Susquehanna Bank has generously contributed funds to Millersville University to support students who choose to provide service to the community in the form of an internship in a nonprofit or government agency. This enables the Office of Experiential Learning and Career Management (ELCM) to offer an award to selected students who are completing an academic internship during a summer semester in an unpaid position at a nonprofit or government agency.

This year, three summer 2013 interns will receive a $1,500 award. We are pleased to continue offering the award to students each year. The application deadline is 4:00 p.m., Friday, April 26.

General eligibility requirements include:

- Completion of 60 credits
- Current enrollment as a student at Millersville University
- An overall GPA of 2.5 or higher at the time of application
- A confirmed, non-paid summer internship at a nonprofit or government agency where the student will complete a minimum of 225 hours of work
- Evidence that the student has registered the internship for academic credits through the Office of Experiential Learning and Career Management.

Here’s how to get started:

- Complete the Online Orientation for Internships
- Secure an unpaid internship with a non-profit or governmental organization
- Meet qualifying agencies and organizations at the Job & Internship Fair on Thursday, April 4th.
- Schedule and attend an Internship Registration session with the Office of Experiential Learning and Career Management.
- Complete Award Application by April 26, 2013.

For more information about the Susquehanna Bank Nonprofit Internship Award, please contact intern@millersville.edu or 717-872-3774.

EQUAL OPPORTUNITY AND ANTI-HARASSMENT

It is the policy of MU’s Office of Experiential Learning and Career Management (ELCM) to promote and maintain an environment free of all forms of discrimination, intimidation, and exploitation including sexual harassment.

ELCM affirms equal opportunity in hiring practices. Offers of employment are expected to be made without regard to disability, race, color, religion, sex, national origin or age.

In addition, ELCM sets forth the expectation that all participating employers will not harass any registrant or other employer in either an emotional, physical or sexual way.

Anyone who believes that he or she has been a victim of sexual harassment or discrimination, or believes that he or she has witnessed conduct that would constitute sexual harassment or discrimination, should report the matter immediately to one of the ELCM staff. The report should be made as soon as possible after the incident of alleged harassment or discrimination occurs; failure to report the matter promptly to one of the ELCM staff may hamper effective administration action.

REMINDERS TO CANDIDATES

1. Be sure your cell phone is TURNED OFF!

2. You must wear your name tag.

3. Expect to spend 5-10 minutes with each employer, but take your cues from the recruiter. Be sure to get the recruiter’s name and title for use in follow-up contact. Ask for his/her business card.

4. Many organizations require candidates to submit an online application as part of their selection process. Do not be discouraged if representatives direct you to their web page for this purpose. It is simply one more step in the process to secure employment with their organization.

5. If the waiting line to talk to a particular employer is too long, go to another employer and come back later.

6. Feel free to talk to employers who have not advertised for your major, stressing your qualifications for a job with that company. But do not be insulted if they tell you they are only interested in specific majors.

7. If you need assistance or have questions, come to the ELCM table at the entrance to Marauder Court and speak with an ELCM Professional or ask someone wearing an ELCM staff badge.

8. Follow-up with employers is extremely important. A Thank You note should be sent within 48 hours to all employers that you spoke with at the Fair. Visit MU’s Office of Experiential Learning and Career Management if you need assistance.

9. WE WANT YOUR FEEDBACK! The ELCM office will email a short survey to you in the next few days. Please take time to complete the survey so that we may bring MU’s students the best employment opportunities we can.

SMILEBUILDERZ DENTAL (#86)
Smilebuilderz was established in 2006 with the ultimate goal of establishing a dental campus that would be much different than the typical dental practice. The goal was to form a group of specialists working together under one roof to offer the best dental treatment, convenience and continuity of care as possible.

The idea came to Smilebuilderz founder, Dr. Anthony Skiadas, after hearing countless stories of frustration from patients. These people had gone from dentist to dentist, getting consultation after consultation, just trying to be treated. Dr. Skiadas didn’t want to hear another story about a patient finally getting to treatment, only to discover he or she was receiving the incorrect dental care.

Our objective was to help patients access the best possible dental care from the right dentist. We also wanted to make the care convenient, so we offered extended hours so people wouldn’t have to miss work. We met with other dental professionals, and once we shared our vision, they became involved with smilebuilderz. We sought out independent dental specialists to join our team and bring their specific talents to our campus.
SMILEBUILDERZ DENTAL (continued)
Since smilebuilderz has opened, multiple services have been added – a result of listening to what patients want and more importantly, what they need. We also quickly realized that people were ignoring their oral hygiene and regular checkups because they didn’t have dental insurance. To respond to that direct need, in 2008, we started Smilebuilderz Dental Plan (SDP) to help businesses offer a free alternative to dental insurance to their employees. The program is so popular, SDP is now also available to individual consumers.

Today, smilebuilderz is a team of more than 150 professionals all working together under one roof for a common goal...your perfect smile!
