EQUAL OPPORTUNITY AND ANTI-HARASSMENT

It is the policy of MU’s Office of Experiential Learning and Career Management (ELCM) to promote and maintain an environment free of all forms of discrimination, intimidation, and exploitation including sexual harassment.

ELCM affirms equal opportunity in hiring practices. Offers of employment are expected to be made without regard to disability, race, color, religion, sex, national origin or age.

In addition, ELCM sets forth the expectation that all participating employers will not harass any registrant or other employer in either an emotional, physical or sexual way.

Anyone who believes that he or she has been a victim of sexual harassment or discrimination, or believes that he or she has witnessed conduct that would constitute sexual harassment or discrimination, should report the matter immediately to one of the ELCM staff. The report should be made as soon as possible after the incident of alleged harassment or discrimination occurs; failure to report the matter promptly to one of the ELCM staff may hamper effective administration action.

REMINDEERS TO CANDIDATES

1. Be sure your cell phone is TURNED OFF!

2. You must wear your name tag.

3. Expect to spend 5-10 minutes with each employer, but take your cues from the recruiter. Be sure to get the recruiter’s name and title for use in follow-up contact. Ask for his/her business card.

4. Many organizations require candidates to submit an online application as part of their selection process. Do not be discouraged if representatives direct you to their web page for this purpose. It is simply one more step in the process to secure employment with their organization.

5. If the waiting line to talk to a particular employer is too long, go to another employer and come back later.

6. Feel free to talk to employers who have not advertised for your major, stressing your qualifications for a job with that company. But do not be insulted if they tell you they are only interested in specific majors.

7. If you need assistance or have questions, come to the ELCM table at the entrance to Marauder Court and speak with an ELCM Professional or ask someone wearing an ELCM staff badge.

8. Follow-up with employers is extremely important. A Thank You note should be sent within 48 hours to all employers that you spoke with at the Fair. Visit MU’s Office of Experiential Learning and Career Management if you need assistance.

9. WE WANT YOUR FEEDBACK! The ELCM office will email a short survey to you in the next few days. Please take time to complete the survey so that we may bring MU’s students the best employment opportunities we can.

UNITED WAY OF LANCASTER COUNTY
OUR MISSION:
To build a stronger Lancaster County by mobilizing the caring power of our community.

OUR VISION:
We will be a catalyst to improve lives.

WE MUST THINK DIFFERENTLY. WE MUST WORK TOGETHER.

Here in Lancaster County, our neighbors have increasing needs and fragmented help. And everyone’s resources are limited. We can no longer try to solve today’s problems by being a mile wide and an inch deep. We must address underlying causes and stop bandaging the issues they create. No single organization or individual can accomplish this alone. We have to:

- Continually seek community input
- Employ research and data
- Focus on long-term solutions
- Break down walls between service providers
- Work together to improve the lives of this generation and the next

Great things will happen when we LIVE UNITED.

UNITED WAY OF YORK COUNTY
Mission: To improve people’s lives by building a strong community through cultivating financial generosity, volunteerism and civic engagement.

For over 90 years, United Way of York County has worked in the York County community to improve people’s lives. It began as The York Welfare Federation, an organization that raised funds on behalf of 17 member agencies. Today, as the United Way of York County, the mission of raising community funds remains the same, but the strategies have broadened in order to meet the growing and changing needs of people living in York County.

United Way has adapted over the years and now collaborates with other public and private organizations to engage the community in addressing the complex issues facing York County. By developing initiatives that get at the root causes of these issues, United Way and its partners find solutions and fund programs that improve the lives of people in York County. Through gifts the Community Fund, United Way is able to invest those dollars into 74 programs supported by 36 Partner Agencies. These programs address human services needs across three Focus Areas: Education, Income and Health. This enables United Way to address the immediate and continuing needs of York County families and individuals and to create real, lasting change that matters to you and the community.

YOUR REMODELING GUYS
President and founder, Mark Curry attributes much of the Company’s success to having a clear identity that the average homeowner can easily relate to. Curry states, “Where great design ideas meet quality of work – that’s our identity. That’s why homeowners gravitate towards us. We build that relationship with our customers and then nurture it all the way through to point of completion and total satisfaction.”

This is where Your Remodeling Guys differentiates itself with a very unique core competency – one where good creative designs and quality craftsmanship co-exist under one roof.

Even The Home Depot recognizes these qualities in Your Remodeling Guys and has chosen them as their EXCLUSIVE authorized service provider for designing and installation for their kitchen refacing program.

Your Remodeling Guys take great pride in not being your average remodeling company. They even created an interesting parody with their name, “GUYS”. Ironically enough, much of their staff is female based. They often refer to themselves as a home improvement company driven by women with the name, “Your Guys”. Curry goes on to say, “We have found that our women designers have excellent design skills when it comes to our type of products.”
