The degree audit includes courses you have completed at Millersville, transfer courses that have been accepted toward your degree program, courses you are currently taking, and courses you may have registered for in a future term at Millersville.

## WAITLIST INFORMATION

[\(Please see the Waitlisting Tutorial for Students on the Web Schedule and Registration Guide on the Registrar's Website for more detailed information regarding the waitlisting process\)](#)

A waitlist is an electronic list of students who want to enroll in a course that has reached maximum capacity (closed). To add yourself to a wait list:

Add a course by typing in the CRN in the 'Add Classes Worksheet' and click 'Submit Changes'. If the course is closed, you will usually see one of the following 'Registration Add Error' messages:

Registration Add Errors

Status	Action	CRN	Subj	Crse	Sec	Level	Cred	Grade	Mode	Title
Closed - 0 Waitlisted	None	4990	OSEH	120	01	Undergraduate	3.000	Undergraduate	Standard	Letter Fund of Safety, Hlth, Env Issues

Add Classes Worksheet

CRNs

Submit Changes Class Search Reset

1. Closed - # Waitlisted:

- Closed indicates no regular seats are available.
- The number provided indicates the number of students currently on the wait list.
- The student can only waitlist this course.

2. Open - Reserved for Waitlist:

- Open indicates regular seats available
- Reserved for Waitlist indicates the available seats are reserved for a student or students on the waitlist for the course
- The student can only waitlist this class since, currently, waitlisted students have preference.

If you can waitlist a class, select 'Wait List' from the 'Action' menu and click on the 'Submit Changes' button. Once a seat becomes available, you will be notified through your Marauder email account that you are able to register for the CRN number you selected to wait list.

**YOU WILL NOT BE AUTOMATICALLY MOVED FROM THE WAIT LIST INTO A COURSE.**

Once you receive notification, you will have a finite amount of time (noted in the email notification) to add the course via MAX. As a courtesy to your fellow students, please

drop yourself from any courses you are waitlisted for that you don't intend to take. You remove yourself from a waitlisted course through MAX using the same method you use to drop yourself from a registered course.

Many regular registration rules apply to the waitlisting process. Inability to waitlist or move from a wait list into a course may be due to one or more of the following registration restrictions:

- Class level
- Duplicate courses
  - You can only waitlist for one section of a course and you cannot waitlist for a section of a course you are already registered for.
- Field of Study (Major/Minor/Concentration)
- Pre/Corequisites
- Preapproval from the instructor/department
- Time conflicts
- Maximum credits exceeded
- Others (refer to the Registration Error Message section below)

#### **Note regarding waitlisting and multi-component classes**

If you want to waitlist for a class that requires a lab and/or recitation, you need to waitlist for the lecture section of the class only.

If you receive a waitlist notification confirming that you can add the section off of the waitlist, you need to register for the lecture and the lab and/or recitation simultaneously by:

- Locating an open lab/recitation section attached to the lecture through the [Web Schedule](#) AND...
- Logging into MAX and go to Registration - Drop/Add Classes AND...
- Changing the Action button for the lecture from Waitlisted to **\*\*Registered\*\*** AND...
- typing in the accompanying lab/recitation CRNs in the Add Classes Worksheet near the bottom of the page AND...
- clicking on Submit Changes.

## PERMISSION FORMS

"Permission to Enroll" forms are available online on Millersville's website in the Student Forms Center (<http://www.millersville.edu/~forms/student/>):

### [Permission \(Academic Department\) to Enroll in a Restricted Class](#)

Use this form to receive permission from the faculty to enroll in a course that has restrictions; such as permission required, prerequisites, limited to majors or class level (Jr., Sr., etc.). Note that any permission granted by this form also allows you to waitlist for a course otherwise unavailable to you. *The completed form will be processed by the academic department, but you will still be responsible for registering for the course.*

### [Permission for an Undergraduate Student to enroll in a Graduate Class](#)

An undergraduate student who wishes to take a graduate 500-level course must have this form completed by the department offering the course. *The completed form will be processed by the Registrar's Office.*

### [Permission to Enroll in a Class that has a Time Conflict](#)

If you have two courses that have a time conflict and one of the faculty is willing to work with you about missed time, please use this form. Register for the first course on MAX and bring this form to the Registrar's Office so you can be granted permission to

register for the second course.

**NOTE: The overlap in classes should not exceed 15 minutes.**

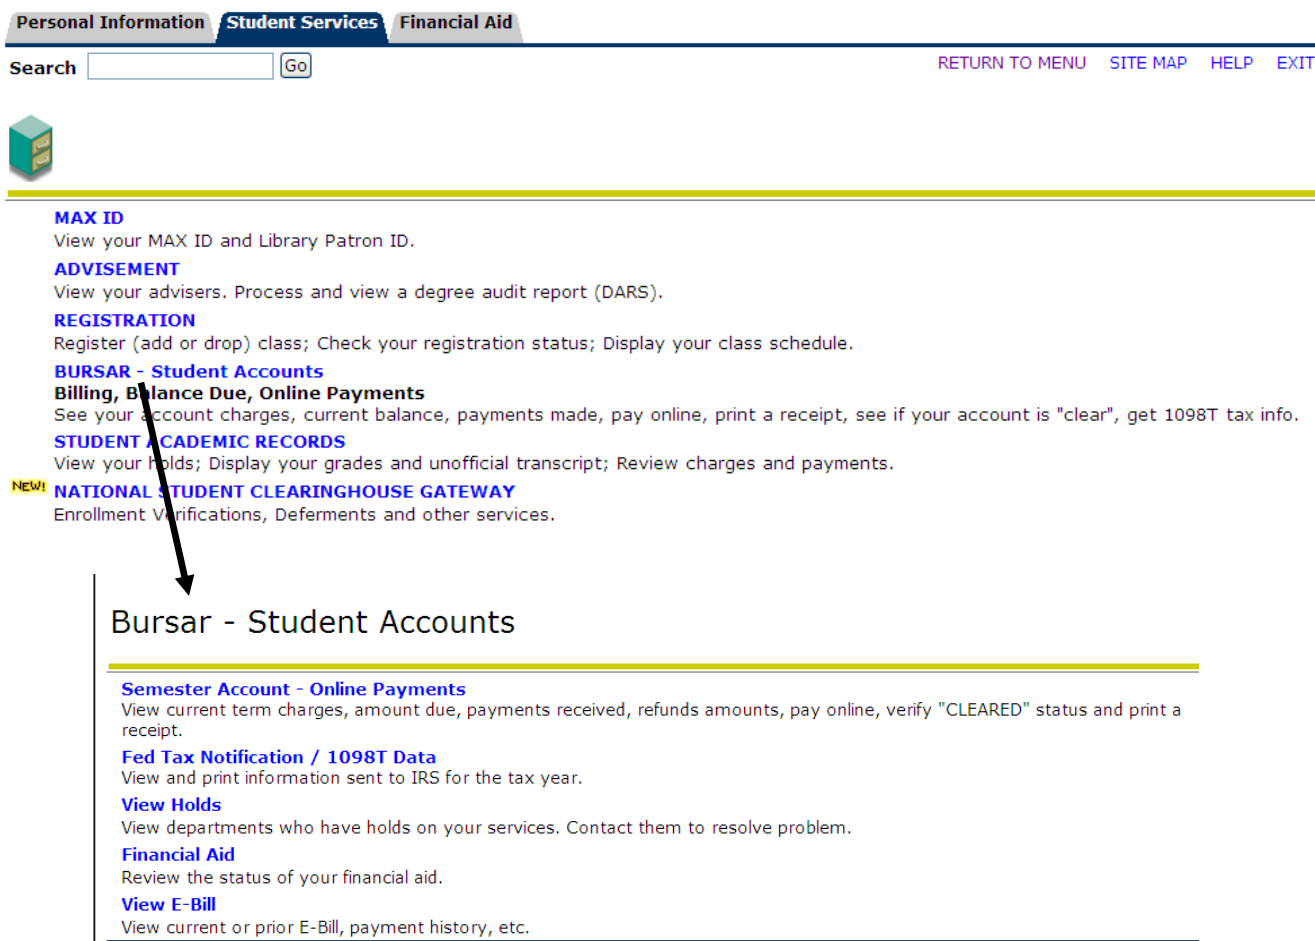

## REGISTRATION TIPS

- **Before you register**, *meet with your academic adviser to discuss appropriate classes and to also receive your TAP (Term Advisement PIN), if applicable (see page 14).* Make a list of the courses and CRNs you plan to take. Have several alternative courses ready in case your first choices are not available.
- **Check for open sections.** There are two ways to do this from the MU home page:
  - ◆ Select the MAX icon; select "Student Services," then the "Registration" menu, then "Web Search for Classes." You can also click the Class Search button to look for open sections when you are registering.
  - ◆ From the Registrar's homepage ([www.millersville.edu/~registrar/](http://www.millersville.edu/~registrar/)), select "Web Schedule" and follow directions to search for open sections. Check the list on a regular basis for new sections or for available seats in previously closed sections.
- **New Transfer Students** if you are attempting to register for a course with a prerequisite that is not yet transferred to your MU record, contact the Registrar's Office (717-872-3035 or 871-2400) for assistance in completing the registration for this course.
- **If a course is closed**, place your name on the waitlist. See page 21 of this booklet for more details. You may also contact the department chairperson for permission to enroll in a closed course (in doing so, you will need to fill out the "Permission to Enroll in a Class" form).
- **Remember to click on the "Submit Changes"** button before exiting the registration form.
- **Don't panic!** There are many sources of assistance, including your major department chairperson, assigned academic adviser (see DARS printout), and the Office of Academic Advisement.

## NATIONAL STUDENT CLEARINGHOUSE GATEWAY

Enrollment Verifications, Deferments and other services.

Free self-service official enrollment verifications are now available to MAX users through the National Student Clearinghouse. Using the web puts the control in your hands, saves you a trip to the University and is quick, easy and convenient. In a format that is widely accepted by 3<sup>rd</sup> parties such as health insurance, credit issuers, housing providers, employers and others, the verification report includes the enrollment term dates and indicates full-time or part-time status. You may also obtain a pre-term Advanced Registration Certificate (available for spring and fall terms only), which can be provided to 3<sup>rd</sup> parties prior to the beginning of the semester until the official enrollment verification becomes available.

This self-service report, however, may not be used for student loans. Please see page 30 for important information regarding Student Loan Deferments.

*When can you get an official enrollment verification?*

- Previous terms are always available.
- **Future spring and fall terms are available one week before the term begins.**
- Summer terms are available the week after the summer term ends.

*When can you get an Advanced Registration Certificate (spring and fall terms only)?*

- Certificates are available beginning the week that follows the start of registration for an upcoming term.
  - The information provided on the Certificate (such as a change in enrollment status from Part Time to Full Time) will be updated once a month until the start of the term.

## INSTRUCTIONS:

1. Go to the MU webpage ([www.millersville.edu](http://www.millersville.edu)) and logon to MAX.
2. Select Student Services.
3. Read the information and then link to [National Student Clearinghouse Gateway](#).

4. Select "current enrollment", "all enrollments" or "Advanced Registration"
5. Select "Obtain an enrollment certificate."
6. Print your enrollment verification form.
7. Logoff the National Student Clearinghouse website.
8. Submit the enrollment certificate to your health insurer (or whoever requires proof of your enrollment status)

### **Student Loan Deferments**

Most enrolled students receive automatic deferments. If, however, you receive a deferment form from your lender or loan servicer, contact the lender and tell them to get your enrollment information from the [National Student Clearinghouse](#). If you still believe a paper deferment form needs to be processed, submit the form to the registrar's office, where it will be forwarded to the Clearinghouse for processing according to their requirements. [Check the list of participating lenders and servicers to see if your lending organization offers paperless deferment.](#)

If you are still enrolled and receive a collection letter, [contact your lender or loan servicer](#) to verify that your deferment has been processed. If it has not, contact the Clearinghouse as 703-742-4200 and ask to speak to a Student Service Representative. The representative will verify your deferment information and, if you are being threatened with default, they will contact your loan holder to request that your deferment is processed on a priority basis
