SUBJ: **Notification of Minor Curricular Change(s)**

The following changes have been identified as minor curricular changes for the Mathematics department.

| Course | Curricular Change |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| MATH 161 – Calculus I | Update course content. Add Inverse Trigonometric functions, Calculus of Inverse Trig Functions and L'Hopital's Rule. Effective Summer 2007 |
| MATH 211 – Calculus II | Update course content. DELETE Inverse Trigonometric functions, Calculus of Inverse Trig Functions and L'Hopital's Rule. Effective Summer 2007 |
| | |

| Mathematics Minor 22 credits | Curricular Change |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
| Required courses (16 credits): Math 161, 211, 311 (Calculus I – III) 322 (Linear Algebra I) | Add MATH 310 as an elective to the Mathematics minor. Effective Summer 2007 |
| Electives (6-7 credits): Choose 6 credits of Mathematics electives at the 300 level or above which count toward a BA Mathematics degree. (May not count both MATH 333 & 335 toward the minor) | |
