

Blackboard 6: Adding Fill in the Blank Questions 6 Steps

This Step-by-Step explains the procedures for adding fill in the blank questions in Blackboard 6.

This Step-by-Step assumes that the quiz has already been added and accessed.

1.) From the drop-down menu select “Fill in the Blank” and click “Go”

Add

Fill in the Blank Question

* Question Text

Smart Text Plain Text HTML

* Point Value

2.) Type in the desired question in the text field labeled, “Question Text”.

- You will also need to enter a point value in the text field labeled, “Point Value”

3.) You may then select the number of correct answers by clicking on the drop-down menu and clicking the appropriate number.

- Type the correct text into the text field labeled “Answer 1” Note: may be repeated for up to 20 times.

4.) You may now enter a correct answer and incorrect answer response feedback.

Feedback

Enter feedback that will display in response to a correct answer and an incorrect answer.

Correct Response Feedback

Smart Text Plain Text HTML

Incorrect Response Feedback

Answers

Add an answer for all possible correct responses.

* Answers

Number of Answers:

Answer 1:

5.) Click “Submit”

6.) A receipt will appear showing what you just created, click “OK” and you are done.
