Associate Provost for Academic Administration

DATE: May 9, 2007

SUBJ: **Notification of Minor Curricular Change(s)**

The following adjustments have been identified as minor curricular changes and have been approved by the appropriate School Curriculum Committee.

Course	<u>Curricular Change: Pre-requisite</u>
OSEH 435 – Environmental Technology	Pre-req: OSEH 321
	Revised Pre-req: OSEH 321 or ENVI 330
Rationale: At the time OSEH 435 was approved as a new course in the summer 2003, ENVI 330 had been listed as a possible pre-requisite but the ENVI 330 had not been approved yet. Since its approval in December 2003, the Industry and Technology department noticed it should be added as a possible pre-requisite in efforts to make OSEH 435 more accessible for students declared in the interdisciplinary environmental minors. Effective, Fall 2007
