Live and Learn
Your education and training go beyond textbooks and the traditional classroom. Our programs emphasize hands-on learning, with endless opportunities in field experiences, cooperative education, internships and partnerships with faculty conducting research.

The Choice Is Yours
With nearly 50 bachelor’s degree programs—in the areas of science, mathematics, education, humanities and social sciences—you’ll receive an education second to none.

Crunching the Numbers
At Millersville, you are not a number. The average class size is 28, and the student/faculty ratio is an impressive 22:1. Here, you get the advantages of a larger university, with a close-knit atmosphere usually found at a smaller college.

We Make it Easy
Apply online at millersville.edu. You’ll receive our decision about your application quickly, and you’ll be able to start planning for your future in no time.

AREN’T YOU GLAD YOU ASKED?

HOW DO I TRANSFER MY CREDITS?
Arrange to have your official transcript(s) sent to the Millersville Admissions Office directly from all colleges and universities you’ve attended. A credit evaluation will be included with your admission packet. A comprehensive list of course equivalencies is available online in the transfer section of the admissions page.

CAN I APPLY AND SUBMIT MY CREDITS ONLINE?
Applying online is a quick and easy way to get your application to Millersville. Your official transcripts, however, must be submitted directly to the Millersville Admissions Office from each institution you’ve attended. Institutions can submit official transcripts electronically or via paper.

CAN I TRANSFER MIDYEAR?
Yes. Since space is limited, it’s a good idea to apply to Millersville at least four months before the semester in which you want to enroll.

AFTER I TRANSFER, HOW MANY MILLERSVILLE CREDITS WILL I NEED TO GRADUATE?
In general, you will need to complete a minimum of 30 credits at Millersville—including at least half of all major requirements—to earn a degree from Millersville. Most programs have a total of 120 credits. Some degree programs have specific requirements, so it’s a good idea to check with the department you’re applying to for specific information.

ARE TRANSFER STUDENT INFORMATION SESSIONS OFFERED WEEKLY?
Yes. Dates and online registration can be found at nville.us/visit-mu. Sessions include information on the application process, admission criteria, how previous credits will fit toward the Millersville degree program and an optional campus tour.
Dual Admission
This advisement program allows students to apply to Harrisburg Area Community College (HACC) or Reading Area Community College (RACC) and Millersville at the same time. Students are eligible to transfer to Millersville after they complete their associate degree, following the catalog in effect at the time of their admission to the dual-enrollment program. HACC advisement checksheets can be found at hacc.edu/StudentServices/TransferServices.

Academic Passport
Millersville guarantees admission to students who earn an associates degree from a Pennsylvania community college.

Articulation Agreements
Millersville has transfer articulation agreements with many community college partners. The agreements guarantee transfer of credits upon completion of an Associate Degree and help to facilitate a smooth transition to Millersville.

Veterans
Millersville meets all the criteria established for transfer of credits from DANTES and USAFI programs. Additional information for veterans can be found at millersville.edu/finaid/studentinfo/veteran.php.
