How our meal plans work:

- Students are permitted to use one meal per meal period
- **Flex dollars** - a debit account to be used as an additional form of payment at any dining location
- **Dining Dollars** - additional funds that can be purchased in increments of $50 throughout the semester
- Dining dollars and Flex dollars roll over from Fall to Spring, but must be used by the end of the Spring semester
**Meal Express**

Meal Express (ME) is a convenient way for you to use your meal plan in our retail locations. When you swipe your ID card, a meal is deducted from your balance. You will have the choice of different combo meals in our retail locations. ME selections vary by location.

**Things to Know**
