08/30/2004).

Go to (MM/DD/YYYY): [   ] [Submit]

Previous Week		**Week of Apr 05, 2004** (33 of 69)			Next Week	
	Monday	**Tuesday**	**Wednesday**	**Thursday**	**Friday**	**Saturday**	**Sunday**
8am		PSYC 314-01 7581 Class 8:00 am-9:15 am		PSYC 314-01 7581 Class 8:00 am-9:15 am BYERL 241			
9am		BYERL 241					

Waitlist Information

A waitlist is an electronic list of students who want to enroll in a course that has reached maximum capacity (closed).

Many regular registration rules apply to the waitlisting process. Inability to waitlist or move from a wait list into a course may be due to one or more of the following registration restrictions:

- **Class level**
- **Account Holds**
- **Field of Study (Major/Minor/Concentration)**
- **Pre/Co-requisites**
- **Preapproval from the instructor/department**
- **Time conflicts**
- **Maximum credits exceeded**
- **Others (refer to the Registration Error Message section below)**

Locating a Course to Waitlist

Using the Web Schedule online, any courses that are Closed (Under the **Seats Avail** column) that are not otherwise restricted to you due to prerequisite or other restrictions should be available for waitlisting. Make a note of the CRN(s) of the course(s) you are interested in waitlisting for and look under *Waitlisting Details* section below for instruction on how to waitlist via MAX Registration.

CRN	Course	Credits	Title	Days	Time	Date Range	Location	Faculty	Seats Avail	Prm	Gen Ed	Books
9197	PHIL 100 00F	3.0	Introduction to Philosophy	M W F	9:00-9:50am	08/29/11-12/17/11	MCCOM 300	Charles, James A.	Closed		G1	📖

You can also locate closed classes that you may be interested in taking by using the Class Search option in MAX (*Student Services > Registration > Drop/Add Classes > Class Search*).

Waitlisting Details and Procedures

Add a course by typing in the CRN in the 'Add Classes Worksheet' and click 'Submit Changes'. If the course is closed, you will usually see one of the following 'Registration Add Error' messages:

1. Closed - # Waitlisted:
   a. Closed indicates no regular seats are available.
   b. The number provided indicates the number of students currently on the wait list.
   c. The student can only waitlist this course.

2. Open – Reserved for Waitlist:
   a. Open indicates regular seats available
   b. Reserved for Waitlist indicates the available seats are reserved for a student or students on the waitlist for the course
   c. The student can only waitlist this class since, currently, waitlisted students have preference.

If you can waitlist a class, select 'Wait List' from the 'Action' menu and click on the 'Submit Changes' button. Once a seat becomes available, you will be notified through your **Marauder email account** that you are able to register for the CRN number you selected to wait list. If you opt to receive text notifications to your mobile phone (MAX Mobile), you should also receive a text alerting you to check your email for the waitlist notification. See the bottom of this waitlist information section for more info on MAX Mobile (which is **highly** recommended)!

YOU WILL NOT BE AUTOMATICALLY MOVED FROM THE WAIT LIST INTO A COURSE.

MAX MOBILE!

It is highly recommended you sign up for MAX Mobile and receive text message notification on your mobile phone when you can register for a course off of the waitlist: **Log into MAX and go to Student Services > MAX Mobile to sign up!**

Once you receive notification, you will have a finite amount of time (noted in the email notification) to add the course via MAX:

- Go to Student Services > Registration > Add/Drop Classes
- Click the Drop down arrow on Action button for the class you received notification for
- Click **Registered**
- Click Submit Changes

Note regarding waitlisting and multi-component classes

If you want to waitlist for a class that requires a lab and/or recitation, you waitlist for the lab or recitation section, **NOT** the lecture. In the case of courses that require a lecture, lab AND recitation, you need to waitlist for the lab.

If you receive a waitlist notification confirming that you can add the section off of the waitlist, you need to register for the lecture and the lab and/or recitation simultaneously by:

- Locating an open lab/recitation section attached to the lecture through the Web Schedule AND…
- Logging into MAX and go to Registration – Drop/Add Classes AND…
- Changing the Action button for the lecture from Waitlisted to **Registered** AND…
- typing in the accompanying lab/recitation CRNs in the Add Classes Worksheet near the bottom of the page AND…
- clicking on Submit Changes.

[Submit Changes]   [Class Search]   [Reset]

Note that during the window of time you are given in your notification to add the waitlisted section, you can add or drop the waitlisted class in the Add or Drop Classes screen in Banner. To add the class, enter the CRN in the 'Add Classes Worksheet' and click submit. This will register the student for the course, even if it was previously dropped.

> **NOTE: A faculty member teaching a course may, at his or her discretion, provide another student with an override to allow that individual to register for a course, and that seat will become unavailable to the waitlisted student. If that occurs, the student will need to contact the faculty member (or academic department) for more information, but they should be aware that he or she is not required to add you to the course.**

Waitlisting FAQs for Students

How does waitlisting work?

Students who attempt to register for a class that is full may put themselves on a waiting list. When an open seat becomes available, an email will be sent to the **Millersville** email address of the student at the top of the waiting list. The student will have a certain amount of time (specified in their waitlist notification email) to go online and add the class.

The open seat will be reserved for that student and no other student may login and register for that seat during the amount of time allotted to the notified student.

If the student does not respond, the next student on the list will be notified and will be given an opportunity to respond.

As a common courtesy to other students, it is expected that you will drop yourself from any waiting lists (or classes) that you do not intend to take.

How do I receive waitlist notifications?

Waitlisting notifications will be sent to students' marauder email accounts. You may also opt to receive text notifications to your mobile phone when you can register for a course off of the waitlist: *log into MAX* and go to Student Services > MAX Mobile to sign up! ***It his highly recommended that you utilize MAX Mobile!***

Can I waitlist for a course that requires a prerequisite or co requisite that I currently don't have?

Students must meet all of the course prerequisites and requirements in order to sign up for its waitlist. Faculty and/or departmental overrides will allow students to waitlist for courses that would normally be restricted to them (See the Permission to Enroll in a Class form on pg 32)

How do I sign up for a waiting list?

All registration for waiting lists must be done online. Directions are available in this document under Waitlisting Details and Procedures (pg 22).

Is priority assigned to waitlists?

Seniors get priority on waitlists while all other classes are first-come-first-served.

Is there a way for me to see my position on a waitlist?

No – students cannot currently see their position on a waitlist.

What happens if I don't register for a course within the allotted time period mentioned in my notification email?

If you do not register within the time period mentioned in your email (the clock begins ticking at the time the email is sent), you will automatically be dropped from the waiting list. The next student on the waiting list will move to the top of the list. For this reason, if you are waitlisted for a class it is HIGHLY recommended that you check your marauder email at least twice a day.

When can I begin adding myself to the waitlist for a course?

You can begin to add yourself to the waitlist for a course during the times you normally register for courses on MAX.

Are there times when wait listing will not be available or times when I won't receive notifications of open seats?

When registration on MAX is closed off for you, you will not be able to waitlist for classes or register off a waitlist for a class.   See Important Dates & Deadlines (pg 4) for these dates.

I received notification that I'm able to add a class off of the waitlist but when I try to, I'm getting a message that the class is closed and I cannot add it! Why is that?

A faculty member may, at his or her discretion, provide another student with an override to allow that individual to register for a course, and that seat will become unavailable to the waitlisted student. If that occurs, the waitlisted student will need to contact the faculty member (or academic department) for more information, but they should be aware that he or she is not required to add you to the course.

May I get on the waiting list for more than one section of the same course?

Yes. You may waitlist for more than one section of the same course. Also, if you are actually registered for a course, you may waitlist yourself for additional sections of the same course. **If you are waitlisted for a course you have no intention of taking, please do your fellow students a favor and drop yourself from the waitlist and let someone else have the course.**

May I get on the waiting list for a class that has a time conflict with another course?

Yes. Although you may not register for courses with time conflicts, you may add yourself to the waiting lists of courses that have time conflicts with courses for which you are registered or with other courses that you have waitlisted. If you are notified via email that a seat is now available for a waitlisted class, you must drop any course for which you are registered that has a time conflict before you may register for the waitlisted course (or, if the time conflict is less than 15 minutes in length, get permission to register via the Time Conflict permission form, pg 32).

How does waitlisting work with fee payment deadlines?

If you have an outstanding balance at any of the fee payment deadlines, you may be dropped from your classes. If you are dropped from your classes, you will also be dropped from any waiting lists. If you resolve your outstanding balance, it will be your responsibility to re-add yourself to any waiting lists from which you were dropped from; you will not retain your original position on those waiting lists.

At what point does waitlisting stop?

For Spring and Fall, wait lists will stop functioning 11:59 PM on the last day of Drop/Add. For Summer and Winter, waiting lists for a class will stop functioning 11:59 PM on the first working day following the first class meeting (Example: for class that begins on a Friday, the last day to Drop/Add would be the following Monday).

How can I get on a waiting list for a class that also has a lab and/or recitation component?

If you want to waitlist for a class that requires a lab and/or recitation:

- For classes that have a LAB component, you need to waitlist for the LAB.

- For classes that have a RECITATION component, you need to waitlist for the RECITATION.

- For classes that have a LAB & RECITATION component, you need to waitlist for the LAB.

If you receive a waitlist notification confirming that you can add the lab/recitation off the waitlist, you need to register for the lecture and the lab and/or recitation simultaneously by:

- Locating the lecture (and recitation for some PHYS courses) section attached to the lecture through the Web Schedule AND…

- *Logging into MAX* and go to Registration – Drop/Add Classes AND…

- Changing the Action button for the lab/recitation from Waitlisted to **Registered** AND…

- typing in the accompanying lecture (and recitation for some PHYS courses) CRNs in the Add Classes Worksheet near the bottom of the page AND…

- clicking on Submit Changes.

I've been given an override to add a course I'm waitlisted for but I'm getting a "Duplicate Course" error when I try to add the course! What's wrong?

You must **drop** yourself from the waitlist of the course that you were given an override for before you attempt to add the course to your schedule.

I received a waitlist email, but when I tried to register I couldn't because of a registration hold. What's wrong?

All registration holds must be cleared prior to any registration activity (this includes waitlisted classes). To view your holds, log into MAX and go to Student Services > Student Academic Record > View Holds.

I accidentally dropped the class I had been waitlisted for but had received notification that I was able to register for it. How do I get back in?

As long as you are still within the time period mentioned in your waitlist confirmation email, you can add the class by going to the Drop/Add Classes screen in MAX registration. You will need to type in the CRN in the Add Classes Worksheet and click submit changes. This will register you for the class and not put you back on the waiting list.

Millersville University

Registration Error Messages

The following is a list of the registration errors you might receive while registering online for classes (the error messages will come up under <u>Status</u> after attempting registration):

❌ **Registration Add Errors**

Status	CRN	Subj	Crse	Sec	Level	Cred	Grade Mode	Title
Level Restriction	8347	ART	567	01	Undergraduate	3.000	Graduate Standard Letter	Advanced

1. **Permission of Instructor Req.** To obtain written permission, please contact the department chairperson for an override and/or submit a <u>Permission to Enroll in a Restricted class</u> form (see pg 32) to the applicable department.

2. **CRN does not exist.** The CRN you entered is incorrect; please check the schedule booklet or web for the correct number. This usually occurs if you submitted the wrong term. Please be sure the term and the CRN match.

3. **Level Restriction.** Course is restricted to a different level than your course level (in this case graduate student).   To obtain an override, you must submit a <u>Permission for an Undergraduate Student to enroll in a Graduate Class</u> form (see pg 32) to the applicable department. Once signed, this form is processed in the Registrar's Office. **Note: If you are an undergraduate seeking to take a graduate-level course for graduate level credit, use the Request for Undergraduates to Take a Millersville Graduate Level Course for Graduate Credit form, available on the Graduate Student Form center.**

4**. Section status prohibits registration.** This course is currently not available; the course may be on hold, closed or cancelled.

5. **Linked course required.** If you get this message you need to register for the other course components, i.e., lecture, lab or recitation. Be sure to enter all CRNs which are required for the class. (Example: register for CHEM 111.00 lecture <u>AND</u> CHEM 111.0A lab)

6. **Field of Study Restriction.** Course is restricted to students with a particular major, minor or concentration. To obtain an override for this restriction, a <u>Permission to Enroll in a Restricted class</u> form (see pg 32) is required.

7. **Prerequisite and Test Score error.** This course has prerequisites or requires a placement test score that you have not obtained/completed. To obtain an override for this restriction, a <u>Permission to Enroll in a Restricted class</u> form (see pg 32) is required.

8. **Class restriction.** Course is restricted to a class level determined by ***credits earned*** (Senior (90+), Junior (60-89), Sophomore (30-59) or Freshmen (0-29)). To obtain an override for this restriction, a <u>Permission to Enroll in a Restricted class</u> form (see pg 32) is required.

9. **Degree Restriction.** Course is restricted to a certain degree program (ex. BSE). To obtain an override for this restriction, a <u>Permission to Enroll in a Restricted class</u> form (see pg 32) is required.

10. **Time conflict with CRN ####.** Course conflicts with another class you are registered for. To obtain an override for this restriction, a <u>Permission to Enroll in a Class that has a Time Conflict</u> form (see pg 32) is required. Once approved, this form is processed in the Registrar's Office.

Permission to Enroll Forms

"Permission to Enroll" forms are available online on Millersville's website in the Student Forms Center (http://www.millersville.edu/forms/):

Permission (Academic Department) to Enroll in a Restricted Class
Use this form to receive permission from the faculty to enroll in a course that has restrictions; such as permission required, prerequisites, limited to majors or class level (Jr., Sr., etc.). Note that any permission granted by this form also allows you to waitlist for a course otherwise unavailable to you. *The completed form will be processed by the academic department, but you will still be responsible for registering for the course.*

Permission for an Undergraduate Student to enroll in a Graduate Class for Undergraduate Credit
An undergraduate student who wishes to take a graduate 500-level course for undergraduate credit must have this form completed by the department offering the course. *The completed form will be processed by the Registrar's Office.*

Permission to Enroll in a Class that has a Time Conflict
If you have two courses that have a time conflict and one of the faculty is willing to work with you about missed time, please use this form. Register for the first course on MAX and bring this form to the Registrar's Office so you can be granted permission to register for the second course.
NOTE: The overlap in classes should not exceed 15 minutes.

Registration Notes for Education Majors

Clearances

Field experiences are required for many education major courses. To participate in a course with a field experience, a complete and valid Clearance packet is required to be on file with the Department of Field Services. In addition, some field experience assignments require additional documents, forms and/or trainings. These will be requested on an 'as needed' basis.

Information regarding clearances, requirements, submission procedures and deadlines can be found on the Department of Field Services website: https://www.millersville.edu/fieldservices/clearances.php .

Courses/Blocks requiring a complete and valid clearance packet* (subject to change)

- ERCH 110/SPED 101

- Early Childhood Education/ Early Childhood and Special Education Foundation Blocks (EDFN 211, 241, ERCH 225, SPED 237)

- ERCH 496

- ERCH 421

- EDUC 424

- EDUC 580

- GFED 370

- SPED/ERCH Professional Block I (SPED 321, 341, ERCH 421)

- SPED 101

- ERCH Professional Block II (ERCH 325, ERCH 422, ERCH 455, ERCH 465)

- SPED/ERCH Professional Block II (SPED 411, 412, 441, 442, 443, 444, 445, 451, 452, 453)

- MDLV 486

- ERCH 316

- MDLV 323

- MDLV Professional Block (MDLV 425, MDLV 456, MDLV 466)

- SECED/MDLV Foundations Block (EDFN 211, 241)

- SECED Professional Block (AEST, ART, MATH, MUSIC)

- EDFN 545, 590

- Student Teaching (undergraduate, post-bacc, and masters)

- Graduate Clinical Practicum

- RDED 624

Early Childhood Education Foundation Block *

EDFN 211 - Foundations of Modern Education
EDFN 241 - Psychological Foundations of Teaching
ERCH 225 - Reading Foundations

Early Childhood and Special Education Foundation Block *

EDFN 211 - Foundations of Modern Education
EDFN 241 - Psychological Foundations of Teaching
ERCH 225 - Reading Foundations
SPED 237 - Applied Foundations of Contemporary Special Education

Students should register for all classes in the same section in these blocks. Classes are held two days per week.

Important: Students should not schedule any other classes between 8:00 a.m. and 4:00 p.m. on the foundations block class days. During the field experience portion of the classes, students will meet in an urban school from 8:00 a.m. to 3:30 p.m. in place of these on-campus classes. Students are responsible for their own transportation to their field placement.

*Clearances: A complete and valid Clearance packet must be on file with the Department of Field Services to participate in courses with a field experience. Information regarding clearances, requirements, submission procedures and deadlines can be found on the Department of Field Services website: https://www.millersville.edu/fieldservices/clearances.php .

Secondary and Middle Level Foundation Block *

EDFN 211 - Foundations of Modern Education

EDFN 241 - Psychological Foundations of Teaching

Students must register for both classes in the same section in the foundations block. Classes are held two days per week during a 2½-hour block.

Important: Students in morning block classes should not schedule any other classes between 8:00 a.m. and 12:00 noon on the block class days. During the field experience portion of the classes, students will meet in an urban school from 8:00 a.m. to 12:00 noon in place of these on-campus classes. Students are responsible for their own transportation to their field placement.

*Clearances: A complete and valid Clearance packet must be on file with the Department of Field Services to participate in courses with a field experience. Information regarding clearances, requirements, submission procedures and deadlines can be found on the Department of Field Services website: https://www.millersville.edu/fieldservices/clearances.php .

Secondary Professional Block *

These courses must be taken together (all require APS placement):

English Majors:	ENGL 485	Teaching of Secondary English
	EDFN 330	Instructional Tech, Design and Assessment
	EDSE 321	Issues in Teaching Secondary Education
	EDSE 340	Content Area Literacy for Diverse Classrooms
	SPED 346	Secondary Students with Disabilities in Inclusive Classrooms

Middle Level Field Experience Block II:	EDFN 320	Instructional & Assistive Technology: Focus on Social Studies
	EDUC 323	Reading in the Content Areas
	MDLV 486	Teaching English Language Learners in Middle Level

Students should register for all classes in the same section in the professional block.

Important: Students will need to spend between 80-150 hours in a field placement (depending on major) and should arrange their schedule so that there is available time during the school day. Dr. Wright can address questions for secondary majors and Dr. Shettel can address questions for middle level majors.

*Clearances: A complete and valid Clearance packet must be on file with the Department of Field Services to participate in courses with a field experience. Information regarding clearances, requirements, submission procedures and deadlines can be found on the Department of Field Services website: https://www.millersville.edu/fieldservices/clearances.php .

Advanced Professional Studies (APS)

The Pennsylvania Department of Education (PDE) has established requirements for certification to teach in Pennsylvania. To prepare students to meet these requirements, Millersville University has developed criteria for admission to, and retention in, APS courses. APS standing

is conditional upon meeting and maintaining requirements throughout the degree program. APS status is not permanent and can be revoked.

Please visit the following link for information regarding APS at Millersville.

Advanced Professional Studies site: http://www.millersville.edu/cert/aps.php

Student Teaching *

The criteria for *Admission to Student Teaching* are:

1. Grade point average of 3.0 at the time of student teaching. Effective Spring 2010, a GPA below 3.0 and above 2.8 will be accepted; however, higher scores on the content area certification examination(s) will be required in order to meet final Certification requirements in PA. Please see the Certification Office for a list of Certification testing scores with the GPA deviation.
2. Must have full APS status.
3. Satisfactory professional behaviors record.
4. A complete and valid clearance packet on file with the Department of Field Services. (by the student teaching clearance deadline date).
5. Evidence of having current liability insurance.

Students are assigned to full-time cooperating teachers and to University supervisors in area school districts for a full semester of student teaching provided the following has been completed:

- The above listed 1-5 criteria for *Admission to Student Teaching* have been met;
- A *Student Teaching Application* has been submitted to Field Services one year prior to the student teaching semester;
- Additional requirements, as noted on the Student Teaching website (link below), have been completed.

Additional information is available from the Department of Field Services on the website: Student Teaching | Millersville University

Special Registration Procedures

Auditing a Course

An individual who is not concerned with earning credit may audit a course upon approval of the course's instructor. An auditing student attends classes and participates in class discussions but does not take examinations, write papers or fulfill other requirements. The student's transcript does not record a grade but notes that the course was audited. Standard tuition and fees are charged. The option to take a course on the pass/fail basis may be exercised until the end of the add period for a class.

The form used to request to take a course via audit can be obtained from the Registrar's Office.

Franklin & Marshall Exchange

Millersville University has an agreement with Franklin & Marshall College whereby Millersville University students may take courses not offered at Millersville at Franklin & Marshall without a tuition charge from F&M. Students seeking to take advantage of this program must meet the following requirements:

- Good academic standing (QPA 2.0 or better at time or registration).
- Full-time student (the F&M course may be part of your full-time load).
- Participating in a degree program.
- Undergraduates only.
- Limited to Fall and Spring semesters only.

Only courses not offered at Millersville University may be taken at F&M College through the Exchange Agreement. Students are permitted only one F&M course per semester.

The F&M Exchange Registration form is obtained through the Registrar's Office.

Taking a Course Pass/Fail

In order to stimulate and/or satisfy intellectual curiosity, students are encouraged to engage in challenging study on an elective basis. The pass-or-fail option provides the opportunity for a student to enter a course that (s)he might ordinarily avoid.

Accordingly:

- A student may enroll in no more than a total of two courses pass/fail.
- The student must pass 60 or more credits before electing a course pass/fail.
- The student must have a minimum cumulative GPA of 2.80 or obtain permission of the instructor.
- The pass/fail option is restricted to courses numbered 300 or above. However, a 200-level course may be taken pass/fail with the prior approval of the instructor. 100-level courses may not be taken pass/fail.
- Courses which may not be taken on a pass/fail basis are the following:
    - Courses taken to satisfy requirements in the major.
    - Courses taken to satisfy required-related areas in the major.

- Professional Education requirements.
  - Courses used to satisfy General Education requirements.
  - Courses taken in the minor.
  - Courses taken on a pass/fail basis will be counted toward the total hour requirement for graduation, but those courses which are passed will not be included in the GPA computation on which academic honors and academic standing are based. Courses failed under the pass/fail option will be included when computing the GPA.
  - The minimum grade a student must earn in order to be awarded a "pass" grade is "D-."
  - The option to take a course on the pass/fail basis may be exercised until the end of the add period. Having properly registered for a course on a pass/fail basis, a student still has the option to take a letter grade instead of a pass/fail grade provided that the decision to change is filed with the Registrar the week prior to final exams.
  - The pass/fail option is limited to students not on probation at the time of registration.

The Pass/Fail form is available from the Registrar's Office.

Course by Examination

Students who feel they have already mastered the material in a Millersville course may "challenge the course by examination," taking a test of the course content instead of enrolling for the course itself. Students may challenge most courses in which they have not received a grade, and which has not been waived because of demonstrated competency or advanced placement. Because of content and structure, some courses may not be challenged by examination.

The examination is given at the convenience of the instructor. The grade earned is entered on the student's record and calculated into the GPA whether a passing grade is earned.

The Course by Examination form is available from the Registrar's Office. Contact the Office of Student Accounts (717-871-5101) regarding the fees involved.

PASSHE Visiting Student Status

The purpose of the PASSHE Visiting Student program is to facilitate undergraduate student enrollment at institutions of the Pennsylvania State System of Higher Education and to enable students to take advantage of courses available across the System, without loss of institutional residency, eligibility for honors or athletics, or credits toward graduation at the home institution.

The student must be matriculated at the home university with a minimum of 12 college-level credits and be in good academic standing.

Students may take a maximum of 24 credits via the Visiting Student Policy.

The student who presents evidence of good standing at the home university will be allowed to register for courses at other PASSHE universities. The visiting student priority level for registration will be determined by each university.

All credits and grades accrued at other PASSHE universities shall be accepted in full by the

home university and thereafter treated as home university credits, residency, and grades.

It is the responsibility of the student to work with the student's advisor at the home institution regarding applicability of credits towards graduation requirements at the home institution consistent with PASSHE procedures and to complete the Visiting Student Notification Form and submit to the home institution prior to enrolling in courses at another PASSHE institution.

Students cannot use The Visiting Student Program to repeat courses.

Students cannot use the Visiting Student Program for internship or practicum that are required for licensure or certification without the express written permission of their appropriate university officials at the home university and placement availability at the requested institution.

The student shall register at, and pay tuition and fees to, the State System University visited. A student wishing to divide a course load between two institutions during the same term shall register and pay appropriate tuition and fees at both universities.

The Office of the Chancellor will work with universities to establish and publish procedures to identify visiting students such that financial aid, residency, eligibility for honors, eligibility of athletics and credits to graduation are assured.

The Visiting Student Form is available from the Registrar's Office.

Independent Study

Independent study allows students to pursue, with faculty supervision and guidance, an academic area of interest not available through an established course. To apply, complete a special studies assignment form, available in academic department offices, and obtain approval for the proposed topic and faculty supervisor from the department chairperson and school dean before the start of the term.

Individualized Instruction

Individualized instruction allows students to complete an established course during a semester in which it is not offered. Approval to pursue a course through individualized instruction is granted only under special circumstances. To apply, complete a special studies assignment form, available in academic department offices, and obtain approval for the proposed topic and faculty supervisor from the department chair person and school dean before the start of the term.

Cooperative Education/Internships

Cooperative Education (Co-op) and internships are optional learning experiences that take place in a work setting rather than in a classroom. Co-ops and internships are the result of partnerships between the University and employers in business, industry, government and human services.

For more information, contact the Career Center at 717-871-7655.

Registration Tips

➢ Before you register, *meet with your academic adviser to discuss appropriate classes and to also receive your TAP (Term Advisement PIN), if applicable (see page 8).* Make a list of the courses and CRNs you plan to take. Have several alternative courses ready in case your first choices are not available.

➢ Make use of the Registration Preparation Checklist and Schedule Planning Grid at the end of this guide to make sure you're prepared for registration and that the courses you're planning on taking fit your schedule!

➢ Check for open sections. There are two ways to do this from the MU home page:
   ♦ Select the MAX icon; select "Student Services," then the "Registration" menu, then "Web Search for Classes." You can also click the Class Search button to look for open sections when you are registering.
   ♦ From the Registrar's Website, select "Web Schedule" and follow directions to search for open sections. Check the list on a regular basis for new sections *or* for available seats in previously closed sections.

➢ New Transfer Students if you are attempting to register for a course with a prerequisite that is not yet transferred to your MU record, contact the Registrar's Office (717-871-5005) for assistance in completing the registration for this course.

➢ If a course is closed, place your name on the waitlist. See page 24 of this booklet for more details. You may also contact the department chairperson for permission to enroll in a closed course (in doing so, you will need to fill out the "Permission to Enroll in a Class" form – see page 32)

➢ Don't panic! There are many sources of assistance, including your major department chairperson, assigned academic adviser (see degree audit printout), and the Office of Academic Advisement.

➢ Remember to click on the "Submit Changes" button before exiting the registration form.

➢ If a course is closed to you because of a major restriction, contact the department offering the class for permission overrides. If the department processes an override for you to get in a course, you will need to add it on MAX. See page 32 for the required forms.

➢ Don't worry if you cannot get all of the classes you need (or want) right away – you can add and drop Spring and Fall courses via MAX through the first week of classes (check the Registrar's Office Website for possible deadline changes) and seats may open up for you! You should check the web schedule frequently for course availability and remember to utilize the waitlist!

➢ Consider taking Winter and/or Summer session courses at Millersville. They're a great way to supplement your coursework and fulfill prerequisites that you need in order to register for future courses!

Drop/Add & Withdrawal Procedures at MU

The Drop/Add period begins with the start of the semester and is not dissimilar to early registration in that it takes place online through MAX and is processed through the same means as early registration (pg. 14).

Students who register for classes at MU are responsible for the accuracy of their class schedules. Drop/add is the tool by which students can modify their schedules to this end, and it can be done conveniently online through MAX. When done by the published deadlines, online drop/add can help students avoid the problems of additional charges/fees and/or grades on their records. Continue reading for important information regarding drop/add for upcoming terms!

Information for Summer

Winter & Spring drop/add differ somewhat from one another. Primarily due to the variety of start dates for classes, Summer drop/add is structured to accommodate each section. For this reason, please read the following general instructions & review the details concerning deadlines to drop, add & withdraw from Summer classes. (Contact the Registrar's Office at 717-871-5005 for deadlines on course meeting dates not listed.)

How does drop/add work for Summer?

1. Non-payment & non-attendance are not substitutes for drop/add. There is no automatic drop for unpaid or unattended classes!
2. See the Drop/Add Withdrawal web page for deadlines to drop/add/withdraw from classes
3. The online registration system will be available through the end of drop/add for each Winter class.
4. Students will log in to MAX & choose the "Add/drop courses" option on the Registration menu. See page 14 for more details and instructions.
5. Classes may be added only if seats are available & the student meets course prerequisites or other restrictions (such as test scores or major.)
6. Faculty signatures are not required to add or drop courses.
7. *Students who add after a course begins must contact the instructor for any missed materials or information, including Desire2Learn (D2L) access.*
8. The official drop date is the date a winter session course is dropped online. Remember, there is no automatic drop for non-payment or non-attendance!
9. Faculty can give overrides to students to permit registration into an otherwise unavailable class. You still need to register on MAX after you are given an override!

What is the procedure to withdraw from a Winter course?

After the drop/add period ends, students still have the option to withdraw from a class by the published deadline. To withdraw, students must either:

- Complete an online Course Withdrawal form;

OR

- email the faculty member & copy the registrar@millersville.edu &
- ask him/her to forward the email with the approved withdrawal to the Registrar's Office.
- The effective date of course withdrawal will be the date the student initiated the request (provided the date falls within the withdrawal period for the class.)

If you have questions concerning refunds for Winter classes, please review the Winter Refund Policy on the Student Accounts website.

Information for Fall 2024

Students can drop & add Fall classes using MAX through **September 3rd**. Because most classes begin on August 26th, the drop/add process is simple -- students can drop & add online until the published deadlines. See Important Dates & Deadlines (pg 4) for more details.

How does drop/add work for Fall 2024?

1. Non-payment & non-attendance are not substitutes for drop/add. There is no automatic drop for unpaid or unattended classes!
2. The online registration system will be available through the end of drop/add.
3. Students will log in to MAX & choose the "Add/drop courses" option on the Registration menu. See page 14 for more details and instructions.
4. Classes may be added only if seats are available & the student meets course prerequisites or other restrictions (such as test scores or major.)
5. Faculty signatures are not required to add or drop courses.
6. *Students who add after a course begins must contact the instructor for any missed materials or information, including Desire2Learn (D2L) access.*
7. The official drop date is the date a class is dropped online. Remember, there is no automatic drop for non-payment or non-attendance!
8. Waitlisting will still be in effect during Drop/Add.
9. Faculty can give overrides to students to permit registration into an otherwise unavailable class. You still need to register on MAX after you are given an override!

What is the procedure to withdraw from a Fall course?

After the drop/add period ends, students still have the option to withdraw from a class by the published deadline. However, students cannot use MAX to withdraw from a course. To withdraw, students must:

- Complete an online Course Withdrawal form
- submit the form by the withdraw deadline.

To withdraw from online or blended classes, students should review Registration Notes for Online or Blended Courses.

If you have questions concerning refunds for Spring classes, please review Millersville's Refund Policy on the Student Accounts website.

Registration Preparation Checklist

Use this checklist each semester to make certain that you are prepared for registration!

☐ Find your time to register on the Registration Appointment Schedule (located on the Registrar's Website)

☐ Run your degree audit on MAX and print a copy to help you with schedule planning.

☐ Use the Web Schedule to search for classes. Find courses for your major or minor using the Subject search or try searching by other selection criteria, such as General Education courses. Check the course notes to make sure you meet prerequisites or other restrictions.

   o <u>Course prerequisites and restrictions are enforced during registration for spring, fall and winter terms</u>. You need to contact the course instructor ahead of time to request approval in courses requiring written permission or for waivers of prerequisites and other restrictions. If approved, the department will enter an override so that you can register for the course online.

☐ Plan your schedule by plotting courses you want to take by using the 'Ville Schedule Builder

☐ Review the academic calendar for important dates and deadlines that occur before and during the academic term.

☐ Contact your advisor or major department chair for advisement. If you are a graduate student, you should schedule an appointment with your program coordinator for advisement.

☐ Check your registration status on MAX before you register. If you have any registration holds, you must clear them to register – on the MAX "Registration" menu, click "Check Your Registration Status."

☐ Register on MAX!

'VILLE SCHEDULE BUILDER

WHAT IS THE 'VILLE SCHEDULE BUILDER?
It is a new web-based tool that will help you easily plan your class schedule. Whether you are an undergraduate or graduate student, you can select courses according to your preferences.

'Ville Schedule Builder allows you to set aside time for work, athletics practice, rehearsals, family schedules and other breaks. The 'Ville Schedule Builder engine will generate every possible class schedule with the courses you need at the times you want. View several possible schedules at a time and compare options. Then, hold your ideal class schedule in your registration cart, and add your classes when registration begins.

Watch the 'Ville Schedule Builder Help videos to find out how to use all its features. Just click on "Help" once you are inside.

Remember the 'Ville Schedule Builder does not enroll you in classes. But you can save yourself time. It will also help you graduate on time. Give it a try, and let the 'Ville Schedule Builder do the work for you.
