

# Appointment Schedule for Summer and Fall 2026

## (When do I Register?)

**The Help Line for early registration is 717-871-5005.**

Early registration will be conducted by web using MAX (Millersville Access System) through [MyVille](#). Currently enrolled students (who do not have registration holds) are eligible to register according to the number of credits passed (does not include in-progress credits).

Most students can use MAX to register, and all departments are able to put overrides on the computer for students. To obtain an override, submit the proper [Permission to Enroll](#) form to the appropriate academic department for approval. Overrides are required for:

- 500-level courses for undergraduates who have written permission
- prerequisite, major and class restrictions
- classes with overlapping or conflicting times
- classes with other special restrictions as noted in the web schedule

On the mornings of early appointments, operators will be available at 6 a.m. Otherwise, operators will be available to assist Monday through Friday, 8 a.m. to 5 p.m. You may register at or after your appointment time (see below); however, you may not register earlier. At the end of early registration (beginning April 17), all eligible students may register Monday through Sunday.

**NOTE: Missing class in order to register is NOT considered an excused absence and is not acceptable.**

The last time to use MAX to register for a summer class is at the end of the workday following the first class meeting. The last time to use MAX to register for a fall class is Monday, August 31<sup>st</sup> at 11:59 p.m. EST.
