EQUAL OPPORTUNITY AND ANTI-HARASSMENT

It is the policy of MU’s Office of Experiential Learning and Career Management (ELCM) to promote and maintain an environment free of all forms of discrimination, intimidation, and exploitation including sexual harassment.

ELCM affirms equal opportunity in hiring practices. Offers of employment are expected to be made without regard to disability, race, color, religion, sex, national origin or age.

In addition, ELCM sets forth the expectation that all participating employers will not harass any registrant or other employer in either an emotional, physical or sexual way.

Anyone who believes that he or she has been a victim of sexual harassment or discrimination, or believes that he or she has witnessed conduct that would constitute sexual harassment or discrimination, should report the matter immediately to one of the ELCM staff. The report should be made as soon as possible after the incident of alleged harassment or discrimination occurs; failure to report the matter promptly to one of the ELCM staff may hamper effective administration action.

REMINDERS TO CANDIDATES

1. Be sure your cell phone is TURNED OFF!

2. You must wear your name tag.

3. Expect to spend 5-10 minutes with each employer, but take your cues from the recruiter. Be sure to get the recruiter’s name and title for use in follow-up contact. Ask for his/her business card.

4. Many organizations require candidates to submit an online application as part of their selection process. Do not be discouraged if representatives direct you to their web page for this purpose. It is simply one more step in the process to secure employment with their organization.

5. If the waiting line to talk to a particular employer is too long, go to another employer and come back later.

6. Feel free to talk to employers who have not advertised for your major, stressing your qualifications for a job with that company. But do not be insulted if they tell you they are only interested in specific majors.

7. If you need assistance or have questions, come to the ELCM table at the entrance to Marauder Court and speak with an ELCM Professional or ask someone wearing an ELCM staff badge.

8. Follow-up with employers is extremely important. A Thank You note should be sent within 48 hours to all employers that you spoke with at the Fair. Visit MU’s Office of Experiential Learning and Career Management if you need assistance.

9. WE WANT YOUR FEEDBACK! The ELCM office will email a short survey to you in the next few days. Please take time to complete the survey so that we may bring MU’s students the best employment opportunities we can.

WELLS FARGO BANK
Our vision is: “We want to satisfy our customers’ financial needs and help them succeed financially.”
It is just as relevant today as when it was written more than 20 years ago. We didn’t know then that at only 84 characters, it would be succinct enough to tweet today!
Our vision of financially successful customers is based on a simple premise: We believe customers across all business segments can be better served, and save time and money, if they bring their financial services to one trusted provider that knows them well, provides reliable guidance and advice, and can serve their full range of financial needs through a wide choice of products and services.
Our journey toward this customer-centered vision has required hard work, persistence, and determination. We’ve made steady progress toward this goal. But we still have much to accomplish. For example, our own customers still give a significant amount of their financial business to our competitors. Our job — central to our vision — is to make it easy for them to bring more of their business to us so we can satisfy their financial needs.
